

such as the City, to begin a new pilot study with an alternate membrane, revise plans and specifications, and apply for a new construction permit from the NJDEP. The City has stated that if the City were subject to the Buy American provision, the project would be delayed for at least one year. The imposition of ARRA Buy American requirements on such projects otherwise eligible for State Revolving Fund assistance would result in unreasonable delay and thus displace the "shovel ready" status for this project. To further delay construction is in direct conflict with the fundamental purpose of the ARRA, which is to preserve and create jobs and promote economic recovery.

The State Revolving Fund Program Team has reviewed this waiver request and has determined that the supporting documentation provided by the City is sufficient to meet the criteria listed under Section 1605(b), OMB's regulation at 2 CFR 176.100, and in the EPA Headquarters April 28, 2009, Memorandum, "Implementation of Buy American provisions of Public Law 111-5, the 'American Recovery and Reinvestment Act of 2009'." Iron, steel, and the manufactured goods are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality.

The basis for this project waiver is the authorization provided in Section 1605(b)(2). Due to the lack of production of this product in the United States in sufficient and reasonably available quantities and of a satisfactory quality in order to meet the City's technical specifications, a waiver from the Buy American requirement is justified.

The Administrator's March 31, 2009, delegation of authority memorandum provided Regional Administrators with the authority to issue exceptions to Section 1605 of ARRA within the geographic boundaries of their respective regions and with respect to requests by individual grant recipients. Having established both a proper basis to specify the particular good required for this project, and that this manufactured good was not available from a producer in the United States, the City of Salem is hereby granted a waiver from the Buy American requirements of Section 1605(a) of Public Law 111-5 for the purchase of a ZeeWeed® 500 ultra filtration membrane system using ARRA funds as specified in the City's request of June 5, 2009, as supplemented on June 16, 2009. This supplementary information constitutes the detailed written justification required by Section 1605(c) for waivers "based on a finding under subsection (b)."

Authority: Public Law 111-5, section 1605.

Dated: August 27, 2009.

Re: Notice of Debarment, File No. EB-08-IH-5313

Dear Mr. Wong: Pursuant to section 54.8 of the rules of the Federal Communications Commission (the "Commission"), by this Notice of Debarment you are debarred from the schools and libraries universal service support mechanism (or "E-Rate program") for a period of three years.¹

On February 26, 2009, the Enforcement Bureau (the "Bureau") sent you a Notice of Suspension and Initiation of Debarment Proceedings (the "Notice of Suspension").² That Notice of Suspension was published in the **Federal Register** on March 19, 2009.³ The Notice of Suspension suspended you from the schools and libraries universal service support mechanism and described the basis for initiation of debarment proceedings against you, the applicable debarment procedures, and the effect of debarment.⁴

Pursuant to the Commission's rules, any opposition to your suspension or its scope or to your proposed debarment or its scope had to be filed with the Commission no later than thirty (30) calendar days from the earlier date of your receipt of the Notice of Suspension or publication of the Notice of Suspension in

¹ See 47 CFR 0.111(a), 54.8.

DeNigro, Chief, Investigations and Hearings Division, Enforcement Bureau, Federal Communications Commission, to Mr. Frankie Logyang Wong, Notice of Suspension and Initiation of Debarment Proceedings, 24 FCC Rcd 2456 (Inv. & Hearings Div., Enf. Bur. 2009) (Attachment 1) ("Notice of Suspension"). In the Notice of Suspension, the Bureau referred to your frauds as being associated with E-Rate Funding Year 2002. See *Notice of Suspension* at 2456. The proper funding year associated with your fraud is E-Rate Program 6 and should be noted as Funding Year 2003. See *United States v. Ruben B. the **Federal Register**.⁵ The Commission did not receive any such opposition.

As discussed in the Notice of Suspension, the United States District Court in Texas sentenced you to serve ten years in prison following your conviction of Federal crimes, including conspiracy to commit bribery, conspiracy to launder monetary instruments, and multiple counts of bribery concerning programs receiving Federal funds, in connection with your participation in the E-Rate program.⁶ Evidence at trial demonstrated that, as the co-owner and president of Micro Systems Engineering, Inc., you participated in a bribery and money laundering scheme involving technology projects for the Dallas Independent School District, including a contract that involved E-Rate funds.⁷ Such conduct constitutes the basis for your debarment, and your conviction falls within the categories of causes for debarment under section 54.8(c) of the Commission's rules.⁸ For the foregoing reasons, you are hereby debarred for a period of three years from the debarment date, *i.e.*, the earlier date of your receipt of this Notice of Debarment or its publication date in the **Federal Register**.⁹ Debarment excludes you, for the debarment period, from activities "associated with or related to the schools and libraries support mechanism," including "the receipt of funds or discounted services through the schools and libraries support mechanism, or consulting with, assisting, or advising applicants or service providers regarding the schools and libraries support mechanism."¹⁰

**Re: Notice of Suspension and Initiation of
Debarment Proceedings, File No. EB-08-IH-
5313**

Dear Mr. Wong: The Federal Communications Commission ("FCC" or "Commission") has received notice of your conviction of Federal crimes, including conspiracy to commit bribery, conspiracy to

launder monetary instruments, and multiple counts of bribery concerning programs receiving Federal funds, in connection with your participation in the schools and libraries universal service support mechanism ("E-Rate program").¹¹ Consequently, pursuant to 47 C.F.R. § 54.8, this letter constitutes official notice of your suspension from the E-Rate program. In addition, the Enforcement Bureau ("Bureau") hereby notifies you that we are commencing debarment proceedings against you.¹²

I. Notice of Suspension

The Commission has established procedures to prevent persons who have "defrauded the government or engaged in similar acts through activities associated with or related to the schools and libraries support mechanism" from receiving the benefits associated with that program.¹³ On November 13, 2008, the United States District Court in Texas sentenced you to serve ten years in prison following your conviction of Federal crimes, including conspiracy to commit bribery, conspiracy to launder monetary instruments, and multiple counts of bribery concerning programs receiving Federal funds, in connection with your participation in the E-Rate program.¹⁴ In addition, you and a co-conspirator were

¹¹ See 18 U.S.C. §§ 371 (conspiracy to bribery involving Federal programs), 666(a) (bribery concerning programs receiving Federal funds and aiding and abetting), and 1956(h) (conspiracy to launder monetary instruments). Any further reference in this letter to "your conviction" refers to your ten count conviction. *United States v. Frankie Logyang Wong*, Criminal Docket No. 3:07-CR-00167-L-2, Judgment (N.D. ¹² 47 CFR 54.8; 47 CFR 0.111 (delegating to the Enforcement Bureau authority to resolve universal service suspension and debarment proceedings). The Commission adopted debarment rules for the schools and libraries universal service support mechanism in 2003. See *Schools and Libraries Universal Service Support Mechanism*, Second Report and Order and Further Notice of Proposed Rulemaking, 18 FCC Rcd 9202 (2003) ("Second Report and Order") (adopting section 54.521 to suspend and debar parties from the E-rate program). In 2007, the Commission extended the debarment rules to apply to all of the Federal universal service support mechanisms. *Comprehensive Review of the Universal Service Fund Management, Administration, and Oversight; Federal-State Joint Board on Universal Service; Schools and Libraries Universal Service Support Mechanism; Lifeline and Link Up; Changes to the Board of Directors for the National Exchange Carrier Association, Inc.*, Report and Order, 22 FCC Rcd 16372, 16410-12 (2007) (*Program Management Order*) (renumbering section 54.521 of the universal service debarment rules as section 54.8 and amending subsections (a)(1), (5), (c), (d), (e)(2)(i), (3), (e)(4), and (g)).

ordered to forfeit approximately \$1 million as a result of your conviction.¹⁵

As the co-owner and president of Micro Systems Engineering, Inc., ("MSE"), you participated in a bribery and money laundering scheme involving technology projects for the Dallas Independent School District ("DISD"), including a contract that involved E-Rate funds for Funding Year 2002 ("E-Rate FY 2002 Contract").¹⁶ Beginning in November 2002, MSE and other companies formed a consortium ("Consortium") for the purpose of submitting a bid proposal relating to E-Rate services for the DISD. While your co-defendant Ruben B. Bohuchot ("Mr. Bohuchot") was Chief Technology Officer of the Dallas Independent School District,¹⁷ the Consortium submitted a bid proposal for E-Rate services after Mr. Bohuchot adjusted the requirements of DISD's request for proposals to benefit you and your companies. Ultimately, the Consortium's bid was approved by DISD.¹⁸ During the same time period, you and MSE provided things of value to Mr. Bohuchot, including extensive access to and control of large sports-fishing vessels, payment for numerous vacations and various entertainment services and cash.¹⁹ A Federal jury ultimately determined that you and Mr. Bohuchot engaged in a conspiracy to commit bribery and money laundering. As a result of your criminal activity, MSE received at least \$35 million in aggregate revenue from DISD and the Universal Service Administrative Company as a result of its participation in the DISD E-Rate FY 2002 Contract.²⁰

requires the Bureau to suspend you from participating in any activities associated with or related to the schools and libraries fund mechanism, including the receipt of funds or discounted services through the schools and libraries fund mechanism, or consulting with, assisting, or advising applicants or service providers regarding the schools and libraries support mechanism.²² Your suspension becomes effective upon the earlier of your receipt of this letter or publication of notice in the **Federal Register**.²³

Suspension is immediate pending the Bureau's final debarment determination. In accordance with the Commission's debarment rules, you may contest this suspension or the scope of this suspension by filing arguments in opposition to the suspension, with any relevant documentation. Your request must be received within 30 days after you receive this letter or after notice is published in the **Federal Register**, whichever comes first.²⁴ Such requests, however, will not ordinarily be granted.²⁵ The Bureau may reverse or limit the scope of suspension only upon a finding of extraordinary circumstances.²⁶ Absent extraordinary circumstances, the Bureau will decide any request for reversal or modification of suspension within 90 days of its receipt of such request.²⁷

II. Initiation of Debarment Proceedings

Your conviction of criminal conduct in connection with the E-Rate program, in addition to serving as a basis for immediate suspension from the program, also serves as a basis for the initiation of debarment proceedings against you. Your conviction falls within the categories of causes for debarment defined in section 54.8(c) of the Commission's rules.²⁸ Therefore, pursuant to section 54.8(a)(4) of the Commission's rules, your conviction requires the Bureau to commence debarment proceedings against you.

As with your suspension, you may contest debarment or the scope of the proposed debarment by filing arguments and any relevant documentation within 30 calendar

days of the earlier of the receipt of this letter or of publication in the **Federal Register**.²⁹ Absent extraordinary circumstances, the Bureau will debar you.³⁰ Within 90 days of receipt of any opposition to your suspension and proposed debarment, the Bureau, in the absence of extraordinary circumstances, will provide you with notice of its decision to debar.³¹ If the Bureau decides to debar you, its decision will become effective upon the earlier of your receipt of a debarment notice or publication of the decision in the **Federal Register**.³²

If and when your debarment becomes effective, you will be prohibited from participating in activities associated with or related to the schools and libraries support mechanism for at least three years from the date of debarment.³³ The Bureau may, if necessary to protect the public interest, extend the debarment period.³⁴
