

DISCLOSURE TO CONSUMER REPORTING AGENCIES:

Disclosure under 5 U.S.C. 552a(b)(12). DHS/FEMA may make disclosures from this system to "consumer reporting agencies" as defined in the Fair Credit Reporting Act 15 U.S.C. 1681a(f), as amended; or the Federal Claims Collection Act of 1966 31 U.S.C. 3701(a)(3), as amended.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:**STORAGE:**

Records in this system are stored in an interactive database, computer discs, and paper records in file folders.

RETRIEVABILITY:

Records may be retrieved by an individual's name, address, social security number, and case file number.

SAFEGUARDS:

Only authorized FEMA employees and contractors have access to this information. Hardware and software computer security measures are used to control access to the data. Access to the data is based upon an individual's position in FEMA and/or their designated duties. Individuals are assigned specific "rights" or specific access (*e.g.*, read only, modify, delete, *etc.*). The access granted is based upon an individual's position responsibilities for "official use" only. FEMA employees are allowed access to the data as a function of their specific job assignments within their respective organizations. Each FEMA employee's access to the data is restricted to that needed to carry out their duties.

No individual applying for disaster assistance will have access to the entire database via the Internet. Applicants will have limited access to only their own information that they submitted via the Internet, and to the status of their own information regarding the processing of their own application (*e.g.* the status of required documentation, inspection status, or SBA status).

Applicants are provided a Logon id, password, and Personal Identification Number (PIN) that connect only to the applicant's data. The password and PIN ensures that the login id belongs to the applicant. Computer security software ensures that the login id is mapped only to the applicant's data. Applicants will have access to only their own application information after FEMA assigns them a properly authenticated user id, password, and PIN. Applicants will be registered and authenticated in accordance with National Institute of

Standards and Technology Level 2 Assurance guidelines.

RETENTION AND DISPOSAL:

Records pertaining to individual assistance EXCEPT those relating to temporary housing and Individuals and Households Program programs will retire to inactive storage when two years old and destroyed when six years three months old in accordance with FEMA Records Schedule No. N1-311-86-1, item 4C10a. Records pertaining to temporary housing will be destroyed three years after close of the operation in accordance with FRS No. N1-311-86-1, item 4C10b. Closeout occurs when the disaster contract is terminated. Records pertaining to the IHP program will retire to the Federal Records Center (FRC) one year after closeout and destroyed three years after closeout.

SYSTEM MANAGER AND ADDRESS:

Division Director, Individual Assistance Division, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472.

NOTIFICATION PROCEDURE:

Individuals seeking notification of and access to any record contained in this system of records, or seeking to contest its content, may submit a request in writing to the Headquarters or component's FOIA Officer, whose contact information can be found at <http://www.dhs.gov/foia> under "contacts." When seeking records about yourself from this system of records or any other Departmental system of records your request must conform with the Privacy Act regulations set forth in 6 CFR part 5. You must first verify your identity, meaning that you must provide your full name, current address and date and place of birth. You must sign your request, and your signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, you may obtain forms for this purpose from the Director, Disclosure and FOIA, <http://www.dhs.gov> or 1-866-431-0486. In addition you should provide the following:

- An explanation of why you believe the Department would have information on you,

- Identify which component(s) of the Department you believe may have the information about you,

- Specify when you believe the records would have been created,

- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records,

- If your request is seeking records pertaining to another living individual, you must include a statement from that individual certifying his/her agreement for you to access his/her records.

Without this bulleted information the component(s) may not be able to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations.

SUPPLEMENTARY INFORMATION:

I. Background

During Hurricane Katrina, displaced individuals experienced numerous difficulties in reuniting with family members after the disaster. As a result, Congress mandated in Section 689c of the Post-Katrina Emergency Management Reform Act (PKEMRA) of 2006, Public Law 109-295, that the Federal Emergency Management Agency (FEMA) establish the National Emergency Family Registry and Locator System (NEFRLS). FEMA has the discretionary authority to activate NEFRLS to help reunify families separated after an emergency or disaster declared by the President as defined in the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121-5207.

Pursuant to the savings clause in the Homeland Security Act of 2002, Public Law 107-296, Section 1512, 116 Stat. 2310 (November 25, 2002), and in accordance with the Post-Katrina Emergency Management Reform Act (PKEMRA) of 2006, Public Law 109-295, and the Privacy Act of 1974, as amended, the Department of Homeland Security (DHS) gives notice that FEMA's, Disaster Assistance Directorate, Individual Assistance Branch, Emergency Support Function 6—Mass Care section, is establishing a new system of records entitled the "Federal Emergency Management Agency National Emergency Family Registry and Locator System."

This system of records will enable FEMA to provide a nationally accessible electronic system that will allow adults, displaced from their homes or pre-disaster location after a Presidentially-declared emergency or disaster, to voluntarily register themselves, and to identify up to seven family or household members they grant, in writing, access to their personal identifying information. This personal identifying information may potentially include their current location or a special message to an identified individual. FEMA's system will allow

two groups of individuals limited access for the purpose of reuniting them: (1.) Registrants: Displaced individuals registered in the system; and (2.) searchers: individuals who are searching for family or household members who registered in the system. This second group may or may not be displaced from their homes and may or may not be registered in the system. A displaced individual or "registrant" is one whose pre-disaster primary residence is uninhabitable or inaccessible as a direct result of a Presidentially-declared emergency or disaster. A household member may be any person who lived in the registrant's pre-disaster residence immediately preceding the disaster.

As mandated in the statute authorizing this system, medical patients who have been displaced due to a disaster or emergency will also have access to and may voluntarily register in the system. A medical patient includes an individual who receives medical care on a daily basis by a licensed medical professional and/or has a pre-disaster address in a hospital, field hospital, or nursing home. Generally, this would not include an assisted living facility but may also include on a case-by-case basis. Those registering in the system or those seeking displaced family can access the system either electronically via the Internet at <https://asd.fema.gov/inter/nefrls/home.htm> or by telephone via toll-free 1-800-588-9822.

II. Privacy Act

The Privacy Act embodies fair information principles in a statutory framework governing the means by which the United States Government collects, maintains, uses, and disseminates individuals' records. The Privacy Act applies to information that is maintained in a "system of records." A "system of records" is a group of any records under the control of an agency for which information is retrieved by the name of an individual or by some identifying number, symbol, or other personal identifying information assigned to the individual. In the Privacy Act, an individual is defined to encompass United States citizens and legal permanent residents. As a matter of policy, DHS extends administrative Privacy Act protections to all individuals where systems of records maintain information on U.S. citizens, lawful permanent residents, and visitors. Individuals may request access to their own records that are maintained in a system of records in the possession or under the control of DHS by complying with DHS Privacy Act regulations, 6 CFR part 5.

The Privacy Act requires each agency to publish in the **Federal Register** a description denoting the type and character of each system of records that the agency maintains, and the routine uses that are contained in each system in order to make agency record keeping practices transparent, to notify individuals regarding the uses to which personally identifiable information is put, and to assist individuals to more easily find such files within the agency. Below is the description of the "Federal Emergency Management Agency National Emergency Family Registry and Locator System" system of records.

In accordance with 5 U.S.C. 552a(r), DHS has provided a report of this new system of records to the Office of Management and Budget and to Congress.
