SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-60392; File No. SR-Phlx-2009-57]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NASDAQ OMX PHLX, Inc. Relating to a Pilot Program for U.S. Dollar-Settled Foreign Currency Options

July 28, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 8, 2009, NASDAQ OMX PHLX, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to initiate a Pilot Program, for a period beginning July 13, 2009 and ending December 31, 2009, applicable to specialists and Registered Options Traders ("ROT's")³ trading certain U.S. dollar-settled foreign currency options ("FCOs"), specifically the Mexican peso, Swedish krona, South African rand or the New Zealand dollar ("Pilot FCOs").⁴ The Pilot Program would allow the Exchange to waive the applicable specialist and ROT option transaction fees for specialists and ROTs trading Pilot FCOs.⁵ Furthermore, the Exchange Pilot Program would allow the Exchange to pay a \$1,700 monthly stipend ("Monthly Stipend") per currency to each member organization acting as a specialist.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ A ROT is a regular member or a foreign currency options participant of the Exchange located on the trading floor who has received permission from the Exchange to trade in options for his own account. The term "ROT" shall include a Streaming Quote Trader, and a Remote Streaming Quote Trader. See Exchange Rule 1014.

⁴ The Exchange recently filed to list and trade options in these Pilot FCOs. See Securities Exchange Release No. 61069 (June 24, 2009), 74 FR 31782 (July 2, 2009) (SR-Phlx-2009-40) (modifying the pricing methodology for FCOs). The Pilot FCOs are listed and traded electronically over the Exchange's options trading platform.

⁵ FCOs are currently traded on the Exchange under the name PHLX World Currency Options® ("WCOs").

While changes to the Exchange's fee schedule pursuant to this proposal are effective upon filing, the Exchange has designated this proposal to be effective on July 13, 2009 through December 31, 2009.

The text of the proposed rule change is available on the Exchange's Web site at <http://www.nasdaqtrader.com/micro.aspx?id=PHLXRulefilings>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to create an additional financial incentive for specialists and ROTs to make markets in the Pilot FCOs. By paying specialists a Monthly Stipend on the Pilot FCOs of \$1,700 per currency, the Exchange hopes to defray the operational costs of the specialists. Specifically, the Exchange seeks to defray the specialists' costs associated with their obligations to continuously quote and support the Pilot FCOs.⁶ The Monthly Stipend will be paid on a per currency basis. For example, a member organization acting as a specialist in two of the Pilot FCOs will receive \$3,400 per month.

In addition, the Exchange proposes to waive the options transaction charges assessed on specialists and ROTs in the Pilot FCOs in order to further encourage the trading of the Pilot FCOs. Currently, specialists pay a transaction fee of \$.24

per contract as do ROTs.⁷ The Exchange believes the revenue generated from customer transaction charges and increased order flow would offset the foregone transaction fees of \$.24 per contract that is currently assessed on specialists and ROTs, thereby allowing the Exchange to recoup those fees while increasing order flow and generating increased revenues.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act⁸ in general, and furthers the objectives of Section 6(b)(4) of the Act⁹ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The Exchange believes that the Pilot Program will generate additional order flow to the Exchange by creating incentives to trade FCOs as well as defray operational costs for specialists.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁰ and paragraph (f)(2) of Rule 19b-4¹¹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule

change is consistent with the Act. Comments may be submitted by any of the following methods:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
