The amendment of the RMP will allow for a one-time exemption for a single utility crossing outside of an established corridor on public lands. BLM's decision authorizes issuance of right-of-way grant to SDG&E for the final environmentally superior southern route alternative as analyzed in the Final Environmental Impact Statement/Environmental Impact Report (EIS/EIR), issued in October 2008. The Environmental Protection Agency published a Notice of Availability of the FEIS/EIR in the **Federal Register** on October 17, 2008 (73 FR 61859).
