Operations Section of SIFMA that several broker-dealer participants had expressed concern that their practices for turnaround of stock loans and stock loan returns (i.e., MSEG overrides) may be deemed by FINRA to be contrary to the Commission's Rule 15c3-3 ("Customer Protection Rule").3 DTC also communicated directly with participants affected through their use of this functionality, and they expressed similar concerns. In order to accommodate its participants in this regard, DTC is revising its procedures so that MSEG will no longer permit stock loan or stock loan return-related turnaround deliveries for a security when there is an MSEG deficit in the account.

In order to effect the rule change described above, DTC is amending its Settlement Service Guide ("Service Guide"), which is incorporated into DTC's procedures, to make existing indicators that allow for the turnaround of stock loans and stock loan returns more restrictive. As a result, the procedures will no longer permit deliveries for stock loans, stock loan returns, The Options Clearing Corporation ("OCC") stock loans, OCC stock loan returns, American Depository Receipt ("ADR") stock loans, and ADR stock loan returns to be completed from turnaround shares when an MSEG deficit exists.4

III. Discussion

Section 17A(b)(3)(F) of the Act requires, among other things, that the rules of a clearing agency be designed to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible. The Commission finds that DTC's rule change, which should reduce the risk of unintended deliveries by broker-dealer participants of customer fully paid and excess margin securities in violation of the Customer Protection Rule, is consistent with this obligation under the Exchange Act because it should help DTC participants to better protect and have possession of customer fully-paid and excess margin securities that are held at DTC and in general, because it helps protect investors and the public interest.

Accordingly, for the reasons stated above the Commission believes that the

proposed rule change is consistent with DTC's obligation under Section 17A of the Exchange Act, as amended, and the rules and regulations thereunder.⁶

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act, particularly with the requirements of Section 17A of the Act, and the rules and regulations thereunder.

It Is Therefore Ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR–DTC–2011–05) be and hereby is approved.

For the Commission by the Division of Trading and Markets, pursuant to delegated authority.⁷

Cathy H. Ahn,

Deputy Secretary.
