Background

AmeriCorps grants are generally awarded to eligible organizations to recruit, train, and manage AmeriCorps members who address unmet community needs. AmeriCorps members are individuals who engage in community service. Members may

receive a living allowance during their term of service. Upon successful completion of their service members receive an education award from the National Service Trust.

Roughly three quarters of all AmeriCorps grant funding goes to Governor-appointed State service commissions which award subgrants to nonprofit organizations in their states. The State Administrative Funds, Program Development Assistance and Training, and Disability Placement Application Instructions are used by commissions to complete their application for these funds in eGrants, the Corporation's Web-based grants management system.

Current Action

The Corporation seeks to revise the current application instructions. The application instructions are being revised to conform with provisions of the Serve America Act. The application will be used in the same manner as the existing application. The Corporation also seeks to continue using the current application instructions until the revised application instructions are approved by OMB. The current application instructions are due to expire on May 31, 2010.
