Recovery Act—Green Retrofit Program for Multifamily Housing, Notice of Closing of Application Solicitation

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Notice.

SUMMARY: By notice issued May 13, 2009, HUD announced the availability of funding for the Green Retrofit Program for Multifamily Housing (GRP), a program authorized by the American Recovery and Reinvestment Act of 2009, for the purpose of making, primarily, loans and grants to facilitate utility-saving retrofits and other retrofits that produce environmental benefits in certain existing HUD-assisted multifamily housing. In the May 13, 2009, notice, HUD announced that it would begin soliciting applications beginning on June 15, 2009. This notice announces that, based on the funds remaining available, HUD will cease accepting applications as of November 18, 2009.

SUPPLEMENTARY INFORMATION:

I. Background

Title XII of Division A of the American Recovery and Reinvestment Act of 2009 (Pub. L. 111–5) (Recovery Act) authorizes funding for GRP, a Recovery Act program by which HUD makes loans and grants and takes a variety of other actions to facilitate utility-saving retrofits and other retrofits that produce environmental benefits, in certain existing HUD-assisted multifamily housing. The funding provided for retrofits is designed to result in property that reduces energy demand, costs less to operate, improves the residents' quality of life, and reduces its impact on the environment.

By notice issued May 13, 2009, HUD announced the availability of funding GRP. (See <http://www.hud.gov/offices/adm/hudclips/notices/hsg/files/09-02HSGN.pdf>). In the May 13, 2009, notice, HUD announced that GRP would be administered by the Office of Affordable Housing Preservation. In the May 13, 2009, notice, HUD also announced that it would begin accepting applications for GRP funding on June 15, 2009, on a first come, first serve basis, and would continue to accept applications subject to the availability of funding.

In this notice, HUD announces that, based on remaining GRP funds available, HUD will cease accepting applications as of November 18, 2009.

Dated: November 9, 2009.

Notice of Fund Availability (NOFA) for Fiscal Year 2009 Neighborhood Stabilization Program 2 Under the American Recovery and Reinvestment Act of 2009; Correction

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: On May 4, 2009, HUD posted its NSP2 NOFA at <http://www.hud.gov/nsp> and announced the availability of the NOFA on May 7, 2009 (74 FR 21377). The NSP2 NOFA announced the availability of approximately \$1.93 billion available in competitive grants authorized under the American Recovery and Reinvestment Act of 2009 (Pub. L. 111–5, approved February 17, 2009). The NSP2 NOFA was corrected by Notice posted on the HUD website and announced on June 11, 2009 (74 FR 28715). Today's **Federal Register** publication announces that HUD has posted a notice making further corrections to the NSP2 NOFA. Specifically, the Notice (1) corrects an inconsistency in the NSP2 NOFA regarding when the lead member of a consortium must enter into consortium funding agreements with consortium members; and (2) extends the deadline for submitting such agreements to HUD to January 29, 2010. This notice only affects applications for funding that have already been submitted to HUD by consortium applicants. HUD notes that the deadline for applications was July 17, 2009, and, as a result, will not accept new applications for funding. The notice correcting the NSP2 NOFA is available on the HUD Web site at <http://www.hud.gov/recovery>.

SUPPLEMENTARY INFORMATION:

I. Abstract

During FY09 and FY10, the Volcano Hazards Program (VHP) will provide funding under the American Recovery and Reinvestment Act (ARRA) for improvement of the volcano and other monitoring systems and other monitoring-related activities that contribute to mitigation of volcano hazards. This notice concerns the collection of information that is sufficient and relevant to evaluate and select proposals for funding under the VHP. We will accept proposals from State geological surveys and academic institutions requesting funds to assist in the monitoring of active volcanoes and to conduct volcano-related research. Financial assistance will be awarded on a competitive basis following the evaluation and ranking of State and academic proposals. VHP proposals will be reviewed by a peer panel of six (6) members. Five (5) members will be Department of the Interior representatives; and one (1) member will be an external representative. To submit a proposal, you must follow the written guideline (that will be made available at <http://www.Grants.gov>) and complete a project narrative. The

application must be submitted via Grants.gov. Grant recipients must complete a final technical report at the end of the project period. Narrative and report guidance is available through <http://volcanoes.usgs.gov/> and at <http://www.Grants.gov>.

II. Data

OMB Control Number: 1028-0090.

Title: Volcano Hazards Program (VHP).

Type of Request: Extension of currently approved collection.

Respondent Obligation: Required to receive benefits.

Frequency of Collection: Annually.

Description of Respondents: State Geological Surveys and academic institutions.

Estimated Number of Annual Responses: 20 applications and 12 final reports.

Estimated Annual Reporting and Recordkeeping "Hour" Burden: 796 hours. We expect to receive approximately 20 applications. It will take each applicant approximately 35 hours to complete the narrative and present supporting documents. This includes the time for project conception and development, proposal writing, reviewing, and submitting the proposal application through Grants.gov (totaling 700 burden hours). We anticipate awarding 12 grants per year. The award recipients must submit a final report at the end of the project. We estimate that it will take approximately 8 hours to complete the requirement for that report (totaling 96 hours).

Estimated Reporting and Recordkeeping "Non-Hour Cost" Burden: There are no "non-hour cost" burdens associated with this collection of information.

III. Request for Comments

We are soliciting comments as to: (a) Whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) how to enhance the quality, usefulness, and clarity of the information to be collected; and (d) how to minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

Please note that the comments submitted in response to this notice are a matter of public record. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that
