Proposed Project Survey of Evidence-Based Practices in State Medicaid Plans: Coverage Structures, Access and Challenges—NEW

The Substance Abuse and Mental Health Services Administration (SAMHSA) is conducting a survey to gather information about current and planned State Medicaid activities and policies related to six mental health/substance abuse evidence-based practices (EBPs). This survey is part of a five-year project to increase attention to and understanding of Medicaid mental health and substance abuse service issues among State Medicaid and Mental Health/Substance Abuse Directors, as well as improve the effectiveness of State Medicaid mental health services.

The purpose of the survey is to determine the overall management and delivery of mental health and substance abuse services within Medicaid and the use of six specific evidence-based practices. The information provided through the survey will be vital to increasing awareness and understanding of Medicaid mental health/substance abuse evidence-based practice activities. This information will also be used to develop numerous products to help State Medicaid and Mental Health/Substance Abuse Directors adopt, deliver, and refine existing policies about mental health and substance abuse EBPs.

A survey will be sent to the director of each State Medicaid office in the 50 States and the District of Columbia, with responses expected over a four-week period. The survey contains a total of 116 questions on the overall management and delivery of mental health and substance abuse services within Medicaid and on the implementation of six EBPs within the State Medicaid program. However, respondents will complete part or all of the survey, depending on how many of the six EBPs are being implemented in their State. The survey will be sent electronically to State Medicaid Directors, and they may respond by e-mail or facsimile. To reduce burden, prior to administering the survey several survey questions will be pre-completed based on existing information, as available.

Below is the table of the estimated total burden hours:

Respondent	Number of respondents	Number of responses per respondent	Average burden hour	Total burden hours
State Medicaid Directors	51	1	1	51

Send comments to Summer King, SAMHSA Reports Clearance Officer, Room 7-1044, One Choke Cherry Road, Rockville, MD 20857 and e-mail her a copy at summer.king@samhsa.hhs.gov. Written comments should be received within 60 days of this notice.

Agency Recordkeeping/Reporting Requirements Under Emergency Review by the Office of Management and Budget (OMB)

Title: Child Care and Development Fund (CCDF) Financial Report, Form ACF-696 (States and Territories).

OMB No.: 0970-0163.

Description: States and Territories use the Financial Report Form ACF-696 for reporting Child Care and Development Fund (CCDF) expenditures. Authority to collect and report this information is

found in Section 658G of the Child Care and Development Block Grant Act of 1990, as revised. In addition to the Program Reporting Requirements set forth in 45 CFR Part 98, Subpart H, the regulations at 45 CFR 98.65(g) and 98.67(c)(1) authorize the Secretary to require financial reports as necessary.

The form provides specific data regarding claims and provides a mechanism for States to request Child Care grant awards and to certify the availability of State matching funds. Failure to collect this data would seriously compromise ACF's ability to monitor Child Care and Development Fund expenditures. This information is also used to estimate outlays and may
