SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–60208; File No. SR–ISE–2009–39]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to PrecISE Fees

July 1, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on June 24, 2009, the International Securities

Exchange, LLC (the “Exchange” or the “ISE”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to amend the fees for its PrecISE Trade® order entry terminals. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(1) *Purpose*—The purpose of this proposed rule change is to amend the ISE's fee schedule for its proprietary PrecISE Trade® order entry terminals. “PrecISE” is the Exchange's internally-developed proprietary order-routing terminal used by Electronic Access Members (“EAM”) to send order flow to ISE. ISE currently charges a monthly fee of \$300 per user per month for the first 10 users; for all subsequent users, ISE charges \$50 per user per month.³ ISE recently upgraded PrecISE, enhancing it with certain new functionalities that, among other things, provide users with “Greek” calculations and the use of Attributable Orders.⁴ Certain other user-

³ See Securities Exchange Act Release No. 55960 (June 26, 2007), 72 FR 36531 (July 3, 2007) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to PrecISE Fees).

⁴ Attributable Order is a market or limit order in which an EAM can choose to disclose their member ID. See Securities Exchange Act Release No. 58701

requested enhancements have also been built into the new version. In order for ISE to cover the costs of building out the enhanced version, we propose to increase the fee for the first 10 users to \$350 per month and for all subsequent users, \$100 per month.

ISE also proposes to change the method for calculating this fee. Currently, EAMs are billed based on the number of maximum concurrent logins. For example, if an EAM uses five logins over the course of a month but only three logins were used simultaneously at any point during the month, that member is charged for just those three logins. The Exchange now proposes to charge EAMs for the total number of logins used during the month. Using the same example, EAMs will now be charged for all five logins that they used over the course of the month. This proposed fee change will be operative on July 1, 2009.

(2) *Basis*—The basis under the Securities Exchange Act of 1934 (the “Exchange Act”) [sic] for this proposed rule change is the requirement under Section 6(b)(4) that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. In particular, these fees will enable the Exchange to cover its costs for providing an enhanced version of its front-end trading system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3) [sic] of the Act⁵ and Rule 19b–4(f)(2)⁶ thereunder. At any time within 60 days of the filing of such proposed rule

(October 1, 2008), 73 FR 59007 (October 8, 2008) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to a New Order Type) (SR–ISE–2008–74).

change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

FOR FURTHER INFORMATION CONTACT: Tameka Cooper, GSP Program, Office of the United States Trade Representative, 1724 F Street, NW., Room F-601, Washington, DC 20508. The telephone number is (202) 395-6971, the fax number is (202) 395-2961, and the e-mail address is Tameka_Cooper@ustr.eop.gov.

SUPPLEMENTARY INFORMATION: The GSP program provides for the duty-free importation of designated articles when imported from beneficiary developing countries. The GSP program is authorized by Title V of the Trade Act of 1974 (19 U.S.C. 2461 *et seq.*), as amended (the "Trade Act"), and is implemented in accordance with Executive Order 11888 of November 24, 1975, as modified by subsequent Executive Orders and Presidential Proclamations.

In the 2008 Annual Product Review, the Trade Policy Staff Committee reviewed petitions to change product coverage of the GSP. The results of the 2008 GSP Annual Review, comprising nine lists, are available for public

viewing at <http://www.regulations.gov> in docket USTR-2008-0045. The listed results of the 2008 GSP Annual Review are also available at: <http://www.ustr.gov/trade-topics/trade-development/preference-programs/generalized-system-preference-gsp/current-reviews>.

The disposition of the petitions considered in the 2008 GSP Annual Review is described in: List I (Decisions on Petitions to Add Products to the List of Eligible Products for the Generalized System of Preferences); List II (Decisions on Petitions to Remove Duty-Free Status from a Beneficiary Developing Country for a Product on the List of Eligible Articles for the Generalized System of Preferences); and List III (Decisions on Petitions to Grant a Waiver to the Competitive Need Limitations).

Certain articles for which a waiver of the application of Section 503(c)(2)(A) of the 1974 Act was issued at least five years ago, but which are revoked pursuant to Section 503(d)(5) are listed in List IV (Decisions on Competitive Need Limit Waiver Revocations).

In the 2008 Product Review, the Trade Policy Staff Committee evaluated the 2008 value of U.S. imports of each GSP-eligible article to determine whether an article from a GSP beneficiary developing country exceeded the GSP CNLs. *De minimis* waivers were granted to certain articles that exceeded the 50-percent import-share CNL, but for which the aggregate value of all U.S. imports of that article was below the 2008 *de minimis* level of \$19 million. List VI (Decisions on Products Eligible for *De Minimis* Waivers) provides the list of the articles and the associated countries granted *de minimis* waivers. No eligible products were redesignated to GSP eligibility. List VII (Decisions on Products Eligible for GSP Redesignation) provides the list of the articles and the associated countries reviewed for redesignation.

Articles that exceeded one of the GSP CNLs in 2008, and that are newly excluded from GSP eligibility when imported from a specific beneficiary country, are listed in List VIII (Products Newly Subject to CNL Exclusion).
