Forest Service

Notice of New Fee Site; Federal Lands Recreation Enhancement Act (Title VIII, Pub. L. 108-447)

AGENCY: Forest Service, USDA.

ACTION: Notice of new fee site and solicitation of comments.

SUMMARY: The Grand Mesa, Uncompahgre and Gunnison (GMUG) National Forests proposes to begin charging fees for the overnight rental of three cabins including the Matterhorn Guard Station, the Lone Cone Guard Station and the Alpine Guard Station. Rental of cabins on the GMUG National Forests and other National Forests of Colorado is very popular and shows that the public appreciates and enjoys the use and availability of historic rental cabins. Funds from the rentals will be used for the continued operation and maintenance of the rental cabins. The Matterhorn Guard Station is located in T41N, R9W, Section 5, NMPM, and the Lone Cone Station is located in T42N, R12W, Section 23, NMPM; both are in the Norwood Ranger District. The Alpine Guard Station is located in T46N, R5W, Section 24, NMPM, on the Gunnison Ranger District.

DATES: The sites are expected to become available for rent July 2010. Comments, concerns or questions about this new fee must be submitted by June 30, 2010.

ADDRESSES: Submit written comments, concerns or questions about the new fee for cabin rentals to Grand Mesa, Uncompahgre and Gunnison National Forests, Attn: Cabin Rental Program, 2250 Highway 50, Delta, Colorado 81416.

FOR FURTHER INFORMATION CONTACT: Kathy Peckham, Norwood Recreation Staff Officer, 970-327-4261 for the Matterhorn and Lone Cone Stations; or Leigh Ann Hunt, Forest Archaeologist,

970-874-6691 for the Alpine Guard Station.

SUPPLEMENTARY INFORMATION: The Federal Lands Recreation Enhancement Act (Title VIII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six-month advance notice in the **Federal Register** whenever new recreation fees are established. The intent of this notice is to give the public an opportunity to comment if they have concerns or questions about new fees.

This is an addition to the GMUG National Forest's existing cabin rental program. Other cabin rentals on the GMUG and other National Forests in Colorado are often fully booked throughout the rental season. The GMUG National Forest proposes to rent the cabins for \$100 to \$350 a night, but will conduct a market analysis to determine if the fees are both reasonable and acceptable for this unique recreation experience. People wanting to rent the cabins will need to make advance reservations through the National Recreation Reservation Service at <http://www.Recreation.gov> or by calling 1-877-444-6777. The National Recreation Reservation Service charges a fee for reservations.

Dated: January 4, 2010.

International Trade Administration

Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Sheila E. Forbes, Office of AD/CVD Operations, Customs Unit, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone: (202) 482-4697.

SUPPLEMENTARY INFORMATION:

Background

Each year during the anniversary month of the publication of an antidumping or countervailing duty order, finding, or suspension of investigation, an interested party, as defined in section 771(9) of the Tariff Act of 1930, as amended ("the Act"), may request, in accordance with section 351.213 of the Department of Commerce ("the Department") Regulations, that the Department conduct an administrative review of that antidumping or countervailing duty order, finding, or suspended investigation.

Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews initiated pursuant to requests made for the orders identified below, except for the review of the antidumping duty order on Wooden Bedroom Furniture from the People's Republic of China (A-570-890), the Department intends to select respondents based on U.S. Customs and Border Protection ("CBP") data for U.S. imports during the period of review ("POR").¹ We intend to release the CBP data under Administrative Protective Order ("APO") to all parties having an APO within five days of publication of the initiation notice and to make our decision regarding respondent selection within 20 days of publication of the initiation **Federal Register** notice. Therefore, we encourage all parties interested in commenting on respondent selection to submit their APO applications on the date of publication of the initiation notice, or as soon thereafter as possible. The Department invites comments regarding the CBP data and respondent selection within 10 calendar days of publication of the **Federal Register** initiation notice.

If the Department limits the number of respondents selected for individual examination in the administrative review of the antidumping duty order on wooden bedroom furniture from the People's Republic of China (A-570-

¹ If the Department limits the number of respondents selected for individual examination in the administrative review of the antidumping duty order on Wooden Bedroom Furniture from the People's Republic of China ("PRC") (A-570-890), it intends to select respondents based on responses to quantity and value questionnaires sent to all companies for which the Department initiates a review.

890), it intends to select respondents based on volume data contained in responses to quantity and value questionnaires. Further, the Department intends to limit the number of quantity and value questionnaires issued in the wooden bedroom furniture review based on CBP data for U.S. imports classified under the Harmonized Tariff Schedule of the United States ("HTSUS") headings identified in the scope of the order. Since the units used to measure import quantities are not consistent for the HTSUS headings identified in the scope of the order on wooden bedroom furniture from the People's Republic of

China, the Department will limit the number of quantity and value questionnaires issued based on the import values in CBP data as a proxy for import quantities. Parties subject to the review to which the Department does not send a quantity and value questionnaire may file a response to the quantity and value questionnaire by the applicable deadline if they desire to be included in the pool of companies from which the Department will select mandatory respondents. Additionally, exporters subject to the review to which the Department does not send a quantity and value questionnaire may file a

separate rate application or separate rate certification, as appropriate, by the applicable deadline without filing a response to the quantity and value questionnaire.

In accordance with 19 CFR 351.213(b), an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review. In addition, a domestic interested party or an interested party

described in section 771(9)(B) of the Act must state why it desires the Secretary to review those particular producers or exporters.³ If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis,

which exporter(s) the request is intended to cover.

Please note that, for any party the Department was unable to locate in prior segments, the Department will not accept a request for an administrative review of that party absent new information as to the party's location. Moreover, if the interested party who files a request for review is unable to locate the producer or exporter for which it requested the review, the interested party must provide an explanation of the attempts it made to

² Or the next business day, if the deadline falls on a weekend, federal holiday or any other day when the Department is closed.

³ If the review request involves a non-market economy and the parties subject to the review request do not qualify for separate rates, all other exporters of subject merchandise from the non-

market economy country who do not have a separate rate will be covered by the review as part of the single entity of which the named firms are a part.

locate the producer or exporter at the same time it files its request for review, in order for the Secretary to determine if the interested party's attempts were reasonable, pursuant to section 351.303(f)(3)(ii) of the regulations.

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to the collection of final antidumping duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. *See also* the Import Administration web site at <http://ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Operations, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i), a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of January 2010. If the Department does not receive, by the last day of January 2010, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period, of the order, if such a gap period is applicable to the POR.

This notice is not required by statute but is published as a service to the international trading community.

Dated: January 5, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
