SUPPLEMENTARY INFORMATION:

I. Background

Since 2005, CMS has held five Medicare Provider Feedback Group (MPFG) Town Hall meetings. The purpose of these meetings is to capture individual provider and supplier feedback on relevant Fee-for-Service (FFS) Medicare policy and operational issues. These meetings allow us to further advance our efforts to strengthen the Medicare program and enhance our relationship with providers and suppliers. The meetings also provide a venue to allow us to continue a process of communication with individual providers and suppliers through the following year.

II. Meeting Format and Agenda

The meeting will begin with an overview of the goals and objectives of the MPFG efforts to gather feedback from individual Medicare providers and suppliers. This meeting will be held on-site at CMS and by teleconference. The meeting is open to the public, but on-site attendance is limited to space available. The meeting agenda and discussion materials will be available to download by October 23, 2009. These materials can be located at <http://www.cms.hhs.gov/center/provider.asp>.

The feedback provided during this meeting will assist us as we evaluate FFS Medicare policy, operational issues, and CMS' provider and supplier communication activities. Topics to be discussed include, but are not limited to, 5010, ICD-10, Medicare Contracting Reform: Lessons Learned from Medicare Administrative Contractor (MAC) Implementations, Recovery Audit Contractors (RACs), Provider Communications, and Program Integrity.
