3. Within 90 days of the hiring of any new investment subadvisor, the Adviser will furnish shareholders of the affected Fund with all information about such investment subadvisor that would be included in a proxy statement, including any change in such disclosure caused by the addition of the new investment subadvisor. To meet this condition, the Funds will provide shareholders with an information statement meeting the requirements of Regulation 14C, Schedule 14C, and Item 22 of Schedule 14A under the Securities Exchange Act of 1934.

4. Each Fund will disclose in its prospectus the existence, substance, and effect of any order granted pursuant to the application. In addition, each Fund will hold itself out to the public as employing the Management Structure described in the application. The prospectus will prominently disclose that the Adviser has ultimate responsibility (subject to oversight by the Board) to oversee investment subadvisors and recommend their hiring, termination and replacement.

5. No trustee or officer of any Fund, or director or officer of the Adviser will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by any such director, trustee, or officer) any interest in an investment subadvisor except for: (i) Ownership of interests in the Adviser or any entity that controls, is controlled by, or under common control with the Adviser; or (ii) ownership of less than 1% of the outstanding securities of any class of equity or debt securities of any publicly-traded company that is either an investment subadvisor or an entity that controls, is controlled by or is under common control with an investment subadvisor.

6. The Adviser will not enter into investment subadvisory agreements on behalf of a Fund with any affiliated investment subadvisor without such agreement, including the compensation to be paid under the agreement, being approved by the shareholders of the applicable Fund.

7. At all times, at least a majority of the Board will be Independent Trustees, and the nomination of new or additional Independent Trustees will be placed within the discretion of the then-existing Independent Trustees.

8. When a change of investment subadvisor is proposed for a Fund with an affiliated investment subadvisor, the

Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the minutes of meetings of the Board, that any such change of investment subadvisors is in the best interest of the Fund and its shareholders and does not involve a conflict of interest from which the Adviser or the affiliated investment subadvisor derives an inappropriate advantage.

9. In the event the Commission adopts a rule under the Act providing substantially similar relief to that in the requested order, the requested order will expire on the effective date of that rule.

For the Commission, by the Division of Investment Management, under delegated authority.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61043; File No. SR-NYSE-2009-116]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing of Proposed Rule Change to Increase the Ceiling on Its Equity Ownership Interest in BIDS Holdings L.P. to Less Than 10%

November 20, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that, on November 18, 2009, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to increase the ceiling on the Exchange's equity ownership interest in BIDS Holdings L.P. ("BIDS"), a member of the Exchange, to less than 10% from the current level of less than 9%, pursuant to the pilot program that provides an exception to NYSE Rule 2B by permitting such equity ownership as

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

well as allowing BIDS's affiliation with the New York Block Exchange LLC, an affiliate of the Exchange.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 22, 2009, the Commission approved the governance structure proposed by the Exchange with respect to the New York Block Exchange ("NYBX"), a new electronic trading facility of the Exchange for NYSE-listed securities that was established by means of a joint venture between the Exchange and BIDS.³ The governance structure that was approved is reflected in the Limited Liability Company Agreement of New York Block Exchange LLC (the "Company"), the entity that owns and operates NYBX. Under the governance structure approved by the Commission, the Exchange and BIDS each own a 50% economic interest in the Company. In addition, the Exchange, through its wholly-owned subsidiary NYSE Market, Inc. ("NYSE Market"), owns less than 9% of the aggregate limited partnership interest in BIDS, which became a member of the Exchange in connection with the establishment of NYBX.

The foregoing ownership arrangements would violate NYSE Rule 2B without an exception from the Commission.⁴ First, the Exchange's indirect ownership interest in BIDS violates the prohibition in Rule 2B

against the Exchange maintaining an ownership interest in a member organization. Second, BIDS is an affiliate of an affiliate of the Exchange,⁵ which violates the prohibition in Rule 2B against a member of the Exchange having such status. Consequently, in the Approval Order, the Commission permitted an exception to these two potential violations of NYSE Rule 2B, subject to a number of limitations and conditions. One of the conditions for Commission approval was that: "[t]he proposed exception from NYSE Rule 2B to permit NYSE's ownership/interest in BIDS and BIDS's affiliation with the Company (which is an affiliate of NYSE) would be for a pilot period of 12 months."⁶ Noting that "NYSE Market currently owns less than a 9% equity interest in BIDS," the Approval Order stated as another condition for Commission approval that: "NYSE, or any of its affiliates, may not directly or indirectly increase such equity interest without prior Commission approval."⁷

The Exchange is proposing an increase in the ceiling on its equity ownership in BIDS from the current limit of less than 9% to a new limit of less than 10%. The purpose of the increase is to allow the Exchange to participate in a new round of capital raising by BIDS without inadvertently exceeding the current limit. BIDS is offering its members the opportunity to invest, on a pro rata basis, in a new class of preferred equity interests. The Exchange has determined that, based on its expectations regarding the participation of certain other BIDS members in the offering, full participation by the Exchange could result in a slight increase in its percentage of equity ownership to a number somewhere between 9% and 10%. The Exchange does not believe that this slight increase in its equity ownership of BIDS is material, but it is nonetheless required by the terms of the Approval Order to obtain Commission approval for such an increase. Other than this non-material increase in the ceiling for the Exchange's equity ownership of BIDS, all of the other limitations and conditions required by the terms of the Approval Order for the exception to NYSE Rule 2B will continue to be applicable during the pilot period.⁸

⁵ Specifically, the Company is an affiliate of the Exchange, and BIDS is an affiliate of the Company. The affiliation in each case is the result of the 50% ownership interest in the Company by each of the Exchange and BIDS.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)⁹ of the Act,¹⁰ in general, and furthers the objectives of Section 6(b)(1)¹¹ of the Act, which requires a national securities exchange to be so organized and have the capacity to carry out the purposes of the Act and to comply, and to enforce compliance by its members and persons associated with its members, with the provisions of the Act. The proposed rule change is also consistent with, and furthers the objectives of Section 6(b)(5)¹² of the Act, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

In the Approval Order, the Commission determined that: "the proposed exception from NYSE Rule 2B to permit NYSE's ownership interest in BIDS and BIDS's affiliation with the Company is consistent with the Act. In particular, the Commission finds that the proposal is consistent with Section 6(b)(5) of the Act * * *" ¹³ As the basis for its determination, the Commission cited the specific limitations and conditions listed in the Approval Order to which its approval of the exception to NYSE Rule 2B was subject,¹⁴ stating: "These conditions appear reasonably designed to mitigate concerns about potential conflicts of interest and unfair competitive advantage. * * * These conditions appear reasonably designed to promote robust and independent regulation of BIDS. * * * The Commission believes that, taken together, these conditions are reasonably designed to mitigate potential conflicts between the Exchange's commercial interest in BIDS and its regulatory responsibilities with respect to BIDS."¹⁵ Other than the small, non-material increase of one percentage point in the ceiling on its equity ownership of BIDS that the Exchange is proposing, all of the other limitations and conditions will continue to be applicable during the pilot

⁴ NYSE Rule 2B provides, in relevant part, that: "[w]ithout prior SEC approval, the Exchange or any entity with which it is affiliated shall not, directly or indirectly, acquire or maintain an ownership interest in a member organization. In addition, a member organization shall not be or become an affiliate of the Exchange, or an affiliate of any affiliate of the Exchange. * * * The term affiliate shall have the meaning specified in Rule 12b–2 under the Act."

period.¹⁶ Consequently, the Exchange believes that the exception from NYSE Rule 2B described above will continue to be consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve the proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.
