Frequency of Responses: Annually.

Affected Public: State, Local, or Tribal Government, State Educational Agencies or Local Educational Agencies.

Abstract: The State Fiscal Stabilization Fund (SFSF) program is authorized in Title XIV of Division A of the American Recovery and Reinvestment Act of 2009 (ARRA) (Pub. L. 111–5), which President Barack Obama signed into law on February 17, 2009.

Under the SFSF program, the U.S. Department of Education awards funds to Governors to help stabilize State and local budgets in order to minimize and avoid reductions in education and other essential services, in exchange for a State's commitment to advance essential education reform in four areas: (1) Making improvements in teacher effectiveness and in the equitable distribution of qualified teachers for all students, particularly students who are most in need; (2) establishing pre-K-to-college-and-career data systems that track progress and foster continuous improvement; (3) making progress toward rigorous college- and career-ready standards and high-quality assessments that are valid and reliable for all students, including limited English proficient students and students with disabilities; and (4) providing targeted, intensive support and effective interventions for the lowest-performing schools.

Section 14008 of ARRA requires each State receiving funds to submit an annual report to the Secretary, at such time and in such manner as the Secretary may require, that describes:

(1) The uses of funds provided under this title within the State;

(2) How the State distributed the funds it received under this title;

(3) The number of jobs that the Governor estimates were saved or created with funds the State received under this title;

(4) Tax increases that the Governor estimates were averted because of the availability of funds from this title;

(5) The State's progress in reducing inequities in the distribution of highly qualified teachers, in implementing a State longitudinal data system, and in developing and implementing valid and reliable assessments for limited English proficient students and children with disabilities;

(6) The tuition and fee increases for in-State students imposed by public institutions of higher education in the State during the period of availability of funds under this title, and a description

of any actions taken by the State to limit those increases;

(7) The extent to which public institutions of higher education maintained, increased, or decreased enrollment of in-State students, including students eligible for Pell Grants or other need-based financial assistance; and

(8) A description of each modernization, renovation and repair project funded, which shall include the amounts awarded and project costs.

Each State will submit to the Department two SFSF annual reports. The initial report will be due to the Department by February 18, 2011. This report will cover the period from the State's receipt of SFSF funds through September 30, 2010. Each State must submit its final SFSF report by February 18, 2012. The final report will provide data for the period extending through September 30, 2011, the deadline for obligation of SFSF funds.

The Department will, with the assistance of a contractor, evaluate the information in each report and use the data to prepare for the Congress the Secretary's Report required under Section 14110 of the ARRA. In addition, the data will inform the Department's administration and oversight of the program. In particular, it will provide useful information on the uses and impact of SFSF funds.
