

All submissions should refer to File Number SR–FINRA–2009–090. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of FINRA. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR–FINRA–2009–090 and should be submitted on or before January 12, 2010.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁴

Florence E. Harmon,

Deputy Secretary.

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA–2009–0344]

Agency Information Collection Activities; Revision of a Currently-Approved Information Collection Request: Financial Responsibility for Motor Carriers of Passengers and Motor Carriers of Property

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995

(PRA), FMCSA announces its plan to submit the Information Collection Request (ICR) described below to the Office of Management and Budget (OMB) for its review and approval. The FMCSA requests approval to revise and extend an information collection request (ICR) entitled, “*Financial Responsibility for Motor Carriers of Passengers and Motor Carriers of Property*.” The information collected will be used to help ensure that motor carriers of passengers and motor carriers of property maintain appropriate levels of financial responsibility to operate on public highways. On October 19, 2009, FMCSA published a **Federal Register** notice (74 FR 53543) allowing for a 60-day comment period on the revision of this ICR. No comments were received in response to the notice.

DATES: Please send your comments by January 21, 2010. OMB must receive your comments by this date in order to act quickly on the ICR.

ADDRESSES: All comments should reference Federal Docket Management System (FDMS) Docket Number FMCSA–2009–0344. Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/Office of the Secretary, and sent via electronic mail to oira_submission@omb.eop.gov, or faxed to (202) 395–6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street, NW., Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Ms. Dorothea Grymes, Commercial Enforcement Division, Federal Motor Carrier Safety Administration, West Building 6th Floor, 1200 New Jersey Avenue, SE., Washington, DC 20590. Telephone: 202–385–2405; e-mail: dorothea.grymes@dot.gov.

SUPPLEMENTARY INFORMATION: *Title:* Financial Responsibility for Motor Carriers of Passengers and Motor Carriers of Property.

OMB Control Number: 2126–0008.

Type of Request: Revision of a currently-approved information collection.

Respondents: Insurance and surety companies of motor carriers of property (Forms MCS–90 and MCS–82) and motor carriers of passengers (Forms MCS–90B and MCS–82B).

Estimated Number of Respondents: 175,338.

Estimated Time per Response: The FMCSA estimates it takes two minutes to complete the Endorsement for Motor Carrier Policies of Insurance for Public Liability or three minutes for the Motor Carrier Public Liability Surety Bond; and one minute to place either document on board the vehicle (foreign-domiciled motor carriers only) [49 CFR 387.7(f)]. These endorsements, and any written decision or order authorizing a motor carrier to self-insure are maintained at the motor carrier's principal place of business [49 CFR 387.7(d)].

Expiration Date: March 31, 2010.

Frequency of Response: Upon creation, change or replacement of an insurance policy or surety bond.

Estimated Total Annual Burden: 4,056 burden hours [182 hours (5,469 responses × 2 minutes/60 minutes) for Passenger Carriers insurance endorsements + 3,401 hours (102,027 responses × 2 minutes/60 minutes) for Property Carriers insurance endorsements + 33 hours (652 responses × 3 minutes/60 minutes) for Property Carriers Surety Bonds] + 440 hours (25,896 responses by Canada-domiciled carriers + 494 responses by Mexico- and Non-North America-domiciled carriers × 1 minute/60 minutes) for placing financial responsibility documents in all vehicles operated within the U.S. by motor carriers domiciled in Canada, Mexico, and Non-North America (NNA)].

Background: The Secretary is responsible for implementing regulations which establish minimal levels of financial responsibility for: (1) For-hire motor carriers of property to cover public liability, property damage and environment restoration, and (2) for-hire motor carriers of passengers to cover public liability and property damage. The Endorsement for Motor Carrier Policies of Insurance for Public Liability (Forms MCS–90/90B) and the Motor Carrier Public Liability Surety Bond (Forms MCS–82/82B) contain the minimum amount of information necessary to document that a motor carrier of property or passengers has obtained, and has in effect, the minimum levels of financial responsibility as set forth in applicable regulations (motor carriers of property—49 CFR 387.9; and motor carrier of passengers—49 CFR 387.33). FMCSA and the public can verify that a motor carrier of property or passengers has obtained, and has in effect, the required minimum levels of financial responsibility, by use of the information enclosed within these documents.

Public Comments Invited: You are asked to comment on any aspect of this

¹⁴ 17 CFR 200.30–3(a)(12).

information collection, including: (1) Whether the proposed collection is necessary for the FMCSA's performance; (2) the accuracy of the estimated burden; (3) ways for the FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information.

Issued on: December 15, 2009.

David Anewart,

Acting Associate Administrator for Research and Information Technology.

BILLING CODE 4910-EX-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Agency Information Collection Activity Seeking OMB Approval

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice

SUMMARY: The FAA invites public comments about our intention to request the Office of Management and Budget's (OMB) revision of a current information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on October 16, 2009, vol. 74, no. 199, page 53311. The information collected is needed for the applicant's noise certification compliance report in order to demonstrate compliance with 14 CFR part 36.

DATES: Please submit comments by January 21, 2010.

FOR FURTHER INFORMATION CONTACT: Carla Mauney at Carla.Mauney@faa.gov.

SUPPLEMENTARY INFORMATION:

Federal Aviation Administration (FAA)

Title: Noise Certification Standards for Subsonic Jet Airplanes and Subsonic Transport Category Large Airplanes.

Type of Request: Extension without change of a currently approved collection.

OMB Control Number: 2120-0659.

Forms(s): There are no FAA forms associated with this collection.

Affected Public: An estimated 10 Respondents.

Frequency: This information is collected on occasion.

Estimated Average Burden per Response: Approximately 135 hours per response.

Estimated Annual Burden Hours: An estimated 1,350 hours annually.

Abstract: Sections A36.5.2 and A36.5.2.5 of the Federal Aviation Administration (FAA) noise certification standards for subsonic jet airplanes and subsonic transport category large airplanes (14 CFR part 36) contain information collection requirements. The information collected is needed for the applicant's noise certification compliance report in order to demonstrate compliance with part 36.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to oir_submission@omb.eop.gov, or faxed to (202) 395-6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street, NW., Washington, DC 20503.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimates of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued in Washington, DC, on December 14, 2009.

Carla Mauney,

FAA Information Collection Clearance Officer, IT Enterprises Business Services Division, AES-200.
