SUPPLEMENTARY INFORMATION:

The OCC is proposing to extend OMB approval of the following information collection:

Title: Leasing (12 CFR Part 23).

OMB Control No.: 1557–0206.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB extend the expiration date.

Information Collection Requirements Found in 12 CFR Part 23

12 CFR 23.4(c)

Under 12 CFR 23.4(c), national banks must liquidate or re-lease personal property that is no longer subject to lease (off-lease property) within five years from the date of the lease expiration. If a bank wishes to extend the five-year holding period for up to an additional five years, it must obtain OCC approval. Permitting a bank to extend the holding period may result in cost savings to national banks. It also provides flexibility for a bank that experiences unusual or unforeseen conditions that would make it imprudent to dispose of the off-lease property before the expiration date of the five-year period. Section 23.4(c) requires a bank seeking an extension to provide a clearly convincing demonstration as to why an additional holding period is necessary. In addition, a bank must value off-lease property at the lower of current fair market value or book value promptly after the property comes off-lease. These requirements enable the OCC to ensure that a bank is not holding the property for speculative reasons and that the value of the property is recorded in accordance with
