SUPPLEMENTARY INFORMATION: The DOL is seeking OMB reauthorization of the information collection sponsored by the Employment and Training Administration (ETA) titled, "American Recovery and Reinvestment Act (ARRA) High Growth and Emerging Industries (HGEI) Grants Information Collection.

President Obama signed the ARRA into law by on February 17, 2009. Among other funding directed to the DOL, the ARRA provides \$750 million for a program of competitive grants for worker training and placement in high growth and emerging industries, the ARRA HGEI grants. It is critical to record the impact of these ARRA resources, current information on participants in these grants, and the services provided to them. Therefore, to obtain comprehensive information on participants served by and services provided with ARRA resources, DOL proposes an extension with revisions of an information collection set for ARRA HGEI grantees.

The ARRA HGEI Grants information collection constitutes an information collection within the meaning of the PRA. Under the PRA, a Federal agency generally cannot conduct or sponsor a collection of information unless it is currently approved by the OMB under the PRA and displays a currently valid OMB control number. Furthermore, the public is generally not required to respond to a collection of information unless it displays a currently valid OMB control number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 5 CFR 1320.5(a) and 1320.6.

The DOL obtains OMB approval for this information collection under OMB Control Number 1205–0478. The current OMB approval is scheduled to expire on October 31, 2010. For additional information, see the related notice published in the **Federal Register** on May 17, 2010 (75 FR 27584).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within 30 days of publication of this notice in the Federal Register. In order to ensure the appropriate consideration, comments should reference OMB Control Number 1220–0032. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

• Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Labor Surplus Area Classification Under Executive Orders 12073 and 10582

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: The purpose of this notice is to announce the annual list of labor surplus areas for Fiscal Year (FY) 2011.

DATES: *Effective Date:* The annual list of labor surplus areas is effective October 1, 2010, for all states, the District of Columbia, and Puerto Rico.

FOR FURTHER INFORMATION CONTACT:

Samuel Wright, Office of Workforce Investment, Employment and Training Administration, 200 Constitution Avenue, NW., Room S–4231, Washington, DC 20210. Telephone: (202) 693–2870 (This is not a toll-free number).

SUPPLEMENTARY INFORMATION: The Department of Labor's regulations

implementing Executive Orders 12073 and 10582 are set forth at 20 CFR Part 654, Subparts A and B. These regulations require the Employment and Training Administration (ETA) to classify jurisdictions as labor surplus areas pursuant to the criteria specified in the regulations and to publish annually a list of labor surplus areas. Pursuant to those regulations, ETA is hereby publishing the annual list of labor surplus areas.

In addition, the regulations provide exceptional circumstance criteria for classifying labor surplus areas when catastrophic events, such as natural disasters, plant closings, and contract cancellations are expected to have a long-term impact on labor market area conditions, discounting temporary or seasonal factors.

Eligible Labor Surplus Areas

A Labor Surplus Area (LSA) is a civil jurisdiction that has a civilian average annual unemployment rate during the previous two calendar years of 20 percent or more above the average annual civilian unemployment rate for all states during the same 24-month reference period. Only official unemployment estimates provided to ETA by the Bureau of Labor Statistics are used in making these classifications. The average unemployment rate for all States includes data for the Commonwealth of Puerto Rico. The basic LSA classification criteria include a "floor unemployment rate" (6.0%) and a "ceiling unemployment rate" (10.0%).

Civil jurisdictions are defined as follows:

- (a) A city of at least 25,000 population on the basis of the most recently available estimates from the Bureau of the Census; or
- (b) A town or township in the States of Michigan, New Jersey, New York, or Pennsylvania of 25,000 or more population and which possess powers and functions similar to those of cities; or
- (c) A county, except those counties which contain any type of civil jurisdictions defined in A or B above; or
- (d) A "balance of county" consisting of a county less any component cities and

townships identified in paragraphs A or B above; or

(e) A county equivalent which is a town in the States of Connecticut, Massachusetts, and Rhode Island, or a municipio in the Commonwealth of Puerto Rico.

Procedures for Classifying Labor Surplus Areas

The Department of Labor (DOL) issues the labor surplus area list on a fiscal year basis. The list becomes effective each October 1 and remains in effect through the following September 30. The reference period used in preparing the current list was January 2008 through December 2009. The national average unemployment rate during this period was 7.6 percent. Twenty percent higher than the national unemployment rate of 7.6 percent is a qualifying rate of 9.1 percent. Therefore, areas included on the FY 2011 labor surplus area list had an average unemployment rate of 9.1 percent or above during the reference period. When a civil jurisdiction is part of a county and meets the unemployment qualifier as a labor surplus area, then the balance of county will be used if the balance of county also meets the unemployment criteria of a labor surplus area. Several areas not on this labor surplus list have current unemployment rates that are substantially higher than the unemployment qualifier of 9.1 percent. Most of these areas experienced unemployment rates that were considerably lower than the labor surplus qualifier of 9.1 percent for the first two quarters of 2008. The unemployment rates for most of these areas did not become significantly higher than 9.1 percent until the fourth quarter of 2008 causing the unemployment rate for the reference period to be lower than 9.1 percent. The FY 2011 labor surplus area list can be accessed at the ETA's LSA Web site at http://www.doleta.gov/programs/ lsa.cfm. This year ETA added to the LSA Web site a map of the labor surplus areas, the geography definition of the balance of counties and Frequently Asked Questions.

LABOR SURPLUS AREAS

[October 1, 2010 through September 30, 2011]

Petition for Exceptional Circumstance Consideration

The classification procedures also provide for the designation of labor surplus areas under exceptional circumstance criteria. These procedures permit the regular classification criteria to be waived when an area experiences a significant increase in unemployment which is not temporary or seasonal and which was not reflected in the data for the 2-year reference period. Under the program's exceptional circumstance procedures, labor surplus area classifications can be made for civil jurisdictions, Metropolitan Statistical Areas or Primary Metropolitan Statistical Areas, as defined by the Office of Management and Budget. In order for an area to be classified as a labor surplus area under the exceptional circumstance criteria, the state workforce agency must submit a petition requesting such classification to the Department of Labor's ETA. The current criteria for an exceptional circumstance classification are: an area's unemployment rate of at least 9.1 percent for each of the three most recent months; a projected unemployment rate of at least 9.1 percent for each of the next 12 months; and documentation that the exceptional circumstance event has already occurred. The state workforce agency may file petitions on behalf of civil jurisdictions, as well as Metropolitan Statistical Areas or Micropolitan Statistical Areas. The addresses of state workforce agencies are available on the ETA Web site at: http://www.doleta.gov/programs/ lsa.cfm. State Workforce Agencies may submit petitions in electronic format to wright.samuel.e@dol.gov, or in hard copy to the U.S. Department of Labor, Employment and Training Administration, Office of Workforce Investment, 200 Constitution Avenue, NW., Room S-4231, Washington, DC 20210. Data collection for the petition is approved under OMB 1205-0207, expiration date March 31, 2012.

Signed at Washington, DC, this 5th day of October 2010.

Iane Oates.

Assistant Secretary for Employment and Training Administration.

MERIT SYSTEMS PROTECTION BOARD

Oral Argument

AGENCY: Merit Systems Protection

Board.

ACTION: Notice.

SUMMARY: Notice is hereby given of the scheduling of oral argument in the matters of: Hyginus U. Aguzie v. Office of Personnel Management, MSPB Docket Number DC-0731-09-0261-R-1; Jenee Ella Hunt-O'Neal v. Office of Personnel Management, MSPB Docket Number AT-0731-09-0240-I-1; James A. Scott v. Office of Personnel Management, MSPB Docket Number CH-0731-09-0578-I-1; and Holley C. Barnes v. Office of Personnel Management, MSPB Docket Number DC-0731-09-0260-R-1.

Date and Time: Monday, October 18, 2010, at 10 a.m.

Place: The United States Court of Appeals for the Federal Circuit, Room 201, 717 Madison Place, NW., Washington DC.

Status: Open.

FOR FURTHER INFORMATION CONTACT:

Matthew Shannon, Merit Systems Protection Board, Office of the Clerk of the Board, 1615 M Street, NW., Washington, DC 20419; (202) 653–7200; mspb@mspb.gov.

SUPPLEMENTARY INFORMATION: Pursuant to 5 CFR 1201.117(a)(2), the Merit Systems Protection Board ("MSPB" or "Board") will hear oral argument in the matters of Hyginus U. Aguzie v. Office of Personnel Management, MSPB Docket Number DC-0731-09-0261-R-1; Jenee Ella Hunt-O'Neal v. Office of Personnel Management, MSPB Docket Number AT-0731-09-0240-I-1; *James* A. Scott v. Office of Personnel Management, MSPB Docket Number CH-0731-09-0578-I-1; and Holley C. Barnes v. Office of Personnel Management, MSPB Docket Number DC-0731-09-0260-R-1. Aguzie, et al. raise the question of whether, when the Office of Personnel Management (OPM) directs an agency to separate a tenured employee for suitability reasons, the Board must consider a subsequent appeal under 5 CFR part 731 as contemplated therein, or should the Board instead consider the appeal under 5 U.S.C. chapter 75, given that the scope of a chapter 75 appeal is broader than a part 731 appeal and that OPM generally lacks authority to issue regulations limiting statutory rights. The

Board invited amicus curiae to submit briefs in these matters, see 75 FR 20007, Apr. 16, 2010; 75 FR 29366, May 25, 2010, and provided the amici curiae with an opportunity to request permission to present oral argument. The briefs submitted by the parties and the amici curiae are available for viewing on the MSPB's Web site at http://www.mspb.gov/oralarguments/. A recording of the oral argument will also be made available on the MSPB's Web site. The public is welcome to attend this hearing for the sole purpose of observation. Persons with disabilities who require reasonable accommodation to participate in this event should direct the request to the MSPB Director of Equal Employment Opportunity at (202) 653-6772 ext. 1194 or V/TDD 1-800-877-8339 (Federal Relay Service). All requests should be made at least one week in advance.

William D. Spencer,

Clerk of the Board.
