SUPPLEMENTARY INFORMATION:

Title: Emergency Relief from Duty-Free Imports of Perishable Products from Andean Countries.

OMB Number: 0551-0033.

Expiration Date of Approval: June 30, 2009.

Type of Request: Extension for a currently approved information collection.

Abstract: The Andean Trade Preference Act, 19 U.S.C. 3201 *et seq.*, was retitled the "Andean Trade Promotion and Drug Eradication Act" (the Act), under section 3101 of Public Law 107-210, the "Trade Act of 2002". The Act authorized the President to

proclaim duty-free treatment for imports from Bolivia, Colombia, Ecuador, and Peru except for specifically excluded products. Section 204(d) provides for emergency relief from duty-free imports of certain perishable agricultural products from the beneficiary Andean countries and, in part, that a petition for emergency import relief may be filed simultaneously with the Secretary of Agriculture and the U.S. International Trade Commission (ITC) pursuant to the provisions of section 201 of the Trade Act of 1974, as amended (19 U.S.C. 2251). Emergency import relief is limited to restoration of most favored nation tariffs during the period of the ITC's investigation. On October 16, 2008, section 208 of Public Law 110-436 amended the Act to extend the expiration date from December 31, 2008 to December 31, 2009. In the case of Ecuador and Bolivia, the President will review on or before June 30, 2009 to determine if both countries satisfy the requirements set forth in Section 203(c) for being designated as a beneficiary country in order to continue to receive benefits through December 31, 2009. Under 7 CFR part 1540, subpart C of this part, a procedure is provided for an entity to submit a petition for emergency relief to the Administrator of FAS. Section 1540.43 requests that the following information, to the extent possible, be included in a petition: A description of the imported perishable product concerned; country of origin of imports; data indicating increased imports are a substantial cause of serious injury (or threat of injury) to the domestic industry producing a like or directly competitive product; evidence of serious injury; and a statement indicating why emergency action would be warranted. The information collected provides essential data for the Secretary regarding specific market conditions with respect to the industry requesting emergency relief. Within 14 days of the filing of a petition, the Secretary shall advise the President if there is reason to believe that emergency action is warranted, or to publish a notice of a determination not to recommend emergency action and advise the petitioner.

Estimate of Burden: Public reporting burden for this collection of information is estimated at \$533.00.

Respondents: Non-profit institutions, businesses, or farms.

Estimated Number of Respondents: 1.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 23 hours.

Copies of the information collection can be obtained from Tamoria

Thompson-Hall, Information Collection Coordinator, at (202) 690-1690.

Requests for Comments: The public is invited to submit comments and suggestions to the above address regarding the accuracy of the burden estimate, ways to minimize the burden, including the use of automated collection techniques or other forms of information technology, or any other aspect of this collection of information. Comments on issues covered by the Paperwork Reduction Act are most useful to the Office of Management and Budget (OMB) if received within 30 days of the publication of the Notice and Request for Comments, but must be submitted no later than 60 days from the date of publication to be assured consideration. SUMMARY: The Plumas National Forest is proposing to charge a new fee for the overnight rental of Black Mountain Lookout. This Lookout has not been available for recreation use prior to this date. Fees are assessed based on the level of amenities and services provided, cost of operation and maintenance, market assessment and public comment. The fee listed is only proposed and final determination will be made upon further analysis and public comment. Rentals of other lookouts on the adjacent National Forests have shown that people appreciate and enjoy the availability of historic rental lookouts. Funds from the rental will be used for the continued operation and maintenance of Black Mountain Lookout, and to develop improvements that benefit visitor's recreation experiences.

DATES: Black Mountain Lookout will become available for recreation rental September, 2009.

ADDRESSES: Alice B. Carlton, Forest Supervisor, Plumas National Forest, 159 Lawrence Street, Quincy, California 95971.

FOR FURTHER INFORMATION CONTACT: Mary Kliejunas, District Archaeologist, or Judy Schaber, Assistant Resource Officer, at 530-836-2575.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established.

This proposed new fee will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation.

This is the Plumas National Forests first lookout rental. Rentals on adjacent Forests are often fully booked throughout their rental season. A business analysis of Black Mountain Lookout rental has shown that people desire having this sort of recreation experience on the National Forest. A market analysis indicates that the \$50 to \$70 per night fee is both reasonable and acceptable for this sort of unique recreation experience.

People wanting to rent Black Mountain Lookout will need to do so through the National Recreation Reservation Service, at <http://www.reserveusa.com> or by calling 1-877-444-6777. The National Recreation Reservation Service charges a \$9 fee for reservations made through the Internet or \$10 for reservations made through the call center.
