#### Notice of Intent To Rule on Request To Release Airport Property at Houma Terrebonne Airport, Houma, LA

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice of request to release airport property.

**SUMMARY:** The FAA proposes to rule and invites public comment on the release of land at the Houma Terrebonne Airport, Houma, Louisiana. The property consists of two small parcels of land, together with all the improvements

situated thereon, and all the rights, ways, privileges, servitudes and advantages thereunto belonging or in anywise appertaining. This land is located approximately 4,700 feet west of the Houma Terrebonne Airport, of Houma, Louisiana. The land in question was acquired by the Terrebonne Parish on June 17, 1958, through provisions of the Federal Property Administrative Services Act of 1949 (63 Stat. 765), the Surplus Property Act of 1944 (58 Stat. 765) as amended thereby.

As airport owner, the Terrebonne Parish has requested to release two parcels in an effort to obtain additional funding for airport improvement at the Houma Terrebonne Airport. As part of this release, this parcel will change from aeronautical to non-aeronautical use and be limited to some type of commercial or industrial use under the provisions of Section 125 of the Wendell H. Ford Aviation Investment Reform Act for the 21st Century (AIR 21).

**DATES:** Comments must be received on or before May 20, 2011.

**ADDRESSES:** Comments on this application may be mailed or delivered to the FAA at the following address: Mr. Lacey D. Spriggs, Federal Aviation Administration, Southwest Region, Airports Division, Manager/Louisiana/New Mexico Airports Development Office, ASW-640, Fort Worth, Texas 76137-0640.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to Mr. Bradley R. Brandt, Louisiana Department of Transportation, Acting Aviation Director, at the following address: P.O. Box 94245, Baton Rouge, Louisiana 70804-9245.

**FOR FURTHER INFORMATION CONTACT:** Mr. Justin Barker, Federal Aviation Administration, Program Manager/Louisiana/New Mexico Airports Development, Office, ASW-640, 2601 Meacham Boulevard, Fort Worth, Texas 76137-0640.

The request to release property may be reviewed in person at this same location.

**SUPPLEMENTARY INFORMATION:** The FAA invites public comment on the request to release property at the Houma Terrebonne Airport under the provisions of the AIR 21.

The following is a brief overview of the request:

As airport owner, the Terrebonne Parish has requested to release two parcels comprised of 0.064 acres and of 0.085 acres that was acquired under the Federal Property Administrative

Services Act of 1949 (63 Stat. 765), the Surplus Property Act of 1944 (58 Stat. 765) as amended thereby.

The release of property will not adversely affect the Houma Terrebonne Airport because these parcels are located on the east side of Louisiana 57, at southeast corner with Hancock Road, approximately 4,700 feet west of the airport Houma Terrebonne Airport. These parcels are situated in Section 12, Township 17 South, Range 17 East, Southeastern (West of River) Land District, Terrebonne Parish, Louisiana. The sale is estimated to provide \$12,939.80 and \$20,943.00 for a sum of \$33,882.80 to be used for airport improvements at the Houma Terrebonne Airport.

Any person may inspect the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**.

In addition, any person may, upon request, inspect the application, notice and other documents germane to the application in person at the Houma Terrebonne Airport.

Issued in Fort Worth, Texas, on April 4, 2011.

Please refer to the assigned OMB control number in any correspondence submitted. FRA will summarize comments received in response to this notice in a subsequent notice and include them in its information collection submission to OMB for approval.

(These telephone numbers are not toll-free.)

**SUPPLEMENTARY INFORMATION:** The Paperwork Reduction Act of 1995 (PRA), Public Law 104-13, § 2, 109 Stat. 163 (1995) (codified as revised at 44 U.S.C. 3501-3520), and its implementing regulations, 5 CFR part 1320, require Federal agencies to provide 60-days notice to the public for comment on information collection activities before seeking approval for reinstatement or renewal by OMB. 44 U.S.C. 3506(c)(2)(A); 5 CFR 1320.8(d)(1), 1320.10(e)(1), 1320.12(a). Specifically, FRA invites interested respondents to comment on the following summary of proposed information collection activities regarding (i) Whether the information collection activities are necessary for FRA to properly execute its functions, including whether the activities will have practical utility; (ii) the accuracy of FRA's estimates of the burden of the information collection activities, including the validity of the methodology and assumptions used to determine the estimates; (iii) ways for FRA to enhance the quality, utility, and

clarity of the information being collected; and (iv) ways for FRA to minimize the burden of information collection activities on the public by automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submission of responses). See 44 U.S.C. 3506(c)(2)(A)(i)-(iv); 5 CFR 1320.8(d)(1)(I)-(iv). FRA believes that soliciting public comment will promote its efforts to reduce the administrative and paperwork burdens associated with the collection of information mandated by Federal regulations. In summary, FRA reasons that comments received will advance three objectives: (i) Reduce reporting burdens; (ii) ensure that it organizes information collection requirements in a "user friendly" format to improve the use of such information; and (iii) accurately assess the resources expended to retrieve and produce information requested. See 44 U.S.C. 3501.

Below is a brief summary of the currently approved information collection request (ICR) that FRA will submit for clearance by OMB as required under the PRA.

*Title:* Implementation for Capital Grants for Rail Line Relocation and Improvement Projects.

*OMB Control Number:* 2130-0578.

*Abstract:* Section 9002 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (Pub. L. 109-59, August 10, 2005) amends chapter 201 of Title 49 of the United States Code by adding section 20154. Section 20154 authorizes—but does not appropriate—\$350,000,000 per year for each of the fiscal years (FY) 2006 through 2009 for the purpose of funding a grant program to provide financial assistance for local rail line relocation and improvement projects. Section 20154 directs the Secretary of Transportation (Secretary) to issue regulations implementing this grant program, and the Secretary has delegated this responsibility to FRA. On July 11, 2008, FRA published the final rule intended to carry out that statutory mandate.

Congress did not appropriate any funding for the Program for FY 2006 or FY 2007. In FY 2008, Congress appropriated \$20,145,000 for the Program, reduced by rescission to \$20,040,200, \$14,905,000 of which was available for discretionary (competitive) grants. After evaluating and scoring 37 applications, FRA awarded \$14,315,300 to seven different projects, leaving \$589,700. In FY 2009, Congress appropriated \$25,000,000 and directed that \$17,100,000 be awarded to 23
