

connection in the conduct of trade or business. BIS believes that naming Shahsavarani as a person related to TAK is necessary to avoid evasion of the denial order against TAK.

As provided in Section 766.23 of the Regulations, I gave notice to Shahsavarani that his export privileges under the Regulations could be denied for up to 10 years due to his relationship with TAK and that BIS believes naming him as a person related to TAK would be necessary to prevent evasion of a denial order imposed against TAK. In providing such notice, I gave Shahsavarani an opportunity to oppose his addition to the TAK Denial Order as a related party. Having received no submission from Shahsavarani, I have decided, following consultations with BIS's Office of Export Enforcement, including its Director, to name Shahsavarani as a Related Person to the TAK Denial Order, thereby denying him export privileges for five years from the date of TAK's conviction.

I have also decided to revoke all licenses issued pursuant to the Act or Regulations in which the Related Person had an interest at the time of TAK's conviction. The five-year denial period will end on October 11, 2012.

Accordingly, *it is hereby ordered*

I. Until October 11, 2012, TAK Components, Inc., 2140 Fulham Dr., Apt. 18, Naperville, IL 60564, when acting for or on behalf of TAK, its successors or assigns, agents or employees, ("the Denied Person") and the following person related to the Denied Person as defined by Section 766.23 of the Regulations: Saied Shahsavarani, President, 2140 Fulham Dr., Apt. 18, Naperville, IL 60564, and when acting for or on his behalf, employees, agents or representatives, ("the Related Person") (together, the Denied Person and the Related Person are "Persons Subject to This Order") may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as "item") exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, License Exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise

servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations.

II. No person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Persons Subject To This Order any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Persons Subject To This Order of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Persons Subject To This Order acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Persons Subject To This Order of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Persons Subject To This Order in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Persons Subject To This Order, or service any item, of whatever origin, that is owned, possessed or controlled by the Persons Subject To This Order if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

III. In addition to the Related Person named above, after notice and opportunity for comment as provided in section 766.23 of the Regulations, any other person, firm, corporation, or business organization related to the Denied Person by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the

provisions of this Order if necessary to prevent evasion of the Order.

IV. This Order does not prohibit any export, reexport, or other transaction subject to the Regulations where the only items involved that are subject to the Regulations are the foreign-produced direct product of U.S.-origin technology.

V. This Order is effective immediately and shall remain in effect until October 11, 2012.

VI. In accordance with Part 756 of the Regulations, TAK may file an appeal of this Order with the Under Secretary of Commerce for Industry and Security. The appeal must be filed within 45 days from the date of this Order and must comply with the provisions of Part 756 of the Regulations.

VII. In accordance with Part 756 of the Regulations, the Related Person may also file an appeal of this Order with the Under Secretary of Commerce for Industry and Security.

VIII. A copy of this Order shall be delivered to the Denied Person and the Related Person. This Order shall be published in the **Federal Register**.
