Genovese, Director, AD/CVD/Revenue Policy & Programs, Office of International Trade, U.S. Customs and Border Protection, dated December 9, 2008 (Entry Documentation Request). On January 26, 2009, the Department received the requested entry documentation. See memorandum from Tom Futtner, Customs Unit, to Melissa Skinner, dated January 2, 2009 (Entry Documentation). On March 27, 2009, the Department determined that Dongkuk's claim of no shipments was corroborated using the entry documentation. See memorandum from Christopher Hargett, International Trade Compliance Analyst, Office 3, through James Terpstra, Program Manager, Office 3, to Melissa Skinner, Office Director, Office 3, Import Administration, dated March 27, 2009. On April 14, we published the *Preliminary Rescission* with respect to Dongkuk, and invited interested parties to comment. See *Preliminary Rescission*, at 17160. A complete description of the order on corrosion-resistant carbon steel flat products from Korea is contained in the *Preliminary Rescission*. We received no comments.

#### Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), the Department may rescind an administrative review, with respect to a particular exporter or producer, if the Secretary concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise by that producer. Dongkuk submitted a letter on October 20, 2008, certifying that it did not have sales of subject merchandise to the United States during the POR. The petitioners, United States Steel Corporation, Nucor Corporation, and Mittal Steel USA ISG, Inc., did not comment on Dongkuk's no-shipment claim.

As noted, we conducted an internal customs data query on October 2, 2008, as part of the selection of respondents for individual review. See CBP Data. The data query showed several questionable entries, of which the Department requested entry documents. See Entry Documentation Request. The documentation showed that the questionable entries from the CBP data were not produced by Dongkuk. See Entry Documentation.

Based on our analysis of the shipment data, Dongkuk is a non-shipper for this review. See No Shipment Analysis. Therefore, in accordance with 19 CFR 351.213(d)(3), and consistent with our

practice, we are rescinding this review with respect to Dongkuk. See, e.g., *Stainless Steel Bar From India; Final Results of Antidumping Duty Administrative Review and New Shipper Review and Partial Rescission of Administrative Review*, 65 FR 48965, 48966 (August 10, 2000).

#### Administrative Protective Order

This notice also is the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation. We are issuing and publishing these results and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

#### Certain Frozen Warmwater Shrimp from Brazil: Notice of Rescission of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** June 17, 2009

**FOR FURTHER INFORMATION CONTACT:** Kate Johnson or Rebecca Trainor, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4929 or (202) 482-4007, respectively.

**SUPPLEMENTARY INFORMATION:**

#### Background

On February 4, 2009, the Department of Commerce (the Department) published in the **Federal Register** a notice of "Opportunity to Request Administrative Review" of the antidumping duty order on certain frozen warmwater shrimp from Brazil

for the period of review (POR) February 1, 2008, through January 31, 2009. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 74 FR 6013 (February 4, 2009). The Department received a timely request from the Ad Hoc Shrimp Trade Action Committee (Domestic Producers) in accordance with 19 CFR 351.213(b), for an administrative review of the antidumping duty order on certain frozen warmwater shrimp from Brazil. On April 7, 2009, the Department published a notice of initiation of an administrative review of the antidumping duty order on certain frozen warmwater shrimp from Brazil with respect to 43 companies. See *Certain Frozen Warmwater Shrimp from Brazil, India and Thailand: Notice of Initiation of Administrative Reviews*, 74 FR 15699 (April 7, 2009) (*Initiation Notice*).

The Department stated in its initiation of this review that it intended to rely on U.S. Customs and Border Protection (CBP) data to select respondents. See *Initiation Notice*. However, our review of the CBP database showed no entries of certain frozen warmwater shrimp originating in Brazil, subject to AD/CVD duties, during the period February 1, 2008, to January 31, 2009. See April 9, 2009, Memorandum to the File from Kate Johnson entitled "Release of POR Entry Data from CBP." We released the results of our CBP data query to interested parties and invited them to comment on the CBP data and respondent selection. On May 1, 2009, the Domestic Producers submitted comments, which we addressed in the June 10, 2009, Memorandum to James Maeder, Director, Office 2, AD/CVD Operations from Kate Johnson and Rebecca Trainor, Senior Case Analysts, Office 2, AD/CVD Operations, entitled "Intent to Rescind Administrative Review."

On May 8, 2009, we sent a "No Shipments Inquiry" to CBP to confirm that there were no shipments or entries of frozen warmwater shrimp from Brazil during the POR. We received no information from CBP to contradict the results of our data query that there were no shipments or entries of subject merchandise to the United States during the POR.

#### Rescission of Review

Section 351.213(d)(3) of the Department's regulations stipulates that the Secretary may rescind an administrative review if there were no entries, exports, or sales of the subject merchandise during the POR. As there

were no entries, exports, or sales of the subject merchandise during the POR, we are rescinding this review of the antidumping duty order on certain frozen warmwater shrimp from Brazil pursuant to 19 CFR 351.213(d)(3). We intend to issue assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review.

This notice is published in accordance with section 751 of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: June 10, 2009.
