

designate if consistent with the protection of investors and the public interest, provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change or such shorter time as designated by the Commission,¹⁵ the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁶ and Rule 19b-4(f)(6) thereunder.¹⁷

Under Rule 19b-4(f)(6) of the Act,¹⁸ a proposal does not become operative for 30 days after the date of its filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange has requested that the Commission waive the 30-day operative date. The Exchange notes that the proposed rule change is based on the rules of another self-regulatory organization and raises no new policy issues.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, and thus designates the proposal as operative upon filing.¹⁹ The Commission notes that the Exchange's proposal is based on a similar proposed rule change adopted by the Chicago Board Options Exchange.²⁰ That proposal was subject to full notice and comment and no comments were received. Based on this, the Commission believes that it is appropriate to designate the proposal operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing,

including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

BILLING CODE 4191–02–P

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Request for Public Comments on Annual Review of Country Eligibility for Benefits Under the African Growth and Opportunity Act

AGENCY: Office of the United States Trade Representative.

ACTION: Notice and Request for Comments.

SUMMARY: The African Growth and Opportunity Act Implementation Subcommittee of the Trade Policy Staff Committee (the “Subcommittee”) is requesting written public comments for the annual review of the eligibility of sub-Saharan African countries to receive the benefits of the African Growth and Opportunity Act (AGOA). The Subcommittee will consider these comments in developing recommendations on AGOA country eligibility for the President. Comments received related to the child labor criteria may also be considered by the Secretary of Labor for the preparation of the Department of Labor’s report on child labor as required under section 412(c) of the Trade and Development Act of 2000. This notice identifies the eligibility criteria that must be considered under the AGOA, and lists those sub-Saharan African countries that are currently eligible for the benefits of the AGOA, and those that are currently ineligible for such benefits.

DATES: Public comments are due at the Office of the U.S. Trade Representative (USTR) by noon, Monday, October 19, 2009.

ADDRESSES: USTR strongly prefers electronic submissions made at <http://www.regulations.gov>, docket number USTR–2009–0034. See “Requirements for Submission,” below. If you are unable to make a submission at www.regulations.gov, please contact Gloria Blue, Executive Secretary, Trade

Policy Staff Committee, at (202) 395–6143 to make other arrangements.

FOR FURTHER INFORMATION CONTACT: For procedural questions, please contact Gloria Blue, Office of the U.S. Trade Representative, 600 17th Street, NW., Room F516, Washington, DC, 20508, at (202) 395–3475. All other questions should be directed to Constance Hamilton, Deputy Assistant U.S. Trade Representative for Africa, Office of the U.S. Trade Representative, at (202) 395–9514.

SUPPLEMENTARY INFORMATION: The AGOA (Title I of the Trade and Development Act of 2000, Public Law 106–200) (19 U.S.C. 3721 *et seq.*), as amended, authorizes the President to designate sub-Saharan African countries as beneficiary sub-Saharan African countries eligible for duty-free treatment for certain additional products under the Generalized System of Preferences (GSP) (Title V of the Trade Act of 1974 (19 U.S.C. 2461 *et seq.*) (the “1974 Act”)), as well as for the preferential treatment the AGOA provides for certain textile and apparel articles.

The President may designate a country as a beneficiary sub-Saharan African country eligible for both the additional GSP benefits and the textile and apparel benefits of the AGOA for countries meeting certain statutory requirements intended to prevent unlawful transshipment of such articles, if he determines that the country meets the eligibility criteria set forth in: (1) Section 104 of the AGOA; and (2) section 502 of the 1974 Act. For 2009, 40 countries have been designated as beneficiary sub-Saharan African countries. These countries, as well as the 8 countries currently ineligible, are listed below. Section 506A of the 1974 Act provides that the President shall monitor and review annually the progress of each sub-Saharan African country in meeting the foregoing eligibility criteria in order to determine whether each beneficiary sub-Saharan African country should continue to be eligible, and whether each sub-Saharan African country that is currently not a beneficiary sub-Saharan African country, should be designated as such a country. Section 506A of the 1974 Act requires that, if the President determines that a beneficiary sub-Saharan African country is not making continual progress in meeting the eligibility requirements, he must terminate the designation of the country as a beneficiary sub-Saharan African country.

The Subcommittee is seeking public comments in connection with the annual review of the eligibility of

beneficiary sub-Saharan African countries for the AGOA’s benefits. The Subcommittee will consider any such comments in developing recommendations on country eligibility for the President. Comments related to the child labor criteria may also be considered by the Secretary of Labor in making the findings required under section 504 of the 1974 Act.
