SUPPLEMENTARY INFORMATION:

I. Background

In accordance with the Privacy Act of 1974, the Department of Homeland Security (DHS) proposes to amend a U.S. Immigration and Customs Enforcement (ICE) system of records titled DHS/ICE-004 Bond Management Information System (73 FR 52865, Sept. 11, 2008) to expand the categories of records and to update the address of one of the system managers. This system of records contains paper and electronic records maintained by ICE to support its immigration bond administration and financial management activities related to the immigration bonds that are posted for detained aliens. The system of records is being amended to include the collection of certain additional information about individuals who post cash bonds for the release of detained aliens in ICE custody (called "obligors"), specifically the obligor's citizenship or immigration status, and the type and number of government-issued identification used by the obligor when posting the cash bond.

Some of the information in this system of records is maintained in BMIS-Web, an immigration bond management database used by the ICE Office of Financial Management to track the life cycle of immigration bonds from the time an individual posts the bond at an ICE Detention and Removal Operations (DRO) field office until the bond is considered closed. The BMIS Web PIA was recently updated to reflect (1) the collection of additional information from the obligor as described above, (2) the establishment of new system connections with the ICE eBONDS application and ICE Federal Financial Management System (FFMS), and (3) the termination of a system connection due to the retirement of an ICE system known as the Debt Collection System (DCOS). The BMIS Web PIA Update is available on the Department of Homeland Security (DHS) Privacy Office Web site at www.dhs.gov/privacy.

II. Privacy Act

The Privacy Act embodies fair information principles in a statutory framework governing the means by which the United States Government collects, maintains, uses, and disseminates personally identifiable information. The Privacy Act applies to information that is maintained in a "system of records." A "system of records" is a group of any records under the control of an agency for which information is retrieved by the name of an individual or by some identifying number, symbol, or other identifying particular assigned to the individual. In the Privacy Act, an individual is defined to encompass United States citizens and lawful permanent residents. As a matter of policy, DHS extends administrative Privacy Act protections to all individuals where systems of records maintain information on U.S. citizens, lawful permanent residents, and visitors. Individuals may request access to their own records that are maintained in a system of records in the possession or under the control of DHS by complying with DHS Privacy Act regulations, 6 CFR part 5.

The Privacy Act requires each agency to publish in the Federal Register a description denoting the type and character of each system of records that the agency maintains, and the routine uses that are contained in each system in order to make agency record keeping practices transparent, to notify individuals regarding the uses to which personally identifiable information is put, and to assist individuals to more easily find such files within the agency. Below is the description of the BMIS system of records.

In accordance with 5 U.S.C. 552a(r), DHS has provided a report of this amended system of records to the Office of Management and Budget and to Congress.

2. DHS has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of this system or other systems or programs (whether maintained by DHS or another agency or entity) that rely upon the compromised information, or harm to the individual; and

Specifically, exceptions were granted to the San Antonio Housing Authority in San Antonio, Texas, for the purchase and installation of a Variable Refrigerant Volume (VRV) heat recovery system for the Lewis Chatham modernization project, and to the Housing Authority of Portland, in Portland, Oregon, for the purchase of Farbo Marmoleum flooring for several modernization projects.

FOR FURTHER INFORMATION CONTACT: Dominique G. Blom, Deputy Assistant Secretary for Public Housing Investments, Office of Public Housing Investments, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 7th Street, SW., Room 4210, Washington, DC, 20410-4000, telephone number 202-402-8500 (this is not a toll-free number). Persons with hearing- or speech-impairments may access this number through TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

SUPPLEMENTARY INFORMATION: Section 1605(a) of the Recovery Act imposes a

“Buy American” requirement on Recovery Act funds used for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States. Section 1605(b) provides that the Buy American requirement shall not apply in any case or category in which the head of a Federal department or agency finds that: (1) Applying the Buy American requirement would be inconsistent with the public interest; (2) iron, steel, and the relevant manufactured goods are not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality, or (3) inclusion of iron, steel, and manufactured goods will increase the cost of the overall project by more than 25 percent. Section 1605(c) provides that if the head of a Federal department or agency makes a determination pursuant to section 1605(b), the head of the department or agency shall publish a detailed written justification in the **Federal Register**.

In accordance with section 1605(c) of the Recovery Act and OMB’s implementing guidance published on April 23, 2009 (74 FR 18449), this notice advises the public that, on December 4, 2009, HUD granted the following two exceptions to the Buy American requirement:

1. *San Antonio Housing Authority.* Upon request of the San Antonio Housing Authority, HUD granted an exception to applicability of the Buy American requirements with respect to work, using CFRFC grant funds, in connection with the Lewis Chatham modernization project. The exception was granted by HUD on the basis that the relevant manufactured good is not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality.

2. *Housing Authority of Portland.* Upon request of the Housing Authority of Portland, HUD granted an exception to applicability of the Buy American requirements with respect to work, using CFRFC grant funds, in connection with several modernization projects to replace the flooring. The exception was granted by HUD on the basis that the relevant manufactured goods are not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality.
