SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59182; File No. SR-CBOE-2008-130]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Options Regulatory Fee

December 30, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 24, 2008, the Chicago Board Options Exchange, Incorporated ("CBOE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by CBOE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CBOE proposes to amend its Fees Schedule relating to the Options Regulatory Fee. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's Office of the Secretary and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

The Exchange recently filed a proposed rule change with the Commission to eliminate Registered Representative Fees and establish a

transaction-based "Options Regulatory Fee" ("ORF").³ Effective January 1, 2009, the Exchange would assess \$.0045 per contract to each member for all options transactions executed by the member that are cleared by The Options Clearing Corporation ("OCC") in the customer range (*i.e.*, that clear in a customer account at OCC), excluding Options Intermarket Linkage Plan ("Linkage") orders. The ORF would be imposed upon all such transactions executed by a member, even if such transactions do not take place on the Exchange. The ORF would be collected indirectly from members through their clearing firms by OCC on behalf of the Exchange.

The Exchange proposes to waive the fee until February 1, 2009. The purpose for the fee waiver is to allow additional time for the Exchange and OCC to implement the procedures to be used by OCC to bill and collect the ORF.

(b) Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 ("Act")⁴ [sic], in general, and furthers the objectives of Section 6(b)(4)⁵ of the Act in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes it is appropriate to waive the ORF pending the implementation of the billing and collection procedures for the ORF.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

³ See Securities Exchange Act Release No. 58817 (October 20, 2008), 73 FR 63744 (October 27, 2008). The ORF is designed to recover a portion of the costs to the Exchange of the supervision and regulation of its members, including performing routine surveillances, investigations, examinations, financial monitoring, and policy, rulemaking, interpretive, and enforcement activities.
