

consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: October 14, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

CONSUMER PRODUCT SAFETY COMMISSION

Virginia Graeme Baker Pool and Spa Safety Act; Draft Technical Guidance on Unblockable Drains; Notice of Hearing

AGENCY: Consumer Product Safety Commission.

ACTION: Notice of public hearing.

SUMMARY: The Consumer Product Safety Commission (Commission) will conduct a public hearing to receive views from all interested parties about the draft guidance for industry entitled "July 2009 Staff Draft Technical Guidance on

Unblockable Drains." The guidance specifies requirements for a drain cover, such that, when attached to a drain, it constitutes an unblockable drain. The Commission invites public participation at the hearing. Oral presentations concerning the Unblockable Drain guidance should be limited to approximately ten minutes and will become part of the public record.

DATES: The public hearing will begin at 9 a.m. on November 4, 2009. Requests to make oral presentations and the written text of any oral presentations must be received by the Office of the Secretary not later than 5 p.m. Eastern Standard Time (EST) on October 28, 2009.

ADDRESSES: The hearing will be in the Hearing Room, 4th Floor of the Bethesda Towers Building, 4330 East-West Highway, Bethesda, Maryland 20814. Requests to make oral presentations and texts of oral presentations should be captioned "Unblockable Drain Guidance" and sent by electronic mail ("e-mail") to cpsc-os@cpsc.gov, or mailed or delivered to the Office of the Secretary, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, Maryland 20814, no later than 5 p.m. EST on October 28, 2009.

FOR FURTHER INFORMATION CONTACT: For information about the public hearing or to request an opportunity to make an oral presentation, please send an e-mail, call, or write Todd A. Stevenson, Office of the Secretary, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, Maryland 20814; e-mail cpsc-os@cpsc.gov; telephone (301) 504-7923; facsimile (301) 504-0127. An electronic copy of the "July 2009 CPSC Staff Draft Technical Guidance on Unblockable Drains" can be found at <http://www.poolsafety.gov/unblockable.pdf>.

SUPPLEMENTARY INFORMATION: The Virginia Graeme Baker Pool and Spa Safety Act (Pub. L. 110-140, 121 Stat. 1794 ("Act")) was signed into law on December 19, 2007. The Act is designed to prevent drain entrapments and eviscerations in pools and spas. Public Law 110-140. The law became effective on December 19, 2008. The Act defines an "unblockable drain" as "a drain of any size and shape that a human body cannot sufficiently block to create a suction entrapment hazard." Section 1403(7) of the Act (15 U.S.C. 8002(7)).

In August 2009, CPSC staff announced the availability of Draft Guidance on what constitutes an "unblockable drain" under the Act and asked for written comments concerning the draft guidance from interested

persons ("July 2009 CPSC Staff Draft Technical Guidance on Unblockable Drains," <http://www.poolsafety.gov/unblockable.pdf>). The Commission received comments in support of and in opposition to the staff guidance, in addition to some technical comments concerning the guidance itself. For example, some commenters pointed out that, in addition to the size requirements of the unblockable drain cover, the guidance should stress the importance of proper flow rates and the drain cover fastener integrity. CPSC agrees with these technical comments and intends to amend the guidance to include the following sentence: "In reaching this definition for an unblockable drain, the characterization of a suction fitting is taken from the standard to include the sump and cover as a unit, along with the following: (1) The blocking element dimensions and the diagonal measure to define a minimum size requirement (in excess of 18" x 23" or a diagonal measurement greater than 29"); (2) the need for the remaining open flow area of the cover, once shadowed, to provide sufficient flow to prevent entrapment; and (3) the general requirements of the standard for fasteners and fastening integrity (i.e., the cover must stay in place)." Parties who wish to attend the public meeting should be aware of this contemplated change to the guidance when preparing their presentations. The Commission, through this notice, is announcing a public hearing to hear further from interested parties on the staff draft guidance, and the Commission reserves the ability to ask questions of presenters at the public hearing.

Persons who desire to make oral presentations at the hearing on November 4, 2009, should send an e-mail, call, or write Todd A. Stevenson, Office of the Secretary, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, Maryland 20814, e-mail cpsc-os@cpsc.gov, telephone (301) 504-7923, facsimile (301) 504-0127 not later than 5 p.m. EST on October 28, 2009. Presentations should be limited to approximately ten minutes.

Persons desiring to make presentations must submit the text of their presentations to the Office of the Secretary not later than 5 p.m. EST on October 28, 2009. The Commission reserves the right to impose further time limitations on all presentations and further restrictions to avoid duplication of presentations. The hearing will begin at 9 a.m. on November 4, 2009, and will conclude the same day.

Dated: October 16, 2009.

Todd A. Stevenson,

Secretary, Consumer Product Safety Commission.

Pacific Gas and Electric Company; Notice of Availability of Final Environmental Assessment

October 14, 2009.

In accordance with the National Environmental Policy Act of 1969, as amended, and the Federal Energy Regulatory Commission's regulations, 18 CFR Part 380 (Order No. 486, 52 FR 47879), the Commission has reviewed an application, filed August 26, 2008 and supplemented January 30, 2009, requesting approval of a proposed plan to provide spring frost protection and late fall irrigation water for commercial crops and hay in the Potter Valley Project area, FERC Project No. 77. Commission staff has prepared a final Environmental Assessment (EA) and in the final EA, staff analyzed the potential environmental effects of the proposed plan and concludes that approval of the plan, with appropriate environmental measures, would not constitute a major federal action significantly affecting the quality of the human environment.

The Order Granting Amendment of License Article 52 was issued on October 14, 2009 and the final EA is attached to the order. A copy of the final EA is also on file with the Commission and is available for public inspection. The final EA may also be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. [Docket No. EL10-2-000]

San Diego Gas & Electric Company; Notice of Filing

October 14, 2009.

Take notice that on October 9, 2009, pursuant to Rule 207 of the Federal Energy Regulatory Commission's Rules of Practice and Procedure and Regulations, 18 CFR 385.207 (2006), San Diego Gas & Electric Company (SDG&E) filed a Petition for Declaratory Order (Petition) requesting Commission approval of proposed accounting and ratemaking treatment for a portion of SDG&E's 500 kV Sunrise Powerlink Project, to be located in Imperial Valley County between the San Diego County line and the Imperial Valley Substation (Border-East Line), that will be the subject of a thirty-year lease to Citizens Energy Corporation. This Petition is addressing the portion of the Border-East Line that SDG&E is not leasing to Citizens.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC.
