SUPPLEMENTARY INFORMATION:

I. Background

The Voluntary Private Sector Accreditation and Certification Preparedness Program (PS-Prep) is a DHS program, established under the authority of Title IX of the

Implementing Recommendations of the 9/11 Commission Act of 2007 (Pub. L. 110-53). FEMA published a **Federal Register** Notice on December 24, 2008, at 73 FR 79140, announcing the creation of the program. As discussed in that notice, the purpose of PS-Prep is to raise the level of private sector preparedness by establishing a system in which a private sector entity may voluntarily obtain a certification of conformity with a particular DHS-adopted preparedness standard.

FEMA published a second **Federal Register** Notice on October 16, 2009, at 74 FR 53286, announcing DHS' intent to select three standards for adoption in the PS-Prep program. The three identified standards selected for adoption in PS-Prep at this time are:

1. National Fire Protection Association 1600:2007—Standard on Disaster/Emergency Management and Business Continuity Programs.
2. British Standard 25999-2:2007—Business Continuity Management.
3. ASIS SPC. 1-2009—Organizational Resilience: Security Preparedness, and Continuity Management Systems—Requirements with Guidance for Use.

II. Announcement of Public Meetings and Extension of Comment Period

Through this notice, FEMA is announcing the dates, times, locations, and discussion topics for a series of ten public meetings that will be held to discuss PS-Prep. The purpose of these meetings is to provide the public with an open forum to engage in dialogue with PS-Prep leadership and program managers, in particular regarding the October 16, 2009 **Federal Register** Notice announcing the intent to select standards. Additionally, this notice extends the comment period that was originally established in that October 16 notice. The comment period will now be extended by an additional 60 days, and will close on January 15, 2010.

A. Public Meetings

The dates, times, and locations of the public meetings are set out below. Any stakeholder or member of the public is free to attend the meetings. Individuals will have the opportunity to make brief, formal or informal, presentations of not more than 10 minutes, and to engage in a question-and-answer session with DHS staff responsible for implementing PS-Prep.

Presentation topics should be related to one of the seven specific issues to be discussed at this meeting, which are as follows: (1) The identified standards selected for adoption in PS-Prep; (2) any supporting guidance materials in addition to the three identified

standards that are needed to help the private sector attain certification to one of the three standards; (3) factors that a business would consider in determining which DHS-adopted standard(s) to pursue for certification under PS-Prep; (4) reasons for businesses to seek certification under the three identified standards; (5) how an organization's certification under PS-Prep would affect or otherwise influence another organization's decision to do business with them; (6) how a maturity model approach could be applied to certification to any of these standards; and (7) what the potential impact (e.g., cost, return on investment, other considerations, etc.) on small businesses might be when attempting to implement any of the three identified standards.

Members of the public who wish to make a presentation are requested to provide their name, presentation description, city in which they plan to present, and contact details (include e-mail address and telephone number), no later than 5 p.m. Eastern Standard Time (EST), one week prior to the stakeholder meeting they plan to attend, via e-mail to the PS-Prep program at privatesectorpreparedness@hsi.dhs.gov.

Everyone who plans to attend a public meeting is respectfully requested to be present and seated by 12:50 p.m. local time (for that meeting). Although every effort will be made to accommodate all members of the public, seating is limited and will be allocated on a first-come, first-served basis. Please note that all meetings may close early if all business is finished.
