DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Part C Early Intervention Services Grant Under the Ryan White HIV/AIDS Program

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice of Non-competitive Award of Part C Funds for the Tutwiler Clinic, Tutwiler, Mississippi.

SUMMARY: HRSA will be awarding non-competitive Part C funds under The Ryan White HIV/AIDS Program to support comprehensive primary care services for persons living with HIV/AIDS, including primary medical care, laboratory testing, oral health care, outpatient mental health and substance abuse treatment, specialty and subspecialty care, referrals for health and support services and adherence monitoring/education services to the Tutwiler Clinic to ensure continuity of critical HIV medical care and treatment services, to clients in Marks, Mississippi, and the surrounding counties.

SUPPLEMENTARY INFORMATION:

Grantee of record: Deporres Delta Ministries, Marks, Mississippi.

Intended recipient of the award: Tutwiler Clinic, Tutwiler, Mississippi.

Amount of the award: \$357,159 to ensure ongoing clinical services to the target population.

Authority: Section 2651 of the Public Health Service Act, 42 U.S.C. 300ff-51. *CFDA Number:* 93.918

Project period: July 1, 2010 to June 30, 2011. The period of support for this award is from July 1, 2010 to June 30, 2011.

Justification for the Exception to Competition: Critical funding for HIV medical care and treatment services to clients in the Delta area of Mississippi will be continued through a non-

competitive award to the Tutwiler Clinic, because it has the fiscal and administrative infrastructure to administer the Part C Grant. The Tutwiler Clinic will contract with the Northeast Mississippi Medical Center, Clarksdale, Mississippi, which will be taking over the clinic, providers, and staff of Deporres Delta Ministries, and continue providing medical care, including HIV care in Marks, Mississippi. The Northeast Mississippi Medical Center is the only available provider of quality HIV services. This is a temporary replacement award. The previous grant recipient serving this population notified HRSA and the HIV/AIDS Bureau (HAB), that it could not continue providing services after June 30, 2010. HRSA and HAB identified the Tutwiler Clinic as the best qualified entity for this temporary grant. The Clinic is contracting with the Northeast Mississippi Medical Center to ensure comprehensive services are provided to the target population, including primary medical care including antiretroviral therapies; prevention education and medication adherence teaching; referrals for mental health, substance abuse and dental services; and on-site medical HIV case management services. The additional funding provided would enhance retaining the targeted population in care.

The Tutwiler Clinic, contracting with the Northeast Mississippi Medical Center, is able to provide critical services with the least amount of disruption to the service population while the service area is re-competed.

This supplement will cover the time period from July 1, 2010, through June 30, 2011. This service area will be included in the upcoming competition for the Part C HIV Early Intervention Services for project periods starting July, 2011.

Buy American Exceptions Under the American Recovery and Reinvestment Act of 2009

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice.

SUMMARY: In accordance with the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-05, approved February 17, 2009) (Recovery Act), and implementing guidance of the Office of Management and Budget (OMB), this notice advises that certain exceptions to the Buy American requirement of the Recovery Act have been determined applicable for work using Capital Fund Recovery Formula and Competition (CFRFC) grant funds. Specifically, an exception was granted to the Greene County Housing Authority, in White Hall, IL, for the purchase and

installation of 50-amp range receptacles and thermostats for the conversion from gas to electric modification project.

FOR FURTHER INFORMATION CONTACT: Dominique G. Blom, Deputy Assistant Secretary for Public Housing Investments, Office of Public Housing Investments, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 7th Street, SW., Room 4130, Washington, DC 20410-4000, telephone number 202-402-8500 (this is not a toll-free number). Persons with hearing- or speech-impairments may access this number through TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

SUPPLEMENTARY INFORMATION: Section 1605(a) of the Recovery Act provides that none of the funds appropriated or made available by the Recovery Act may be used for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States. Section 1605(b) provides that the Buy American requirement shall not apply in any case or category in which the head of a Federal department or agency finds that: (1) Applying the Buy American requirement would be inconsistent with the public interest; (2) iron, steel, and the relevant manufactured goods are not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality, or (3) inclusion of iron, steel, and manufactured goods will increase the cost of the overall project by more than 25 percent. Section 1605(c) provides that if the head of a Federal

department or agency makes a determination pursuant to section 1605(b), the head of the department or agency shall publish a detailed written justification in the Federal Register.

In accordance with section 1605(c) of the Recovery Act and OMB's implementing guidance published on April 23, 2009 (74 FR 18449), this notice advises the public that, on August 26, 2010, upon request of the Green County Housing Authority, HUD granted an exception to the applicability of the Buy American requirements with respect to work, using CFRFC grant funds, based on the fact that the relevant manufactured goods (50-amp range receptacles and thermostats for the conversion from gas to electric modification project) are not produced in the U.S. in sufficient and reasonably available quantities or of satisfactory quality.
