

Mary Jacinta Lewis, M.D., 72 FR 4035 (2007) (affirming immediate suspension of practitioner's registration when she allowed an unregistered person to use her registration to order controlled substances, supposedly for exportation to HIV-AIDS patients in Nigeria). DEA has repeatedly revoked the registrations of practitioners for such conduct. See also *Paul Volkman*, 73 FR 30630, 30644 & n.42 (2008); *Anthony L. Cappelli*, 59 FR 42288 (1994). Respondent is thus liable for Ms. Annan's acts of unlawful possession, distribution, and/or exportation of the controlled substances that she obtained under his registration.

As the forgoing demonstrates, Respondent engaged in the knowing and intentional diversion of controlled substances and is an egregious violator of the CSA. In essence, he leased his DEA registration to Ms. Annan to enable her to obtain extraordinary quantities of schedule III narcotics containing hydrocodone, a drug which is highly popular with drug abusers and which was undoubtedly distributed through illegitimate channels. Moreover, in furtherance of the conspiracy, Respondent also paid other doctors to obtain their DEA numbers so that he could order even more drugs for her.

Respondent's conduct does not remotely resemble the legitimate practice of medicine. Rather, he engaged in a criminal conspiracy to distribute controlled substances. His conduct clearly constituted "an imminent danger to the public health or safety," 21 U.S.C. 824(d), as well as acts which render his continued registration "inconsistent with the public interest." *Id.* § 824(a)(4). For these reasons (as well as my finding that he lacks authority under California law to dispense controlled substances, *id.* § 824(a)(3)), Respondent's registration will be revoked and his pending applications will be denied.

Order

Pursuant to the authority vested in me by 21 U.S.C. 823(f) & 824(a), as well as 28 CFR 0.100(b) & 0.104, I order that DEA Certificate of Registration, AR8613487, issued to Harrell E. Robinson, M.D., be, and it hereby is, revoked. I further order that Respondent's pending applications for the renewal or modification of this registration, as well as for additional registrations, be, and they hereby are, denied.

Dated: November 17, 2009.

Michele M. Leonhart,
Deputy Administrator.

THE NATIONAL FOUNDATION ON THE ARTS AND HUMANITIES

Proposed Collection, Museums for America Grant Program Evaluation

AGENCY: Institute of Museum and Library Services.

ACTION: Notice, request for comments, collection of information

SUMMARY: The Institute of Museum and Library Services (IMLS), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time

and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. The purpose of this Notice is to solicit comments concerning the proposed IMLS study of the impacts of the IMLS Museums for America Grant Program.

A copy of the proposed information collection request can be obtained by contacting the individual listed below in the addressee section of this notice.

DATES: Written comments must be submitted to the office listed in the addressee section below on or before January 15, 2010. IMLS is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques, or other forms of information technology, e.g., permitting electronic submissions of responses.

ADDRESSES: Send comments to: Erica Pastore, Program Analyst, Institute of Museum and Library Services, 1800 M St., NW., Washington, DC 20036. Telephone: 202-653-4647, Fax: 202-653-4611 or by e-mail at epastore@imls.gov.

SUPPLEMENTARY INFORMATION:

I. Background

The Institute of Museum and Library Services (IMLS) is an independent Federal grant-making agency and is the primary source of federal support for the Nation's 123,000 libraries and 17,500 museums. IMLS provides a variety of grant programs to assist the Nation's museums and libraries in improving their operations and enhancing their services to the public. IMLS is responsible for identifying national needs for, and trends of, museum and library services funded by IMLS; reporting on the impact and effectiveness of programs conducted with funds made available by IMLS in addressing such needs; and identifying,
