These claims, which have been referred to the Commission by the Department of State by letter dated January 15, 2009, are defined as:

Category A: This category of claims shall consist of claims by U.S. nationals who were held hostage or unlawfully detained in violation of international law, provided that (1) the claimant meets the standard for such claims adopted by the Commission; (2) the claim was set forth as a claim for injury other than emotional distress alone by the claimant named in the Pending Litigation; (3) the Pending Litigation against Libya has been dismissed before the claim is submitted to the Commission; and (4) the claimant did not receive an award pursuant to the referral of December 11, 2008.

Category B: This category shall consist of claims of U.S. nationals for mental pain and anguish who are living close relatives of a decedent whose death formed the basis of a death claim compensated by the Department of State provided that (1) The claim was set forth as a claim for emotional distress, solatium, or similar emotional injury by the claimant named in the Pending Litigation; (2) the claimant is not eligible for compensation from the associated wrongful death claim, and the claimant did not receive any compensation from the wrongful death claim;

(3) the claimant has not received any compensation under any other part of the Claims Settlement Agreement, and does not qualify for any other category of compensation in this referral; and (4) the Pending Litigation against Libya has been dismissed before the claim is submitted to the Commission.

Category C: This category shall consist of claims of U.S. nationals for compensation for wrongful death, in addition to amounts already recovered under the Claims Settlement Agreement, where there is a special circumstance in that the claimants obtained a prior U.S. court judgment in the Pending Litigation awarding damages for wrongful death, provided that (1) the Commission determines that the existence of a prior U.S. court judgment for wrongful death warrants compensation in addition to the amount already recovered under the Claims Settlement Agreement; and (2) the Pending Litigation against Libya has been dismissed before the claim is submitted to the Commission.

Category D: This category shall consist of claims of U.S. nationals for compensation for physical injury in addition to amounts already recovered under the Commission process initiated by the December 11, 2008 referral, provided that (1) The claimant has received an award pursuant to the December 11, 2008 referral; (2) the Commission determines that the severity of the injury is a special circumstance warranting additional compensation, or that additional compensation is warranted because the injury resulted in the victim's death; and (3) the Pending Litigation against Libya has been dismissed before the claim is submitted to the Commission.

Category E: This category shall consist of claims of U.S. nationals for wrongful death or physical injury resulting from one of the terrorist incidents ("Covered Incidents") listed below, incidents which formed the basis for Pending Litigation in which a named U.S. plaintiff alleged wrongful death or physical injury, provided that (1) the claimant was not a plaintiff in the Pending Litigation; and (2) the claim meets the standard for physical injury or wrongful death, as appropriate, adopted by the Commission.

Category F: This category shall consist of commercial claims of U.S. nationals provided that (1) the claim was set forth by the claimant named in the Pending Litigation; (2) the Commission determines that the claim would be compensable under the applicable legal principles; and (3) the Pending Litigation against Libya has been dismissed before the claim is submitted to the Commission.

BILLING CODE 4410-01-P

DEPARTMENT OF JUSTICE

National Institute of Corrections

Solicitation for a Cooperative Agreement—The Instructional Theory Into Practice (ITIP) Guidance Tools Project

AGENCY: National Institute of Corrections, Department of Justice.

ACTION: Solicitation for Cooperative Agreement.

SUMMARY: The National Institute of Corrections (NIC) is soliciting proposals from organizations, groups, or individuals to enter into a cooperative agreement for a nine month project period. Work under this agreement will result in a "tool kit" to aid those charged with assessing the quality of lesson plans to include performance objectives, content delivery strategies, training activities, and supplemental materials. The tool kit will be framed around the Instructional Theory Into Practice model. In addition to providing assessment guidance, the tool kit will provide a brief history of the model, a description of the relevant research, a glossary, and a list of relevant references and websites.

It is anticipated that the tool kit will be used by training staff from: (1) Federal, State, and local corrections agencies, (2) all agency levels, and (3) agencies of all sizes and levels of funding. Consequently, the tool kit must provide sufficient rational and background information where needed, be easily understood, and convenient to use. Since many NIC Corrections Program Specialists (CPS) are responsible for coordinating and, in some cases, developing and delivering training, the tool kit will be developed

and tested using input and feedback from NIC staff.

Ultimately the tool kit will allow users to develop lesson plans and review, assess, and provide feedback on lesson plans and training materials prepared by others. It must be easy to use by training coordinators.

DATES: Applications must be received by 4 p.m. EDT on July 24, 2009. Selection of the successful applicant and notification of review results to all applicants will be sent by August 31, 2009.

ADDRESSES: Mailed applications must be sent to Director, National Institute of Corrections, 320 First Street, NW., Room 5007, Washington, DC 20534. Applicants are encouraged to use Federal Express, UPS, or similar service to ensure delivery by the due date.

Hand delivered applications should be brought to 500 First Street, NW., Washington, DC 20534. At the front desk, call (202) 307-3106, extension 0 for pickup. Faxed applications will not be accepted. The only electronic applications (preferred) that will be accepted can be submitted via <http://www.grants.gov>.

FOR FURTHER INFORMATION CONTACT:

A copy of this announcement can be downloaded from the NIC Web site at <http://www.nicic.gov>.

All technical or programmatic questions concerning this announcement should be directed to Dee Halley, Correctional Program Specialist, Research and Evaluation Division, National Institute of Corrections. She can be reached by calling 1-800-995-6423 extension 4-0374 or by e-mail at dhalley@bop.gov.

This project consists of six goals. The recipient of the award under this cooperative agreement will: (1) Develop a detailed work plan including major milestones, a description of NIC's role in the project, NIC review and approval points, and a project schedule. **Note:** the project schedule will be shown by quarters and reflect the number of months from the award date, as opposed to actual dates. (2) Develop a strategy to evaluate the utility and efficacy of the tool kit. This strategy should be practical and suggest short-term outcomes aimed at determining the quality of the lesson plans developed or reviewed using the tool kit. (3) Obtain input from NIC staff regarding, but not limited to, problems experienced in assessing lesson plans and training materials, providing guidance to developers on how lesson plans and materials can be improved, and how the tool kit can be structured in a way that increases the likelihood it will be used.

(4) Provide a plan for the development of a tool kit to include the format and structure, major components with a brief content description and any appendices, forms, or additional information. (5) Develop and test the first draft of the tool kit. Included under this goal is the collection and assessment of feedback information, and development of recommended changes for NIC approval. (6) Revise the tool kit as indicated and deliver a camera ready copy of the product. For all awards in which a document will be a deliverable, the awardee must follow the Guidelines for Preparing and Submitting Manuscripts for Publication as found in the "General Guidelines for Cooperative Agreements" which will be included in the award package.

Required Expertise: Applicants should be able to demonstrate the capacity to accomplish all six project goals and have experience with curriculum and lesson plan development, training delivery, the ITIP model, learning styles, adult learning theory, and development of informational products and tools.

Application Requirements: The application should be concisely written, typed double-spaced and reference the NIC Opportunity Number and Title provided in this announcement. The program narrative text is to be limited to 25 double-spaced pages, exclusive of resumes and summaries of experience (do not submit full curriculum vitae). In addition to the program narrative, an application package must include OMB Standard Form 425, Application for Federal Assistance; a cover letter that identifies the audit agency responsible for the applicant's financial accounts as well as the audit period or fiscal year that the applicant operates under (*e.g.*, July 1 through June 30); and an outline of projected costs. The following additional forms must also be included: OMB Standard Form 424A, Budget Information—Non-Construction Programs; OMB Standard Form 424B, Assurances—Non-Construction Programs (all OMB Standard Forms are available at <http://www.grants.gov>); DOJ/FBOP/NIC Certification Regarding Lobbying, Debarment, Suspension and Other Responsibility Matters; and the Drug-Free Workplace Requirements (available at <http://www.nicic.org/Downloads/PDF/certif-frm.pdf>).

Authority: Public Law 93-415.

Funds Available: NIC is seeking the applicants' best ideas regarding accomplishment of the scope of work and the related costs for achieving the goals of this solicitation. The final budget and award amount will be
