Abstract: Section 1202 of the Elementary and Secondary Act describes information to be included in the annual performance report required of Reading First grantees. The national-level information includes an average of the percentage of proficient students in SEAs administering the Dynamic Indicators of Basic Early Literacy Skills (DIBELS) Oral Reading Fluency measure and the number of SEAs showing improvement in proficiency rates on each SEA's comprehension measure from the previous year to the current year. All schools are included in the GPRA report, regardless of when schools began implementation of the Reading First program.
