

and the scope and content of the environmental information germane to the agency's statutory responsibilities relevant to the proposed project. Public agencies are requested to advise FRA if they anticipate taking a major action in connection with the proposed project and if they wish to cooperate in the preparation of the Project EIR/EIS. Public scoping meetings have been scheduled and are an important component of the scoping process for both the State and Federal environmental review. The scoping meetings described in this Notice will also be the subject of additional public notification.

FRA is seeking participation and input of all interested federal, state, and local agencies, Native American groups, and other concerned private organizations or individuals on the scope of the EIR/EIS. Implementation of the Palmdale to Bakersfield section of the HST system is a federal undertaking with the potential to affect historic properties. As such, it is subject to the requirements of Section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. 470f). In accordance with regulations issued by the Advisory Council on Historic Preservation, 36 CFR part 800, FRA intends to coordinate compliance with Section 106 of this Act with the preparation of the EIR/EIS, beginning with the identification of consulting parties through the scoping process, in a manner consistent with the standards set out in 36 CFR 800.8.

Issued in Washington, DC, on August 28, 2009.

Kelly Leone, Office of Research, Development and Technology, RDT-10, Research and Innovative Technology Administration, Telephone Number (202) 366-5459, Fax Number (202) 366-3671 or e-mail—Kelly.Leone@dot.gov.

SUPPLEMENTARY INFORMATION:

Background

The Summit will bring together senior transportation officials, elected officials, safety advocates, law enforcement representatives, private sector representatives and academics to address a range of issues related to reducing accidents through enforcement, public awareness and education. Authoritative speakers from around the nation will lead interactive panel discussions on a number of key topics including the extent and impact of distracted driving, current research, regulations and best practices.

Participants will also examine distractions caused by current and planned automotive devices, such as navigational systems. The summit's second day will include a panel of state and local officials to discuss possible solutions from the state and local perspectives.

The U.S. Department of Transportation is committed to providing equal access to this Summit. Based on limited seating and to accommodate the strong interest outside the Washington area, the Summit will be available live by webcast and members of the public will be given the opportunity to submit questions or comments online for each individual panel discussion. The Department has also created a Web site to provide information and updates on the Summit as details become available: http://www.rita.dot.gov/distracted_driving_summit/. If you need alternative formats or services because of a disability, please contact Kelly Leone with your specific request by September 23, 2009.

Issued in Washington, DC, on August 31, 2009.

Announcing the Eighteenth Public Meeting of the Crash Injury Research and Engineering Network (CIREN)

AGENCY: National Highway Traffic Safety Administration (NHTSA), DOT.

ACTION: Meeting Announcement.

SUMMARY: This notice announces the Eighteenth Public Meeting of members of the Crash Injury Research and Engineering Network. CIREN is a collaborative effort to conduct research on crashes and injuries at eight Level 1 Trauma Centers across the United States linked by a computer network. Researchers can review data and share expertise, which may lead to a better understanding of crash injury mechanisms and the design of safer vehicles. The eight centers will give presentations on current research based on CIREN data. The agenda will be posted to the CIREN Web site that can be accessed by going to the NHTSA homepage <http://www.nhtsa.dot.gov/>, click on Vehicle Safety Research on the right side of the top toolbar, then click on Crash Injury Research and Engineering Network (CIREN) in the box on the left. The agenda will be posted two weeks prior to the meeting.

Date and Time: The meeting is scheduled from 8:30 a.m. to 5 p.m. on Thursday, October 8, 2009.

ADDRESSES: The meeting will be held at: University of Maryland/National Study Center, 110 South Paca Street, Learning Center, Baltimore, MD 21201.

To Register for This Event: It is not necessary to pre-register, but attendees are strongly encouraged to do so to expedite the security process for entry to the meeting facility. Please send your name, affiliation, phone number and e-mail address to cburch@som.umaryland.edu (or call 410-328-2683) by Wednesday, September 30, 2009, in order to have your name added to the pre-registration list. Everyone must have a government-issued photo identification to be admitted to the facility.

For General Information: Rodney Rudd (202) 366-5932, Mark Scarboro (202) 366-5078 or Cathy McCullough (202) 366-4734.
