Type of Review: Extension of a currently approved collection.

Abstract: VA maintains supervision of the distribution and use of VA benefits paid to fiduciaries on behalf of VA claimants who are incompetent, a minor, or under legal disability. The forms are used to verify beneficiaries' deposit remaining at a financial institution against a fiduciary's accounting. The following forms will be used to ensure claimants' benefits payments are administered properly.

a. VA Forms 21-4706, 4706b and 4706c are used by estate to determine proper usage of benefits paid to fiduciaries. The 21-4706 and 21-4706b are both necessary to conform to requirement of various state courts.

b. VA Form 21-4718 is provided to VA fiduciaries to submit accountings to either State courts or the VA. It is not a reporting form per se but a vehicle to assist the fiduciary in accurately maintaining records of monies received and spent.

c. VA Form 21-4718a—Fiduciaries are required to obtain certifications that the balances remaining on deposit in financial institutions as shown on accountings are correct. Certifying official at a financial institution completing the form must affix the institution's official seal or stamp. The data collected is used to appoint an appropriate fiduciary for a VA beneficiary and to prevent fiduciaries from supplying false certification, embezzling funds, and possibly prevent and/or identify fraud, waste and abuse of government funds paid to fiduciaries on behalf of VA beneficiaries.
