

in all trading sessions and to deter and detect violations of Exchange rules and applicable federal securities laws. Pursuant to NYSE Arca Equities Rule 8.201(h), the Exchange is able to obtain information regarding trading in the Shares and the underlying platinum, platinum futures contracts, options on platinum futures, or any other platinum derivative, through ETP Holders acting as registered Market Makers, in connection with such ETP Holders' proprietary or customer trades which they effect on any relevant market. In addition, the Exchange may obtain trading information via the Intermarket Surveillance Group ("ISG") from other exchanges who are members of the ISG.

(3) Prior to the commencement of trading, the Exchange will inform its ETP Holders in an Information Bulletin of the special characteristics and risks associated with trading the Shares. Specifically, the Information Bulletin will discuss the following: (a) The procedures for purchases and redemptions of Shares in Baskets (including noting that Shares are not individually redeemable); (b) NYSE Arca Equities Rule 9.2(a), which imposes a duty of due diligence on its ETP Holders to learn the essential facts relating to every customer prior to trading the Shares; (c) how information regarding the IIV is disseminated; (d) the requirement that ETP Holders deliver a prospectus to investors purchasing newly issued Shares prior to or concurrently with the confirmation of a transaction; (e) the possibility that trading spreads and the resulting premium or discount on the Shares may widen as a result of reduced liquidity of platinum trading during the Core and Late Trading Sessions after the close of the major world platinum markets; and (f) trading information.

This approval order is based on the Exchange's representations.

For the foregoing reasons, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act¹⁴ and the rules and regulations thereunder applicable to a national securities exchange.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁵ that the proposed rule change (SR-NYSEArca-2009-95), be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁶

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61215; File No. SR-NSCC-2009-10]

Self-Regulatory Organizations; National Securities Clearing Corporation; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change Regarding National Securities Clearing Corporation's Board of Directors Election Process and Delegation Authority

December 22, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on December 16, 2009, National Securities Clearing Corporation ("NSCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which items have been prepared primarily by NSCC. The Commission is publishing this notice and order to solicit comments on the proposed rule change from interested persons and to grant approval on an accelerated basis.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NSCC's parent company, The Depository Trust & Clearing Corporation ("DTCC") intends in the future to consider nominating for election to its Board of Directors candidates that are not participants of its clearing agency subsidiaries ("non-participant candidates").² Because certain of DTCC's organizational documents mandate that the directors of DTCC shall be the same as the directors of NSCC, in the future NSCC's Board of Directors may include directors who are not employees of its participants ("non-participant directors").

In addition, the rules of NSCC are being revised to allow the Board to delegate certain responsibilities.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NSCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NSCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.³

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

DTCC has in the past nominated for election to its Board of Directors employees of its clearing corporation subsidiaries' participants. In the future, DTCC intends to consider nominating for election to its Board of Directors people who are not employees of its clearing corporation subsidiaries' participants ("non-participant candidates"). Because certain of DTCC's organizational documents mandate that the directors of DTCC shall be the same as the directors of NSCC, in the future NSCC's Board may include directors who are not employees of its participants ("non-participant directors"). NSCC believes that non-participant directors may bring additional skills and expertise and introduce different perspectives to its Board.

In addition, the rules of NSCC currently assign to its Board certain responsibilities such as, for example, responsibilities related to approving membership applications and other related matters. NSCC is revising its rules to allow its Board to delegate such responsibilities.⁴

These changes will conform NSCC's rules and practices to the rules and practices of DTCC's other clearing corporation subsidiaries—The Depository Trust Company and Fixed Income Clearing Corporation.

NSCC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act and the rules and regulations thereunder applicable to NSCC because NSCC's rules will continue to provide for a fair representation of its participants in the selection of its

directors and in the administration of its affairs and will enable NSCC to act in a more expedient manner and therefore, to better promote the prompt and accurate clearing and settlement of securities transactions.

(B) Self-Regulatory Organization's Statement on Burden on Competition

NSCC does not believe that the proposed rule change would have any impact on or impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments relating to the proposed rule change have not yet been solicited or received. NSCC will notify the Commission of any written comments received by NSCC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Section 17A(b)(3)(C) of the Act requires that the rules of a clearing agency assure a fair representation of its shareholders (or members) and participants in the selection of its directors and administration of its affairs. The Commission has previously found that NSCC's participants are fairly represented in the selection of its Board and in the administration of its affairs.⁵ This rule change should not have any adverse effect on NSCC's participants' representation in the selection of NSCC's Board or in the administration of NSCC's affairs. The Commission also recognizes that it may benefit NSCC to have non-participants directors on its Board because such directors may provide skills or perspectives not possessed by participant directors. Therefore, the Commission finds that NSCC's proposed rule change to have non-participant directors serve on its Board should provide benefits while continuing to provide for the fair representation of NSCC's participants in the selection of its directors and administration of its affairs.

Section 17A(b)(3)(F) of the Act requires that the rules of a clearing agency are designed to promote the prompt and accurate clearing and settlement of securities transactions. The Commission finds that by providing its Board with additional authority to delegate certain of its responsibilities, such as, for example, responsibilities related to approving membership

applications and other related matters, NSCC will be able to act in a more expedient manner and therefore, better able to promote the prompt and accurate clearing and settlement of securities transactions.

NSCC has requested that the Commission approve this rule change prior to the thirtieth day after the date of publication of notice of the filing. The Commission finds good cause for approving the proposed rule change prior to the thirtieth day after publication of notice because by so approving NSCC will be able to implement the rule change in time to include non-participant directors on its Board for the 2010 Board term.

IV. Solicitation of Comments

You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NSCC-2009-10 and should be submitted on or before January 19, 2010.

V. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular with the requirements of Section 17A of the Act and the rules and regulations thereunder applicable.⁶

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR-NSCC-2009-10) be, and hereby is, approved on an accelerated basis.

For the Commission by the Division of Trading and Markets, pursuant to delegated authority.⁷
