SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 19b-4 and Form 19b-4; OMB Control No. 3235-0045; SEC File No. 270-38.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 19b-4 (17 CFR 240.19b-4) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Section 19(b) of the Securities Exchange Act of 1934 ("Act") (15 U.S.C. 78s(b)) requires each self-regulatory organization ("SRO") to file with the Commission copies of any proposed rule, or any proposed change in, addition to, or deletion from the rules of such SRO. Rule 19b-4 (17 CFR 240.19b-4) implements the requirements of Section 19(b) by requiring the SROs to file their proposed rule changes on Form 19b-4 and by clarifying which actions taken by SROs are deemed proposed rule changes and so must be filed pursuant to Section 19(b).

The collection of information is designed to provide the Commission with the information necessary to determine, as required by the Act, whether the proposed rule change is consistent with the Act and the rules thereunder. The information is used to determine if the proposed rule change should be approved or if proceedings should be instituted to determine whether the proposed rule change should be disapproved.

The respondents to the collection of information are self-regulatory organizations (as defined by the Act), including national securities exchanges, national securities associations, registered clearing agencies and the Municipal Securities Rulemaking Board.

Twenty-five respondents file an average total of 1,405 responses per year. Each response takes approximately 38.057 hours to complete. The total annual reporting burden for filing proposed rule changes is 53,470 hours. The respondents are required to post all proposed rule changes to their Web sites, each of which takes approximately four hours to complete. For 1,405 proposed rule changes, the total annual reporting burden for posting them to respondents' Web sites is 5,620 hours. The respondents are required to update the postings of those proposed rule changes which become effective (on average, 1,071 per year), each of which takes approximately four hours to complete. The total annual reporting burden for updating proposed rule change postings on the respondents' Web sites is 4,284 hours. Thus, the total estimated annual response burden pursuant to Rule 19b-4 and Form 19b-4 is the sum of the total annual reporting burdens for filing proposed rule changes, posting them to the respondents' Web sites, and updating the postings of those that become effective on the respondents, which is 63,374 hours.

Compliance with Rule 19b-4 is mandatory. Information received in response to Rule 19b-4 shall not be kept confidential; the information collected is public information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view the background documentation for this information collection at the following Web site, <http://www.reginfo.gov>. Comments should be directed to (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an e-mail to: Shagufta_Ahmed@omb.eop.gov; and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

June 21, 2011.

Cathy H. Ahn,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64712; File No. SR-OCC-2011-03]

Self-Regulatory Organizations; The Options Clearing Corporation; Order Approving Proposed Rule Change To Allow for an Expansion of OCC's Internal Cross-Margining Program To Include the Ability of a Pair of Affiliated Clearing Members To Establish an Internal Non-Proprietary Cross-Margining Account

June 21, 2011.

I. Introduction

On March 17, 2011, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change SR-OCC-2011-03 pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act").¹ The proposed rule change was published for comment in the **Federal Register** on April 7, 2011.² The Commission received three comment letters on the proposal, including OCC's letter responding to one of the commenters.³ This order approves the proposal.

II. Description of the Proposal

The purpose of this rule change is to expand OCC's internal cross-margining program to permit a pair of affiliated clearing members to establish a cross-margining account ("Internal Non-Proprietary Cross-Margining Account") in which securities and security futures that are cleared by OCC in its capacity as a securities clearing agency may be cross-margined with commodity futures and options on such futures that are cleared by OCC in its capacity as a derivatives clearing organization ("DCO") registered with the Commodity Futures Trading Commission ("CFTC") under the Commodity Exchange Act ("CEA").

In 2004, the CFTC and the Commission⁴ approved OCC's proposal to create an "internal cross-margining" program under which an OCC clearing member could elect to cross-margin a non-proprietary futures account of a

"market professional"⁵ with a non-proprietary securities account containing positions of the same market professional. At OCC, the securities and futures positions of all market professionals with cross-margined accounts at the clearing member are combined in a single Internal Non-Proprietary Cross-Margining Account of the clearing member at OCC. The existing program, which has operated successfully since 2004, requires that the same clearing member clear the securities and futures positions. In contrast, the existing cross-margining programs between OCC and other DCOs, such as the clearing division of the Chicago Mercantile Exchange ("CME") and ICE Clear U.S., permit cross-margining where the member of the futures clearing organization is a different entity from its affiliate that is an OCC clearing member. The purpose of this proposed rule change is to expand the existing internal cross-margining program in an analogous way so that it would permit an Internal Non-Proprietary Cross-Margining Account to be maintained at OCC jointly by a pair of affiliated clearing members that clear transactions in securities options and in futures products through two different entities. In order to participate, both OCC clearing members would have to be affiliates of one another and would have to be registered as both a futures commission merchant under the CEA and as a broker-dealer under the Act.

OCC's current internal cross-margining program does not provide for internal cross-margining accounts to be carried jointly by a pair of affiliated clearing members because OCC did not believe in 2004 that there was any clearing member demand for such a service. Recently, however, OCC has learned that there is demand for such a service. Under OCC's current proposal, two affiliated clearing members will jointly maintain an Internal Non-Proprietary Cross-Margining Account. The clearing member that normally clears transactions in securities options would submit transactions in eligible securities options to the account for clearance, and the clearing member that normally clears transactions in futures

Murphy, Secretary, Commission (April 21, 2010); and letter from Stephen M. Szamarck, V.P. Associate General Counsel, OCC, to Elizabeth M. Murphy, Secretary, Commission (May 23, 2011).

⁴ Securities Exchange Act Release No. 34-50509 (October 8, 2004), 69 FR 61289 (October 15, 2004).

⁵ As set forth in OCC's By-Laws, a market professional could be a market-maker, specialist or person acting in a similar capacity on a securities exchange, or a member of a futures exchange trading for its own account. A non-proprietary market professional is any market professional that is required to be treated as a "customer" under the CEA, and therefore excludes any market professional that is affiliated with the carrying clearing member in a way that would cause its account to be treated as a "proprietary account" under Section 1.3(y) of the CFTC's regulations.
