

Budget (OMB) and solicitation of public comment.

SUMMARY: The NRC invites public comment about our intention to request the OMB's approval for renewal of an existing information collection that is summarized below. We are required to publish this notice in the **Federal Register** under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* 10 CFR part 73, "Physical Protection of Plants and Materials."

2. *Current OMB approval number:* 3150-0002.

3. *How often the collection is required:* On occasion, with the exception of the initial submittal of revised Security Plans, Safeguards Contingency Plans, and Security Training and Qualification Plans. Required reports are submitted and evaluated as events occur.

4. *Who is required or asked to report:* Nuclear power reactor licensees, licensed under 10 CFR part 50 or 52 who possess, use, import, export, transport, or deliver to a carrier for transport, special nuclear material; Category I fuel facilities; Category II and III facilities; research and test reactors; 200 state contacts; and 262 other nuclear materials licensees.

5. *The number of annual respondents:* 580.

6. *The number of hours needed annually to complete the requirement or request:* 508,133 hours (35,705 reporting plus 10,280 third-party notification plus 462,148 recordkeeping).

7. *Abstract:* NRC regulations in 10 CFR part 73 prescribe requirements to establish and maintain a physical protection system and security organization with capabilities for protection of (1) special nuclear material (SNM) at fixed sites, (2) SNM in transit, and (3) plants in which SNM is used. The objective is to ensure that activities involving special nuclear material are consistent with interests of common defense and security and that these activities do not constitute an unreasonable risk to public health and safety. The information in the reports and records submitted by licensees is used by the NRC staff to ensure that the health and safety of the public and the environment are protected, and licensee possession and use of special nuclear material is in compliance with license and regulatory requirements.

Submit, by July 15, 2011, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the burden estimate accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

PEACE CORPS

Information Collection Requests Under OMB Review

AGENCY: Peace Corps.

ACTION: 60-Day notice and request for comments.

SUMMARY: The Peace Corps will be submitting the following information collection request to the Office of Management and Budget (OMB) for approval of an existing collection in use without an OMB Control Number. In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Peace Corps invites the general public to comment on this request for approval of an existing collection in use without an OMB Control Number, Peace Corps Response Applicant Personal and Professional Reference forms.

DATES: Submit comments on or before July 15, 2011.

ADDRESSES: Comments should be addressed to Denora Miller, Freedom of Information Act Officer. Denora Miller can be contacted by telephone at 202-692-1236 or e-mail at pcf@peacecorps.gov. E-mail comments must be made in text and not in attachments.

FOR FURTHER INFORMATION CONTACT: Denora Miller at Peace Corps address above.

SUPPLEMENTARY INFORMATION: This information collection is used by Peace Corps Response staff to learn from someone, who knows a volunteer applicant and his or her background, whether the applicant possesses the necessary characteristics and skills to serve as a Peace Corps Response Volunteer.

OMB Control Number: 0420-pending.

Title: Reference Form for Peace Corps Response Candidates (Professional). Reference Form for Peace Corps Response Candidates (Personal).

Type of Review: Existing collection in use without an OMB Control Number.

Affected Public: Returned Peace Corps Volunteer and general public.

Respondents' Obligation to Reply: Voluntary.

Burden to the Public:

a. Estimated number of applicants: 2,500.

b. Estimated number of applicants who submit references: 500.

c. Estimated number of references required per applicant: 2.

d. Estimated number of reference forms received: 1,000.
