OMB Control Number: 1210–0123.

Frequency of Collection: On occasion.

Total Estimated Number of Respondents: 2.7 million.

Total Estimated Number of Responses: 8.5 million

Description: On December 19, 2009, President Obama signed the Department of Defense Appropriations Act of 2010 (Pub. L. 111–118), which extends the availability of the health care continuation coverage premium reduction provided for COBRA and other health care continuation coverage as required by the American Recovery and Reinvestment Act (ARRA) of 2009 (Pub. L. 111–5). Assistance eligible individuals now can be eligible for the subsidy if they incur an involuntary termination of employment triggering a COBRA election opportunity by February 28, 2010. Before the extension, Assistance Eligible Individuals had to experience an involuntary termination of employment by December 31, 2009. The length of the premium assistance period also is extended from 9 months to 15 months.

ARRA, as amended, retained the requirement that the Secretary of Labor (the Secretary), in consultation with the Secretaries of the Treasury and Health and Human Services, develop model notices. These models are for use by group health plans and other entities that, pursuant to ARRA, as amended, must provide notices of the availability of premium reductions and additional election periods for health care continuation coverage. The ICR relates to the issuance of the model notices.

Why are we requesting Emergency Processing? If the Department were required to comply with standard PRA clearance procedures, it would not be able to publish the model notices on a timely basis.

Dated: December 24, 2009.

Joseph S. Piacentini,
Acting PRA Clearance Officer.

SUPPLEMENTARY INFORMATION:

I. Background

In 1999, the Department conducted a pilot project under which approximately 200 group health plans were investigated for compliance with Part 7 of the Employee Retirement Income Security Act of 1974 (ERISA). In 2001, the Department initiated the Health Disclosure and Claims Issues: Fiscal Year 2001 Compliance Project, which sought to increase compliance through investigations and improve the Department's ability to provide effective compliance assistance by assessing more comprehensively the extent and nature of compliance with Part 7 of ERISA among group health plans. As a result of that project, the Department broadened its compliance assistance efforts through a combination of publications, outreach, self-audit materials, and other compliance tools. As a follow-up to the Fiscal Year 2001 Compliance Project, the Department proposed to conduct a second project, the HDCI 2 Survey, which was intended to measure changes in compliance with Part 7 of ERISA and to improve the effectiveness of future compliance assistance efforts. As part of the HDCI 2 Survey, the Department proposed to conduct a narrow scope telephone survey for the sole purpose of identifying an appropriate sample of ERISA-covered single-employer group health plans in two categories: (1) Plans sponsored by firms with 3-99 employees, and (2) plans sponsored by firms with 100 or more employees. OMB approved the HDCI 2 Survey on April 27, 2007, under OMB Control Number 1210-0129, which currently is scheduled to expire on April 30, 2010.
