

**SUPPLEMENTARY INFORMATION:** The Environmental Assessment of the federally-assisted action indicates that the project will not cause significant local, regional, or national impacts on the environment. As a result of these findings, Dennis Alexander, State Conservationist, has determined that the preparation and review of an environmental impact statement is not needed for this project.

The project purpose is to improve public safety by reducing the threat of dam failure. The planned works include the installation of a filter, confining berm, restoration of the original dam cross-sectional shape, and the addition of a gravel shell over the dam's slope and crest. The Notice of a Finding of No Significant Impact (FNSI) has been forwarded to the Environmental Protection Agency; various Federal, state, and local agencies; and interested parties. A limited number of copies of the FNSI are available to fill single copy requests at the above address. Basic data developed during the EA are on file and may be reviewed by contacting Roger Ford. No administrative action on implementation of the proposed action will be taken until 30 days after the date of this publication in the **Federal Register**.

## DEPARTMENT OF COMMERCE

### International Trade Administration

[A-570-832]

#### **Pure Magnesium From the People's Republic of China: Extension of Time for the Final Results of the Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* September 25, 2009.

**FOR FURTHER INFORMATION CONTACT:** Laurel LaCivita, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4243.

#### **Background**

On June 8, 2009, the Department of Commerce ("Department") published the preliminary results of this administrative review for the period May 1, 2007 to April 30, 2008. *See Pure Magnesium from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 74 FR 27090 (June 8, 2009). The final results of review are currently due on October 6, 2009.

#### **Extension of Time Limits for the Final Results of Review**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires the Department to issue final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days.

Completion of the final results of the administrative review within the 120-day period is not practicable because the Department requires additional time to analyze information obtained at verification; issue detailed verification reports; analyze extensive surrogate value information, case and rebuttal briefs; and to hold a public hearing.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the final results of the administrative review to 180 days, until December 5, 2009, in accordance with section 751(a)(3)(A) of the Act. Because December 5, 2009, falls on a Saturday, the new deadline for the final results will be the next business day, Monday, December 7, 2009, pursuant to 19 CFR 351.303(b).

We are publishing this notice pursuant to sections 751(a) and 777(i) of the Act.

Dated: September 18, 2009.

#### **Stainless Steel Plate in Coils From Belgium: Extension of Time Limit for the Final Results of the Ninth Countervailing Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**FOR FURTHER INFORMATION CONTACT:** Alexander Montoro at (202) 482-0238 or Mary Kolberg at (202) 482-1785; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

#### **SUPPLEMENTARY INFORMATION:**

#### **Background**

On June 4, 2009, the Department of Commerce ("Department") published the preliminary results of the administrative review of the countervailing duty order on stainless steel plate in coils from Belgium, covering the period January 1, 2007, through December 31, 2007. *See Stainless Steel Plate in Coils from*

*Belgium: Preliminary Results of Countervailing Duty Administrative Review*, 74 FR 26844 (June 4, 2009) ("*Preliminary Results*"). In the *Preliminary Results* we stated that we would issue our final results for the countervailing duty administrative review no later than 120 days after the date of publication of the *Preliminary Results* (*i.e.*, October 2, 2009).

#### **Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the final results of an administrative review within 120 days of the publication of the *Preliminary Results*. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend this deadline to a maximum of 180 days.

#### **Extension of Time Limits for Preliminary Results**

The Department has determined that completion of the final results of this review within the original time period is not practicable because we issued an interim analysis of a research and development program administered by the Institute for the Promotion of Innovation by Science and Technology in Flanders on September 16, 2009, and need to allow adequate time for interested parties to file case and rebuttal briefs. *See Preliminary Results*, 74 FR at 26846. Consequently, it is not practicable to complete this review within the original 120-day time limit (*i.e.*, by October 2, 2009). Therefore, the Department is extending the time limit for completion of the final results to not later than November 2, 2009, which is 151 days from the date of publication of the *Preliminary Results*, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a) and 777(i)(1) of the Act.

Dated: September 18, 2009.
