SUPPLEMENTARY INFORMATION:

Section 1. Purpose

This Notice solicits applications for allocations of the \$400,000,000 in Tax Credit Bonding Authority granted to the Secretary as a result of the ARRA of 2009. This bonding authority is for the purpose of the construction, rehabilitation and repair of BIA-funded schools. Distribution of the \$400,000,000 of tax credit bonds will be in two tranches—\$200,000,000 in calendar year 2009 and \$200,000,000 in calendar year 2010.

This Notice also provides related guidance on the following: (1) Eligibility requirements that a project must meet to be considered for an allocation; (2) application requirements, deadlines, and forms for requests for allocations; (3) the method that the Secretary will use to make the allocations; and (4) certain interim guidance in this area.

Section 2. Introduction

Part III—Tax Credit Bonds for Schools (“Tax-Credit Bonds”), Section 1521 Qualified School Construction Bonds of the ARRA of 2009, Public Law 111-5 (the “Act”) is for the purpose of helping Tribal governments reduce the cost of loans or bonds for the construction, rehabilitation, and repair of schools funded by the BIA. In general, the Act allows Tribal governments to issue up to \$400,000,000 in “qualified tax bonds” to finance a BIA funded elementary or secondary school or dormitory construction project. The bonding authorization is not an appropriation of Federal money or a loan guarantee. The Tribe will be responsible for paying their bonded obligations. The benefit to the Tribes under the bonding provision of the Act is that they can borrow money at a lower interest rate than they would have had to pay on non-tax-advantaged bonds.

Section 3. Background

Indian Affairs is responsible for providing facilities to support educational programs for eligible Indian School Equalization Program (ISEP) students. Its central, stated goal is to provide a high-quality educational environment for Native American children from kindergarten through high school.

Section 4. Application Requirements in General

Each application (“Application”) for an allocation of the Tax Credit Bonding Authority must be prepared and submitted in accordance with this

section. In order for an Application to comply with this section, among other things, the Application must be prepared in substantially the form attached to this Notice as Appendix A, subject to such minor changes or variations as the DOI may approve in its discretion. This Notice, including Appendix A, may be found on the Indian Affairs Web site at <http://www.doi.gov/bia>. By submitting an Application, the applicant agrees to comply with the requirements of this Notice.

a. *Qualified issuer.* An Application must be submitted by an Indian Tribal government. Section 7701(a)(40)(A) defines an Indian Tribal government as the governing body of any Tribe, band, community, village, or group of Indians, or Alaska Natives which is determined by the IRS, in consultation with the Secretary, to exercise governmental functions. Section 2.01 of Revenue Procedure 2008-55, 2008-39 I.R.B. 768, provides that an Indian Tribal entity that appears on the most recent list published by the DOI in the **Federal Register** pursuant to the Federally Recognized Indian Tribe List Act of 1994, Public Law 103-454, 108 Stat. 4791 (“List Act”), is designated an Indian Tribal government for purposes of § 7701(a)(40). Section 2.03 of Rev. Proc. 2008-55 further provides that a Tribe that does not appear on the most recent list published by the Department of the Interior in the **Federal Register** pursuant to the requirements of the List Act nonetheless will be treated as an Indian Tribal government for purposes of § 7701(a)(40) if the Tribe has been acknowledged as a Federally recognized Indian Tribe, as stated in a letter from the DOI. An Application must identify the Indian Tribal government, including the Indian Tribal government’s Federal tax identification number.

b. *Signatures.* An Application must be signed and dated by, and must include the printed name and title of, an authorized official of the Indian Tribal government and must be supported by a Tribal resolution indicating the Tribe’s intent to apply for an allocation. For purposes of this Notice, the term “authorized official of the Indian Tribal government” means an officer, board member, employee, or other official of the Indian Tribal government who is duly authorized to execute legal documents on behalf of the Indian Tribal government in connection with incurring debt of the Indian Tribal government (e.g., a Tribal chairperson, chief executive officer, or chief financial officer).

c. *Contact person.* An Application must designate one or more persons

with knowledge of the project that the qualified issuer duly authorizes to discuss with Indian Affairs any information specifically relating to the Application. The designation must include the designee’s name, title, telephone number, fax number, and mailing address.

d. *Addresses.* An Application must be submitted by hard copy in duplicate accompanied by a copy of the Application in electronic format on compact disc (“CD”) sent by mail to the address listed in the **ADDRESSES** section of this Notice.

e. *Due date.* To receive an allocation from the first \$200,000,000 (“First Allocation”) of the Tax Credit Bonding Authority, an Application must be filed with the DOI on or before the Application deadline of November 15, 2009, (“First Allocation Deadline”). To receive an allocation from the remaining allocation (“Second Allocation”), an Application must be filed with the DOI after November 16, 2009, and on or before March 15, 2010, (“Second Allocation Deadline”). (See **DATES** section of this Notice). Should not all the Authority be granted in the two allocations, the Secretary will consider a third allocation period. See section 7 for further discussion of the two allocations.

f. *Project description.* Each Application must contain the information required by this subsection.

(i) *Qualified project.* Each Application must describe in reasonable detail the project to be financed with the tax-credit bonds. The Application must indicate the expected date that the acquisition and construction of the project will commence and the expected date that the project will be placed in service. The Secretary will only allocate bonding authority for projects that comply with building codes and construction requirements required by Indian Affairs for all Bureau-funded education facility construction. Further, the Secretary will only approve bonding allocation for projects that were developed using Indian Affairs education specifications, space criteria allowances, and enrollment projection methodology, and which comply with current statutory or regulatory requirements regarding school grade structure, curriculum requirements, and educational standards.

(ii) *Location of project.* The Application must include a certification that the project’s location is within the Indian Tribal government’s reservation.

(iii) *Regulatory approvals.* The Application must state whether all necessary Federal, State, and local regulatory approvals for the project have

been obtained and, if those approvals have not yet been obtained, the Application must describe the Indian Tribal government's plan for obtaining them and the timeframe during which the Indian Tribal government expects to receive them.

g. *Plan of financing.* The Application must contain: (1) A reasonably detailed description of the plan of financing for the project, including all reasonably expected sources (e.g., a public offering through a named underwriter or a private placement to a named institution) and uses of financing, including financing from the tax-credit bonds and from other sources; (2) the status of all financing, including the name and addresses of all entities expected to provide any financing; (3) the anticipated date of issuance of the tax-credit bonds and any expected purchasers of the tax-credit bonds; (4) the sources of security and repayment for the tax-credit bonds; (5) the aggregate face amount of tax-credit bonds expected to be issued for the project; and (6) the issuer's reasonably expected schedule for spending proceeds of the tax-credit bonds. If the Indian Tribal government intends to use the proceeds of tax-credit bonds to reimburse amounts paid with respect to a qualified project, the Application must demonstrate compliance with all statutory IRS tax requirements and regulations.

h. *Dollar amount of allocation requested.* The Application must specify the dollar amount of tax-credit bonds requested for the project.

i. *Statement of readiness to issue.* An Application for an allocation of the tax credit bonding authority from the First or Second Allocation must contain the statement that the issuer reasonably expects to issue any tax-credit bonds, pursuant to the requested allocation, within six months of authorization.

Section 5. Required Declarations in Application

Each application submitted under this Notice must include the following declaration signed and dated by an authorized official of the Indian Tribal government:

Under penalties of perjury, I declare that I have examined this document and, to the best of my knowledge and belief, all of the facts contained herein are true, correct, and complete.

Section 6. Consent to Disclosure Allocation

In order for the Secretary or Indian Affairs to disclose identifying information with respect to applicants awarded an allocation, the Secretary

and Indian Affairs requests that each applicant submit with the Application a declaration consenting to the Secretary's or Indian Affairs' disclosure of the name of the issuer, the type and location of the project that is the subject of the Application, and the amount of the tax credit bond allocation awarded to that Applicant if the Applicant receives an allocation. Appendix B.

Section 7. Annual Bonding Authority Limit and Methodology

a. First Allocation

The Tax Credit Bonding Authority under § 7871(f) will be allocated in at least two tranches. The first \$200,000,000 will be allocated in accordance with this section for qualified projects for which Applications meeting the requirements of this Notice have been filed with the Secretary or Indian Affairs on or before the First Allocation Deadline. If the total amount of allocations requested in all applications received on or before the First Allocation Deadline does not exceed \$200,000,000, then each qualified project will be allocated the amount of allocation requested. If the total amount of allocations requested in all applications received on or before the First Allocation Deadline exceeds \$200,000,000, then each qualified project will be allocated a reduced pro rata such that the total amount allocated as part of the First Allocation does not exceed \$200,000,000. Applicants receiving a reduced allocation may submit an application requesting the remainder of the allocation on or before the Second Allocation Deadline.

b. Second Allocation

(1) The Second Allocation will allocate the second \$200,000,000. The Second Allocation will be allocated in accordance with this section for qualified projects for which Applications meeting the requirements of this Notice have been filed with the Secretary or Indian Affairs on or before the Second Allocation Deadline set forth in this Notice. If the total amount of allocations requested in all applications received on or before the Second Allocation Deadline does not exceed the Second Allocation Amount, then each qualified project will be allocated the amount requested. If the total amount of allocations requested in all applications received on or before the Second Allocation Deadline exceeds \$200,000,000, then each qualified project will be allocated a reduced pro rata such that the total amount allocated as part of the Second Allocation does not exceed \$200,000,000. Any allocation

remaining from the Second Allocation, or any forfeited allocation, may be available as part of an allocation process to be announced by the Secretary or Indian Affairs at some future date.

(2) Applicants for any subsequent allocation other than the First Allocation must include a description of the project, or any related project, for which a prior allocation was made, as well as the name of the applicant that received the allocation. For this purpose, related projects include facilities that are owned by the same Indian Tribal government, a political subdivision of the Indian Tribal government, or an entity controlled by the Indian Tribal government, which are: (i) Located at or near the same site; and (ii) are integrated, interconnected, or directly or indirectly dependent on each other, based on all the facts and circumstances.

c. On Behalf of Issuers

(1) An Indian Tribal government that receives an allocation may designate an "on behalf of issuer," so long as the Tribal government complies with all applicable statutory tax requirements and regulations.

(2) An Indian Tribal government that receives an allocation may assign the allocation to a pool bond issuer who is otherwise an Indian Tribal government for the purpose of issuing tax-credit bonds the proceeds of which will be loaned to the Indian Tribal government who received the allocation. Pooled tax-credit bonds will be subject to all applicable statutory tax requirements and regulations.

(3) The proceeds of any bonds issued by an "on behalf of" issuer or a pool issuer will be treated as if they were proceeds of bonds issued by the Indian Tribal government that received the allocation.

d. Forfeiture of Allocation

If bonds are not in place within six months of authorization, any or all of the allocation received by an issuer pursuant to the First and Second Allocation, then such allocation shall be considered forfeited. Any allocation amounts forfeited may be available for allocation by the Secretary as part of an allocation process to be announced by the Secretary at some future date. Issuers must notify the Secretary or Indian Affairs in writing at least 30 days before the expiration of the period during which bonds may be issued pursuant to an allocation if they do not intend to issue bonds pursuant to such allocation. Failure to comply with requirements set forth in Section 4—f(i) of this Notice will result in the loss of

all Indian Affairs funding support for the functional facilities operations and maintenance of the project.
