SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-60903; File No. PCAOB-2009-02]

Public Company Accounting Oversight Board; Notice of Filing of Proposed Rules on Auditing Standard No. 7, Engagement Quality Review, and Conforming Amendment

October 29, 2009.

Pursuant to Section 107(b) of the Sarbanes-Oxley Act of 2002 (the "Act"), notice is hereby given that on August 4, 2009, the Public Company Accounting Oversight Board (the "Board" or the "PCAOB") filed with the Securities and Exchange Commission (the "Commission") the proposed rules described in Items I and II below, which items have been prepared by the Board. The Commission is publishing this notice to solicit comments on the proposed rules from interested persons.

I. Board's Statement of the Terms of Substance of the Proposed Rules

On July 28, 2009, the Board adopted Auditing Standard No. 7, Engagement Quality Review, and an amendment to the Board's Interim Quality Control Standards (collectively, "the proposed rules"). The text of the proposed rules text is set out below. Language that is

added by the amendment to the Board's Interim Quality Control Standards is italicized.

Auditing Standard No. 7 Supersedes SECPS Requirements of Membership § 1000.08(f).

Engagement Quality Review: Applicability of Standard:

1. An engagement quality review and concurring approval of issuance are required for each audit engagement and for each engagement to review interim financial information conducted pursuant to the standards of the Public Company Accounting Oversight Board ("PCAOB").

Objective:

2. The objective of the engagement quality reviewer is to perform an evaluation of the significant judgments made by the engagement team and the related conclusions reached in forming the overall conclusion on the engagement and in preparing the engagement report, if a report is to be issued, in order to determine whether to provide concurring approval of issuance.¹

Qualifications of an Engagement Quality Reviewer:

3. The engagement quality reviewer must be an associated person of a registered public accounting firm. An engagement quality reviewer from the firm that issues the engagement report (or communicates an engagement conclusion, if no report is issued) must be a partner or another individual in an equivalent position. The engagement quality reviewer may also be an individual from outside the firm.²

4. As described below, an engagement quality reviewer must have competence, independence, integrity, and objectivity.

Note: The firm's quality control policies and procedures should include provisions to provide the firm with reasonable assurance that the engagement quality reviewer has sufficient competence, independence, integrity, and objectivity to perform the engagement quality review in accordance with the standards of the PCAOB.

¹ In the context of an audit, "engagement report" refers to the audit report (or reports if, in an integrated audit, the auditor issues separate reports on the financial statements and internal control over financial reporting). In the context of an engagement to review interim financial information, the term refers to the report on interim financial information. An engagement report might not be issued in connection with a review of interim financial information. See paragraph .03 of AU section ("sec.") 722, *Interim Financial Information*.

² An outside reviewer who is not already associated with a registered public accounting firm would become associated with the firm issuing the report if *he or she* (rather than, or in addition to, his or her firm or other employer): (1) Receives compensation from the firm issuing the report for performing the review or (2) performs the review as agent for the firm issuing the report. See PCAOB Rule 1001(p)(i) for the definition of an associated person of a registered public accounting firm.
