Food Safety and Inspection Service

Title: Be Food Safe Campaign Pilot
 Survey.

OMB Control Number: 0583-New.

Summary of Collection: The Food
 Safety and Inspection Service (FSIS) has
 been delegated the authority to exercise
 the functions of the Secretary as
 provided in the Federal Meat Inspection
 Act (FMIA) (21 U.S.C. 601 *et seq.*), the
 Poultry Products Inspection Act (PPIA)
 (21 U.S.C. 451 *et seq.*), and the Egg
 Products Inspection Act (EPIA) (21
 U.S.C. 1031 *et seq.*). These statutes
 mandate that FSIS protect the public by
 verifying that meat and poultry products
 are safe, wholesome, unadulterated, and
 properly labeled and packaged. FSIS has
 established the *Be Food Safe* campaign
 to educate consumers about the
 importance of safe food handling and
 how to reduce the risks associated with
 foodborne illness. As a part of the *Be
 Food Safe* campaign, the Agency plans
 to purchase advertising in Oklahoma
 City mass media outlets to promote safe
 food handling messages to consumers
 and to measure consumer awareness
 and response. The Campaign will be
 targeted at women, aged 25 to 49, who
 are caregivers for children under the age
 of 10 or for older adults. FSIS will
 collect information using two surveys
 (pre and post).

Need and Use of the Information: The
 data collected in the surveys will allow
 FSIS to examine what knowledge
 members of the target audience had
 about food safety before the campaign,
 whether they were aware of the
 campaign and, if they were, whether
 they changed any food preparation
 behaviors as a result. The information
 collected will be used to refine the
 campaign's messages, materials, and

approaches in order to improve its
 overall effectiveness.

Description of Respondents:
 Individuals or households.

Number of Respondents: 800.

Frequency of Responses: Reporting:
 Other (once).

Total Burden Hours: 88.

SUPPLEMENTARY INFORMATION:

I. Abstract

EDA's mission is to lead the federal economic development agenda by promoting innovation and competitiveness, preparing American regions for growth and success in the

worldwide economy. To accomplish this mission, EDA administers several programs authorized under the Public Works and Economic Development Act of 1965 (42 U.S.C. 3121 *et seq.*) (PWEDA) and under chapters 3, 4, and 5 of the Trade Act of 1974 (19 U.S.C. 2341 *et seq.*) (Trade Act)).

The Trade and Globalization Adjustment Assistance Act (TGAAA), part of the American Recovery and Reinvestment Act of 2009, amended chapter 4 of the Trade Act to establish the Community Trade Adjustment Assistance (Community TAA) Program, which is designed to assist U.S. communities suffering negative effects from trade impacts and will be administered by EDA.

The amended Trade Act requires that a community have a Cognizable Certification, which is a certification by the Secretaries of Labor, Commerce, or Agriculture under the TAA for Workers, Firms, or Farmers programs, respectively and petition for EDA to make an Affirmative Determination that a community is significantly affected by the threat to, or loss of, jobs associated with the Cognizable Certification as a threshold before receiving a grant under the program. EDA plans to make such petitions as minimally burdensome as possible and to process petitions using the OMB-approved Application for Federal Assistance (Form SF-424) to reduce confusion and ensure standard information. EDA intends to request that a petitioning community complete Items 1-16 and 21 of Form SF-424. For Item 15, recipients will be required to complete a formula provided by EDA using their Civilian Labor Force (CLF) data, which is readily available from the Bureau of Labor Statistics, and provide a brief narrative describing the threat to, or loss of, jobs associated with a Cognizable Certification.

Applicants also must identify the applicable Cognizable Certification upon which the community bases its petition or petition-application. For TAA Workers Cognizable Certifications, the applicant community must provide the TAA petition number associated with the Department of Labor's certification decision. For TAA for Firms certifications, the applicant community must provide the name of the firm certified under the program and locator number in the official notification letter provided by the Department of Commerce to the certified firm. For TAA for Farmers certifications, the applicant community must provide the name of the certified agricultural commodity and the record identifier provided by the Department of Agriculture. Recipients do not have to
