SUPPLEMENTARY INFORMATION:

I. Background

Since 2005, CMS has held five Medicare Provider Feedback Group (MPFG) Town Hall meetings. The purpose of these meetings is to capture individual provider and supplier feedback on relevant Fee-for-Service (FFS) Medicare policy and operational issues. These meetings allow us to further advance our efforts to strengthen the Medicare program and enhance our relationship with providers and suppliers. The meetings also provide a venue to allow us to continue a process of communication with individual providers and suppliers through the following year.

II. Meeting Format and Agenda

The meeting will begin with an overview of the goals and objectives of the MPFG efforts to gather feedback from individual Medicare providers and suppliers. This meeting will be held on-site at CMS and by teleconference. The meeting is open to the public, but on-site attendance is limited to space available. The meeting agenda and discussion materials will be available to download by October 23, 2009. These materials can be located at <http://www.cms.hhs.gov/center/provider.asp>.

The feedback provided during this meeting will assist us as we evaluate FFS Medicare policy, operational issues, and CMS' provider and supplier communication activities. Topics to be discussed include, but are not limited to, 5010, ICD-10, Medicare Contracting Reform: Lessons Learned from Medicare Administrative Contractor (MAC) Implementations, Recovery Audit Contractors (RACs), Provider Communications, and Program Integrity.

There will be a discussion session that offers meeting participants an opportunity to provide feedback on how CMS services physicians, providers, and suppliers, as well as make suggestions on how this process can be improved. Time for participants to provide feedback will be limited according to

the number of registered participants; however, written submissions will be accepted. Individuals who wish to provide written feedback should e-mail their feedback to Colette Shatto at MFG@cms.hhs.gov. Written feedback will be accepted through November 6, 2009. Consideration will be given to feedback received on the topics discussed at the meeting, but written responses will not be provided.

Registered participants from the meeting will be included as volunteer participants in the MPFG and may be contacted throughout the year for follow-up meetings to solicit additional opinions or clarify any issues that may arise from the October 29, 2009 meeting.

III. Registration Instructions

The Division of Provider Relations and Evaluations, Provider Communications Group, Center for Medicare Management is coordinating the meeting registration. While there is no registration fee, individuals must register to participate both on-site and by teleconference. Individuals must complete the on-line registration located at <http://registration.intercall.com/go/cms2>.

The on-line registration system will capture contact information and practice characteristics (for example, names, e-mail addresses, and provider and supplier types). Registration will be open beginning September 28, 2009 and will close on October 23, 2009. Registration after 5 p.m. EDT on October 23, 2009 will not be accepted.

The on-line registration system will generate a confirmation page to indicate the completion of your registration. Participants should print this page as his or her registration receipt. Teleconference instructions will be issued as part of the confirmation page once participants have registered through the on-line registration instrument. Seating capacity is limited to the first 250 registrants.

If seating capacity has been reached for on-site participants, notification will be sent that the meeting has reached capacity; however, those wishing to participate may still do so by teleconference.

IV. Security, Building, and Parking Guidelines

meeting or attend the meeting by teleconference.
