Title of Proposal(s): Closeout Notice for CDBG Programs.

HUD 7082-Funding Approval Form.

OMB Control Number, if applicable: Description of the need for the information and proposed use:

Closeout Notice for CDBG Programs

The closeout instructions apply to Community Development Block Grant (CDBG) programs (State CDBG Program, CDBG Disaster Recovery Supplemental Funding, CDBG-Recovery Act (CDBG-R)) and Neighborhood Stabilization Programs (NSP) 1, 2, & 3. Section 570.509 of the CDBG regulations contains the grant closeout criteria for Entitlement jurisdictions when HUD determines, in consultation with the recipients that a grant can be closed. The State CDBG program does not have a regulatory requirement for closeouts but has relied on administrative guidance. This is also true for the NSP, CDBG Disaster Recovery and CDBG-R

programs administrated by the state. States will use the Notice as a vehicle to verify that State CDBG funds have been properly spent before a grant may be officially closed. The HUD field office will prepare and send a closeout package that includes a transmittal letter, grant closeout agreement, grantee closeout certification and a closeout checklist to the grantee via email or standard mail. The information in the closeout package will assist the Department in determining whether all requirements of the contract between the Department and the Grantee have been completed.

The HUD 7082 Funding Approval Form

The Grant Agreement between the Department of Housing and Urban Development (HUD) and the Grantee is made pursuant to the authority of Title

I of the Housing and Community Development Act of 1974, as amended, (42 USC 5301 *et seq.*). HUD will make the funding assistance as specified to the grantee upon execution of the Agreement.

Agency for numbers, if applicable:
Not applicable

Members of affected public: This information collection applies to all States, Entitlement jurisdictions, Insular Areas, non-entitlement counties in Hawaii and those non-entitlement counties directly funded by NSP 3.

Estimation of the Total Numbers of Hours Needed To Prepare the Information Collection Including Number of Respondent, Frequency of Response, and Hours of Response: The estimated combined number of respondents is 3,077 for the grant closeout task and for the HUD 7082

funding approval form. The proposed frequency of the response to the collection of information is annual to initiate the grant closeout reporting and submission of the funding approval agreement. The total annual reporting for grant closeout is estimated at 2399.34 hours for 1,621 grant recipients. The annual submission of the HUD 7082 funding approval form is estimated at 364 hours for 1,456 grant recipients.

Status of the Proposed Information Collection:

This is a new collection.

Authority: The paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: May 27, 2011.

Mercedes Márquez,
Assistant Secretary for Community Planning and Development.
