RIN 3206-AL83

Prevailing Rate Systems; Redefinition of the New Haven-Hartford and New London, CT, Appropriated Fund Federal Wage System Wage Areas

AGENCY: U.S. Office of Personnel Management.

ACTION: Final rule.

SUMMARY: The U.S. Office of Personnel Management (OPM) is issuing a final rule to define the New Haven-Hartford and New London, CT, appropriated fund Federal Wage System (FWS) wage areas by county rather than by city and town boundaries. Defining the New England FWS wage areas by primarily considering county boundaries provides greater consistency in how OPM defines FWS wage areas and improves the ability to make direct data comparisons with Census Bureau data. The final rule defines the New Haven-Hartford wage area to include Hartford and New Haven Counties, CT, as the survey area and Fairfield, Litchfield, Middlesex, and Tolland Counties, CT, as the area of application and the New London wage area to include New London County, CT, as the survey area and Windham County, CT, as the area of application.

DATES: *Effective Date:* This regulation is effective on June 30, 2009.

Applicability date for the New Haven-Hartford, CT, wage area: This rule applies for the full-scale wage survey scheduled to begin in April 2011.

Applicability date for the New London, CT, wage area: This rule applies for the full-scale wage survey scheduled to begin in September 2010.

SUPPLEMENTARY INFORMATION: On March 24, 2009, the U.S. Office of Personnel Management (OPM) issued a proposed rule (74 FR 12280) to make the following three changes:

(1) Define the New Haven-Hartford and New London, CT, appropriated fund Federal Wage System wage areas by county rather than by city and town boundaries;

(2) Define the New Haven-Hartford wage area to include Hartford and New Haven Counties, CT, as the survey area and Fairfield, Litchfield, Middlesex, and Tolland Counties, CT, as the area of application; and

(3) Define the New London wage area to include New London County, CT, as the survey area and Windham County, CT, as the area of application.

These changes are based on consensus recommendations of the Federal Prevailing Rate Advisory Committee. The proposed rule had a 30-day comment period, during which OPM received no comments.

Regulatory Flexibility Act

I certify that these regulations will not have a significant economic impact on a substantial number of small entities because they will affect only Federal agencies and employees.

Movement of Hass Avocados From Areas Where Mexican Fruit Fly or Sapote Fruit Fly Exist

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Final rule.

SUMMARY: We are amending the regulations to relieve certain restrictions regarding the movement of Hass variety avocados. Specifically, we are amending our domestic quarantine regulations to provide for the interstate movement, with a certificate, of Hass avocados from areas in the United States quarantined for Mexican fruit fly or sapote fruit fly, provided that the fruit is safeguarded after harvest in accordance with specific measures. We are also amending our foreign quarantine regulations to remove trapping and bait spray treatment requirements related to *Anastrepha* spp. fruit flies for imported Hass avocados from Michoacan, Mexico. These actions are warranted in light of research demonstrating the limited host status of Hass avocados to various species of fruit flies in the genus *Anastrepha*, including Mexican fruit fly and sapote fruit fly. By amending both our domestic and foreign quarantine regulations, we are making them consistent with each other and relieving restrictions for Mexican Hass avocado producers. In addition, this action provides an alternative means for Hass avocados to be moved interstate if the avocados originate from a Mexican fruit fly or sapote fruit fly quarantined area in the United States.

DATES: *Effective Date:* July 30, 2009.
