BILLING CODE 3720-58-P

DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

33 CFR Part 334

United States Navy Restricted Area, Menominee River, Marinette Marine Corporation Shipyard, Marinette, WI

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Final rule.

SUMMARY: The U.S. Army Corps of Engineers is amending its regulations to establish a restricted area in the waters of the Menominee River at the Marinette Marine Corporation Shipyard in Marinette, Wisconsin. The restricted area is necessary to provide adequate protection of U.S. Navy combat vessels, their materials, equipment to be installed therein, and crew, while located at the property of Marinette Marine Corporation.

DATES: *Effective date:* June 23, 2011.

ADDRESSES: Headquarters, U.S. Army Corps of Engineers, Operations and Regulatory Community of Practice, 441 G Street, NW., Washington, DC 20314-1000.

FOR FURTHER INFORMATION CONTACT: Mr. David Olson, Headquarters, Operations

and Regulatory Community of Practice, Washington, DC at 202-761-4922 or by e-mail at david.b.olson@usace.army.mil or Mr. Todd Vesperman, U.S. Army Corps of Engineers, St. Paul District, Regulatory Branch, at 202-761-4614 or by e-mail at todd.m.vesperman@usace.army.mil.

SUPPLEMENTARY INFORMATION: Pursuant to its authorities under Section 7 of the Rivers and Harbors Act of 1917 (40 Stat. 266; 33 U.S.C. 1) and Chapter XIX of the Army Appropriations Act of 1919 (40 Stat. 892; 33 U.S.C. 3), the Corps is amending restricted area regulations at 33 CFR part 334 by adding § 334.815 to establish a restricted area in the waters of the Menominee River at the Marinette Marine Corporation Shipyard in Marinette, Wisconsin. Marinette Marine Corporation, as shipbuilder of Littoral Combat Ships, has requested on behalf of the Department of Navy, that the restricted area be established to provide adequate protection of U.S. Navy combat vessels, their materials, equipment to be installed therein, and crew, while located at the property of Marinette Marine Corporation.

The proposed rule was published in the November 10, 2010, edition of the **Federal Register** (75 FR 69034) with the docket number COE-2010-0041. No comments were received. On November 12, 2010, the Corps St. Paul District issued a local public notice soliciting comments on the proposed rule from all known interested parties and no comments were received. After the proposed rule was published to solicit comments, the Department of the Navy requested that the rule text be changed so that the restricted area could be marked with a signed floating buoy line instead of a signed floating barrier. That change has been made to the final rule.

Procedural Requirements

a. *Review Under Executive Order 12866.* This rule is issued with respect to a military function of the Department of Defense and the provisions of Executive Order 12866 do not apply.

b. *Regulatory Flexibility Act, as Amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 et seq.* This rule has been reviewed under the Regulatory Flexibility Act (Pub. L. 96-354), which requires the preparation of a regulatory flexibility analysis for any regulation that will have a significant economic impact on a substantial number of small entities (*i.e.*, small businesses and small governments). The Corps determined that the establishment of the new restricted area would not have a

significant economic impact on a substantial number of small entities.

c. *Review Under the National Environmental Policy Act.* An environmental assessment (EA) has been prepared. We have concluded that the establishment of the restricted area will not have a significant impact to the quality of the human environment and, therefore, preparation of an environmental impact statement is not required. The final EA and Finding of No Significant Impact may be reviewed at the District Office listed at the end of the **FOR FURTHER INFORMATION CONTACT** section, above.

d. *Unfunded Mandates Reform Act.* This rule does not impose an enforceable duty among the private sector and, therefore, is not a Federal private sector mandate and is not subject to the requirements of Section 202 or 205 of the Unfunded Mandates Reform Act (Pub. L. 104-4, 109 Stat. 48, 2 U.S.C. 1501 *et seq.*). We have also found, under Section 203 of the Act, that small governments will not be significantly or uniquely affected by this rule.
