

vehicle or boat registration and license number and state of issue (if applicable), type and number of boats, stock or off-highway vehicles (if applicable), and assessed fee and method of payment (if applicable).

The FS-2300-48, National Recreation Permit, is a form used to authorize specific activities at particular facilities or areas. Information collected for FS-2300-48 includes the group or individual's name, responsible person's signature, address, phone number, date of permit, method of travel, license number and description of vehicle and tow type, payment method and amount, number and types of water craft (if applicable), number in a group at a cabin or campsite (if applicable), number and type of off-highway vehicles or other vehicles, and number and type of other use (if applicable).

This information is used to manage the application process and to issue permits for recreation uses of Federal recreational lands and waters. The information will be collected by Federal employees and agents who are authorized to collect recreation fees and/or issue recreation permits. Name and contact information will be used to inform applicants and permit holders of their success in securing a permit for a special area. Number in group, number and type of vehicles, water craft, or stock may be used to assure compliance with management area direction for recreational lands and waters and track visitation trends. A national forest may use ZIP codes to help determine where the national forest's visitor base originates. Activity information may be used to improve services. Personal information such as names, addresses, phone numbers, e-mails and vehicle registration information will be secured and maintained in accordance with the system of records, National Recreation Reservation System (NRRS) USDA/FS-55.

If unable to collect this information, national forests would not be able to manage their permit programs or disperse use, protect natural and cultural resources, provide for the health and safety of visitors, allocate capacity, and/or help cover the higher costs of providing specialized services on National Forest System recreational lands.

Estimate of Annual Burden: 15 minutes.

Type of Respondents: Individuals.
Estimated Annual Number of Respondents: 37,500.

Estimated Annual Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 9,375 hours.

Comment is invited on: (1) Whether this collection of information is necessary for the stated purposes and the proper performance of the functions of the agency, including whether the information will have practical or scientific utility; (2) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the request for Office of Management and Budget approval.

Dated: April 29, 2011.

Joe L. Meade,
Acting Associate Deputy Chief National Forest System.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: State and Local Government Finance Forms.

OMB Control Number: 0607-0585.

Form Number(s): F-5, F-11, F-12, F-12(S), F-13, F-25, F-28, F-29, F-32, F-42.

Type of Request: Revision of a currently approved collection.

Burden Hours: 74,358.

Number of Respondents: 31,409.

Average Hours per Response: 2 hours and 22 minutes average across all forms.

Needs and Uses: This survey provides government finance data for state and local governments. It is the only known comprehensive source of state and local government finance data collected on a nationwide scale using uniform definitions, concepts, and procedures. This survey is conducted annually, as a national census every five years, and as a sample survey in each of the four intervening years. The Census Bureau provides these data to the Federal Reserve Board for constructing the Nation's Flow of Funds Accounts and the Bureau of Economic Analysis for the National Income and Product Accounts. The data are also used to monitor the government sector of the economy and to formulate, develop, and review public policy. Federal agencies, state and local governments, and the private sector all use these data. The respondents to this survey are state and local government officials.

Our planned form changes for FY2011 include adding additional tax collection line items on the F-5 form and collecting one additional market value item on the F-11, F-12, and F-12(S) forms. The expected burden hour estimate will remain unchanged for these forms. In addition, for the 2012 retirement F-11, F-12, and F-12(S) forms, we plan to add additional collection detail for membership and benefits for defined benefit plans, receipts/payments for defined benefit plans, holdings and investment for defined benefit plans, and actuarial information for defined benefit plans (F-12 only). The burden hour estimate will increase from 2.0 to 2.5 hours for each of the respective forms.

Affected Public: State, local or tribal government.

Frequency: Annually.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Sections 161 and 182.

OMB Desk Officer: Brian Harris-Kojetin, (202) 395-7314.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dhynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent
