### **I. Introduction**

The Postal Service proposes a change in rates not of general applicability for Inbound International Expedited Services 2. For the reasons discussed below, the Commission approves the Postal Service's proposal.

### **II. Background**

On July 28, 2009, the Postal Service filed a notice announcing changes in rates not of general applicability for Inbound International Expedited Services 2 effective January 1, 2010.<sup>1</sup>

<sup>1</sup> Notice of the United States Postal Service of Filing Changes in Rates Not of General Applicability, July 28, 2009 (Notice).

The Postal Service attached a redacted copy of the 2010 rates and a certified statement establishing compliance with 39 U.S.C. 3633 and 39 CFR 3015.5(c)(2) to the Notice as Attachments 1 and 2, respectively. *Id.* at 2. The Postal Service also submitted as Attachment 3 a listing of countries in each pricing tier and incorporated by reference the description of Inbound International Expedited Services 2 contained in its supporting documentation filed in Docket Nos. MC2009-10 and CP2009-12. The Postal Service submitted the rates, related financial information, and certified statement required by 39 CFR 3015.5(c)(2) under seal.

The Notice states that in Docket No. MC2009-10, the Governors established prices and classifications not of general applicability for Inbound Express Mail International (EMS). W. Ashley Lyons, Manager, Regulatory Reporting and Cost Analysis, Finance Department certifies that the prices are in compliance with the price floor and ceiling formulas set forth in Governors' Decision No. 08-20 and 39 U.S.C. 3633(a). *See id.*, Attachment 2. In Order No. 162, the Commission added Inbound International Expedited Services 2 to the Competitive Product List as a new product under Express Mail, Inbound International Expedited Services.<sup>2</sup> The rates took effect on January 1, 2009.

In accordance with the provisions of the EMS Cooperative of the Universal Postal Union (UPU), rates for the delivery of inbound Express Mail International must be communicated to the UPU by August 31 of the year before which they are to take effect. As a member of the EMS Cooperative, the Postal Service may not change its rates for the coming year after August 31. In Order No. 162, the Commission raised concerns with filing these rates with the Commission after August 31, even though they do not take effect until January 1 of the following year. The Commission indicated that if a product is found to violate the Postal Accountability and Enhancement Act (PAEA), *e.g.*, does not satisfy section 3633(a)(2), the Postal Service may be without a suitable remedy until the rate change is permitted for the following year. *Id.* at 9. The Commission, therefore, appreciates the Postal Service's filing the 2010 rates well in advance of the August 31, 2009 UPU deadline.

In its Notice, the Postal Service indicates that the rates to take effect in
