SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61218; File No. SR-NYSEAmex-2009-90]

Self-Regulatory Organizations; NYSE Amex LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Its Fee Schedule

December 22, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 16, 2009, NYSE Amex LLC ("NYSE Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the section of its Schedule of Fees and Charges for Exchange Services. The text of the proposed rule change is attached as Exhibit 5 to the 19b-4 form. The text of the proposed rule change is available on the Exchange's Web site at <http://www.nyse.com>, on the Commission's Web site at <http://www.sec.gov>, at NYSE Amex, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for,

the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange recently introduced automated complex order trading for all market participants on NYSE Amex. In conjunction with that functionality, the Exchange introduced new transaction fees specific to Complex Order executions. Pursuant to this filing, the Exchange proposes to clarify the Schedule by deleting language that states, "Complex Orders in Penny Pilot Issues, executed against individual orders in the Consolidated Book will be subject to "Take Liquidity" rate per contract for that issue." This language was inadvertently included as part of a prior fee filing and is not applicable to the current NYSE Amex fee structure. NYSE Amex does not offer a post/take pricing structure, so reference to a "Take Liquidity" rate is inapplicable and misleading. Consistent with the current practice, complex orders in Penny Pilot issues, like all other issues, will be subject to the standard execution rate per contract pricing.

2. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act, in general, and Section 6(b)(4), in particular, in that it provides for the equitable allocation of dues, fees and other charges among its members. Under this proposal, all similarly situated Exchange participants will be charged the same reasonable dues, fees and other charges.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is effective upon filing pursuant to Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ because it establishes a due, fee, or other charge imposed by NYSE Arca on its members.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–61220; File No. SR–NYSEArca–2009–94]

Self-Regulatory Organizations; NYSE Arca, Inc.; Order Granting Approval of Proposed Rule Change Relating To Listing and Trading Shares of the ETFs Palladium Trust

December 22, 2009.

I. Introduction

On October 20, 2009, NYSE Arca, Inc. (“NYSE Arca” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b–4 thereunder,² a proposed rule change to list and trade shares (“Shares”) of the ETFs Palladium Trust (the “Trust”). The proposed rule change was published for comment in the **Federal Register** on November 17, 2009.³ The Commission received no comments on the proposal. This order approves the proposed rule change.

II. Description of the Proposal

The Exchange proposes to list and trade the Shares pursuant to NYSE Arca Equities Rule 8.201, which governs the listing and trading of Commodity-Based Trust Shares. The Exchange represents that the Shares satisfy the requirements of NYSE Arca Equities Rule 8.201 and thereby qualify for listing on the Exchange.

The Shares represent units of fractional undivided beneficial interest in and ownership of the Trust. The investment objective of the Trust is for the Shares to reflect the performance of the price of palladium, less the expenses of the Trust’s operations.⁴

The Exchange deems the Shares to be equity securities, which subjects trading in the Shares to the Exchange’s existing rules governing the trading of equity securities, and has represented that trading in the Shares on the Exchange will occur in accordance with NYSE Arca Equities Rule 7.34(a). The Exchange has also represented that it has appropriate rules to facilitate transactions in the Shares during all trading sessions.

Additional details regarding the Shares and Trust including, among other things, creations and redemptions of the Shares, the organization and structure of the Trust, custody of the Trust’s holdings, Trust expenses, Trust termination events, the international market for palladium, the palladium futures market, the dissemination and availability of information about the underlying assets, trading halts, applicable trading rules, surveillance, and the Information Bulletin can be found in the Notice and/or the Registration Statement.⁵

III. Discussion and Commission’s Findings

After careful consideration, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁶ In particular, the Commission finds that the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act,⁷ which requires, among other things, that the Exchange’s rules be designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market

system, and, in general, to protect investors and the public interest.

In addition, the Commission finds that the proposal to list and trade the Shares on the Exchange is consistent with Section 11A(a)(1)(C)(iii) of the Act,⁸ which sets forth Congress’ finding that it is in the public interest and appropriate for the protection of investors and the maintenance of fair and orderly markets to assure the availability to brokers, dealers and investors of information with respect to quotations for and transactions in securities. Quotation and last-sale information for the Shares will be available via the Consolidated Tape Association CQ High-Speed Lines. The Trust’s Web site will provide the following information: (1) An intraday indicative value (“IIV”) per share for the Shares, updated at least every 15 seconds, as calculated by the Exchange or a third party financial data provider, during the Exchange’s Core Trading Session (9:30 AM to 4:00 PM, Eastern Standard Time); (2) the net asset value (“NAV”) of the Trust as calculated each business day by the Sponsor; (3) the NAV, on a per Share basis, as of the close of the prior business day; (4) the mid-point of the bid-ask price⁹ at the close of trading in relation to such NAV (“Bid/Ask Price”); (5) a calculation of the premium or discount of such price against such NAV; (6) data in chart format displaying the frequency distribution of discounts and premiums of the Bid/Ask Price against the per Share NAV, within appropriate ranges, for each of the four previous calendar quarters; (7) the Creation Basket Deposit; (8) the Trust’s prospectus; (9) the two most recent reports to stockholders; and (10) the last sale price of the Shares as traded in the U.S. market.¹⁰ In addition, the Exchange will make available over the Consolidated Tape quotation information, trading volume, closing prices and NAV for the Shares from the previous day.

The Commission further believes that the proposal to list and trade the Shares is reasonably designed to promote fair disclosure of information that may be necessary to price the Shares appropriately and to prevent trading when a reasonable degree of transparency cannot be assured.

Under NYSE Arca Equities Rule 7.34(a)(5), if the Exchange becomes aware that the NAV is not being
