In accordance with 19 CFR 351.213(b), an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review. In addition, a domestic interested party or an interested party described in section 771(9)(B) of the Act must state why it desires the Secretary to review those particular producers or exporters.<sup>2</sup> If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Please note that, for any party the Department was unable to locate in prior segments, the Department will not accept a request for an administrative review of that party absent new information as to the party's location. Moreover, if the interested party who files a request for review is unable to locate the producer or exporter for which it requested the review, the interested party must provide an explanation of the attempts it made to locate the producer or exporter at the same time it files its request for review, in order for the Secretary to determine if the interested party's attempts were reasonable, pursuant to 19 CFR 351.303(f)(3)(ii).

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to

the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. *See also* the Import Administration Web site at <http://ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Duty Operations, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of December 2009. If the Department does not receive, by the last day of December 2009, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period, of the order, if such a gap period is applicable to the POR.

This notice is not required by statute but is published as a service to the international trading community.

Dated: November 23, 2009.

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** December 1, 2009.

**FOR FURTHER INFORMATION CONTACT:** Patrick Edwards or Dena Crossland, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-8029 or (202) 482-3362, respectively.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On April 27, 2009, the Department of Commerce (the Department) published a notice of initiation of administrative review of the antidumping duty order on certain hot-rolled flat-rolled carbon quality steel products from Brazil. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 74 FR 19042 (April 27, 2009). The period of review is March 1, 2008, through February 28, 2009, and the preliminary results are currently due no later than December 1, 2009. The review covers entries of subject merchandise produced/exported by Usinas Siderurgicas de Minas Gerais (USIMINAS) and Companhia Siderurgica Paulista (COSIPA).<sup>1</sup>

<sup>1</sup> In prior segments of this proceeding, the Department treated USIMINAS and COSIPA as affiliated parties and collapsed these entities. *See, e.g., Notice of Final Determination of Sales at Less*

<sup>2</sup> If the review request involves a non-market economy and the parties subject to the review request do not qualify for separate rates, all other exporters of subject merchandise from the non-market economy country who do not have a separate rate will be covered by the review as part of the single entity of which the named firms are a part.

**Extension of Time Limit for Preliminary Results**

Pursuant to section 751(a)(3)(A) of Tariff Act of 1930, as amended (the Act), the Department shall make a preliminary determination in an administrative review of an antidumping order within 245 days after the last day of the anniversary month of the date of publication of the order. Section 751(a)(3)(A) of the Act further provides, however, that the Department may extend the 245-day period up to 365 days if it determines it is not practicable to complete the review within the foregoing time period. We determine that it is not practicable to complete this administrative review within the time limits mandated by section 751(a)(3)(A) of the Act due to the complexity of the issues involved and the need to solicit more information from USIMINAS, regarding its affiliations and certain components of its claimed expenses and their calculation. Therefore, we have fully extended the deadline for completing the preliminary results by 120 days, to not later than March 31, 2010, in accordance with section 751(a)(3)(A) of the Act. The deadline for the final results of the review continues to be 120 days after the publication of the preliminary results.

This extension notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: November 23, 2009.

**SUPPLEMENTARY INFORMATION:****Background**

On July 9, 2009, the Department of Commerce ("Department") published in the **Federal Register** the preliminary results of the 2007-2008 administrative review of the antidumping duty order on silicon metal from the People's Republic of China ("PRC"), covering the period June 1, 2007, through May 31, 2008. *See Silicon Metal from the People's Republic of China: Preliminary Results and Preliminary Rescission, in Part, of Antidumping Duty Administrative Reviews*, 74 FR 32,885 (July 9, 2009). On October 29, 2009, the Department published a notice extending the deadline for the final results of the 2007-2008 administrative review of silicon metal from the PRC. *See Silicon Metal from the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the 2007-2008 Administrative Review*, 74 FR 55,811 (October 29, 2009). The final results are currently due no later than December 7, 2009.

**Extension of Time Limit for the Final Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires that the Department issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published. On October 29, 2009, the Department extended the deadline of the final results by 31 days. Thus, the Department may extend the deadline of the final results by an additional 29 days.

The Department requires additional time to properly consider the issues raised by interested parties regarding the treatment of Export Tax, Value-Added Tax, surrogate values for factors of production, and numerous company-specific issues. Thus, it is not practicable to complete this review by December 7, 2009. Therefore, the Department is extending the time limit

for completion of the final results of this review by an additional 29 days, in accordance with section 751(a)(3)(A) of the Act. The final results are now due no later than January 5, 2010.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
