

ADBF acquired the rail line as part of a corporate restructuring, but did not file its verified notice of exemption with the Board until October 9, 2009.¹ Thus, the effective date of the exemption is November 8, 2009 (30 days after the exemption is filed).²

ADBF certifies that its projected annual revenues as a result of this transaction do not exceed those that would qualify it as a Class III carrier and that its projected annual revenues will not exceed \$5 million.

According to ADBF, there is no provision or agreement that may limit future interchange with a third-party connecting carrier.

Pursuant to the Consolidated Appropriations Act, 2008, Public Law 110-161, § 193, 121 Stat. 1844 (2007), nothing in this decision authorizes the following activities at any solid waste rail transfer facility: collecting, storing or transferring solid waste outside of its original shipping container; or separating or processing solid waste (including baling, crushing, compacting and shredding). The term "solid waste" is defined in section 1004 of the Solid Waste Disposal Act, 42 U.S.C. 6903.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke does not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than November 2, 2009.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 35035, must be filed with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on John D. Heffner, 1750 K Street, NW., Suite 200, Washington, DC 20006.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: October 20, 2009.

¹ ADBF states that eliminating TCBY as a rail carrier through this acquisition will enable ADBF's owners to restructure their railroad holdings by filing a class exemption notice for continuance in control of three other disconnected short line railroads they control. It appears that ADBF's owners presently are not authorized to have common control of more than one rail carrier. If that is the case, the Board expects the owners to promptly submit an appropriate filing for authorization for that common control.

² The class exemption invoked by ADBF does not provide for retroactive effectiveness.

By the Board, Rachel D. Campbell,
Director, Office of Proceedings.

Kulunie L. Cannon,
Clearance Clerk.

Aircraft Noise Impacts Research Roadmap

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of meeting participation.

SUMMARY: This notice advises interested persons that the FAA is conducting workshops to develop an aircraft noise impacts research roadmap. The roadmap is intended to advance our scientific knowledge in order to optimally address the impacts of aircraft noise on society. The main objective of the workshops is to outline key research elements of the roadmap, prioritize research questions, and identify ways to overcome potential research challenges. **DATES:** The first workshop will be held in Washington, DC, on December 10 and 11, 2009 from 9 a.m. to 4 p.m. A follow-on workshop will be held on March 4, 2010, from 9 a.m. to 4 p.m.

ADDRESSES: The first workshop will be held at the National Academy of Sciences Keck Center, 500 Fifth Street, NW., Washington, DC. The follow-on workshop will be held in conjunction with the University of California-Davis Symposium on Aviation Noise and Air Quality and will be held at the Holiday Inn-San Diego—On the Bay, 1355 North Harbor Drive, San Diego, CA 92101. Attendance is open to all interested parties.

FOR FURTHER INFORMATION CONTACT:

Patricia Friesenhahn, Office of Environment and Energy (AEE-100), Federal Aviation Administration, 800 Independence Avenue, SW., Washington, DC 20591; e-mail patricia.friesenhahn@faa.gov, telephone (202) 267-3562, facsimile (202) 267-5594. Please register by November 20; there is no registration fee. Additional details will soon be available at <http://www.fican.org> under FAA Workshop.

Background: Based on the advice of its Research, Engineering and Development Advisory Committee (REDAC), the FAA is developing a comprehensive aircraft noise impacts research roadmap for the FAA and other interested parties to implement more systematic, effective, and complementary research programs. The

FAA held a preliminary forum with international noise researchers in conjunction with Internoise 2009 in August 2009 to discuss research needed to advance the current understanding of the relationship between aircraft noise and its impacts such as community annoyance and sleep disturbance. The FAA now invites researchers, practitioners, and other interested parties to participate in a series of upcoming Aircraft Noise Impacts Research Roadmap workshops to contribute to developing the research roadmap with information received from that forum.

Issued in Washington, DC, on October 19, 2009.

Acting Director of Environment and Energy.

[FHWA Docket No. FHWA-2005-23112]

Motorcyclist Advisory Council to the Federal Highway Administration

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of meeting of advisory committee.

SUMMARY: This document announces the seventh meeting of the Motorcyclist Advisory Council to the Federal Highway Administration (MAC-FHWA). The purpose of this meeting is to advise the Secretary of Transportation, through the Administrator of the FHWA, on infrastructure issues of concern to motorcyclists, including: (1) Barrier design; (2) road design, construction, and maintenance practices; and (3) the architecture and implementation of intelligent transportation system technologies, pursuant to section 1914 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU).

DATES: The seventh meeting of the MAC-FHWA is scheduled for November 5, 2009, from 9 a.m. until 5 p.m.

ADDRESSES: The seventh MAC-FHWA meeting will be held at the Crystal City Marriott, 1999 Jefferson Davis Highway, Arlington, VA 22202.

FOR FURTHER INFORMATION CONTACT: Mr. Michael Griffith, the Designated Federal Official, Office of Safety, (202) 366-2288, mike.griffith@dot.gov, or Mr. Keith D. Williams, Office of Safety,

(202) 366-9212, keith.williams@dot.gov, FHWA, 1200 New Jersey Avenue, SE., Washington, DC 20590.

SUPPLEMENTARY INFORMATION:

Background

On August 10, 2005, the President signed into law the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (Pub. L. 109-59, 119 Stat. 1144). Section 1914 of SAFETEA-LU mandates the establishment of the Motorcyclist Advisory Council as follows: "The Secretary, acting through the Administrator of the Federal Highway Administration, in consultation with the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate, shall appoint a Motorcyclist Advisory Council to coordinate with and advise the Administrator on infrastructure issues of concern to motorcyclists, including—

- (1) Barrier design;
- (2) Road design, construction, and maintenance practices; and
- (3) The architecture and implementation of intelligent transportation system technologies."

In addition, section 1914 specifies the membership of the council: "The Council shall consist of not more than 10 members of the motorcycling community with professional expertise in national motorcyclist safety advocacy, including—

- (1) At least—
 - (A) One member recommended by a national motorcyclist association;
 - (B) One member recommended by a national motorcycle rider's foundation;
 - (C) One representative of the National Association of State Motorcycle Safety Administrators;
 - (D) Two members of State motorcyclists' organizations;
 - (E) One member recommended by a national organization that represents the builders of highway infrastructure;
 - (F) One member recommended by a national association that represents the traffic safety systems industry; and
 - (G) One member of a national safety organization; and

(2) At least one, and not more than two, motorcyclists who are traffic system design engineers or State transportation department officials."

To carry out this requirement, the FHWA published a notice of intent to form an advisory committee in the **Federal Register** on December 23, 2005 (70 FR 76353). This notice, consistent with the requirements of the Federal Advisory Committee Act (FACA), announced the establishment of the

Council and invited comments and nominations for membership. The FHWA announced the ten members selected to the Council in the **Federal Register** on October 5, 2006 (71 FR 58903). An electronic copy of this document and the previous **Federal Register** notices associated with the MAC-FHWA can be downloaded through the Federal eRulemaking Portal at: <http://www.regulations.gov> and the Office of the Federal Register's home page at: http://www.archives.gov/federal_register.

The FHWA anticipates that the MAC-FHWA will meet at least once a year, with meetings held in the Washington, DC, metropolitan area and the FHWA will publish notices in the **Federal Register** to announce the times, dates, and locations of these meetings. Meetings of the Council are open to the public and time will be provided in each meeting's schedule for comments by members of the public. Attendance will necessarily be limited by the size of the meeting room. Members of the public may present oral or written comments at the meeting or may present written materials by providing copies to Ms. Fran Bents, Westat, 1650 Research Boulevard, Rockville, MD 20850-3195, (240) 314-7557, ten (10) days prior to the meeting.

The agenda topics for the meetings will include a discussion of the following issues: (1) Barrier design; (2) road design, construction, and maintenance practices; and (3) the architecture and implementation of intelligent transportation system technologies.

Conclusion

The seventh meeting of the Motorcyclist Advisory Council to the Federal Highway Administration will be held on November 5, 2009, at the Crystal City Marriott, 1999 Jefferson Davis Highway, Arlington, VA 22202 from 9 a.m. until 5 p.m.
