During any administrative review covering all or part of a period falling between the first and second or third and fourth anniversary of the publication of an antidumping duty order under 19 CFR 351.211 or a determination under 19 CFR 351.218(f)(4) to continue an order or suspended investigation (after sunset review), the Secretary, if requested by a domestic interested party within 30 days of the date of publication of the notice of initiation of the review, will determine, consistent with *FAG Italia S.p.A. v. United States*, 291 F.3d 806 (Fed. Cir. 2002), as appropriate, whether antidumping duties have been absorbed by an exporter or producer subject to the review if the subject merchandise is sold in the United States through an importer that is affiliated with such exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant

provisional-measures "gap" period, of the order, if such a gap period is applicable to the POR.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. On January 22, 2008, the Department published *Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO Procedures*, 73 FR 3634 (January 22, 2008). Those procedures apply to administrative reviews included in this notice of initiation. Parties wishing to participate in any of these administrative reviews should ensure that they meet the requirements of these procedures (e.g., the filing of separate letters of appearance as discussed at 19 CFR 351.103(d)).

Any party submitting factual information in an antidumping duty or countervailing duty proceeding must certify to the accuracy and completeness of that information. See section 782(b) of the Act. Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives in all segments of any antidumping duty or countervailing duty proceedings initiated on or after March 14, 2011. See *Certification of Factual Information to Import Administration During Antidumping and Countervailing Duty Proceedings: Interim Final Rule*, 76 FR 7491 (February 10, 2011) (*Interim Final Rule*), amending 19 CFR 351.303(g)(1) and (2). The formats for the revised certifications are provided at the end of the *Interim Final Rule*. The Department intends to reject factual submissions in any proceeding segments initiated on or after March 14, 2011 if the submitting party does not comply with the revised certification requirements.

These initiations and this notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)), and 19 CFR 351.221(c)(1)(i).

Fresh and Chilled Atlantic Salmon From Norway: Preliminary Results of Full Third Sunset Review of Countervailing Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On January 3, 2011, the Department of Commerce (the Department) initiated a sunset review of the countervailing duty (CVD) order on fresh and chilled Atlantic salmon from Norway pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). See *Initiation of Five-Year ("Sunset") Review*, 76 FR 89 (January 3, 2011) (*Sunset Initiation*). On the basis of adequate substantive responses submitted by domestic and respondent interested parties, the Department determined to conduct a full sunset review of this CVD order pursuant to section 751(c) of the Act and 19 CFR 351.218(e)(2). As a result of our analysis, the Department preliminary finds that revocation of the CVD order would likely lead to continuation or recurrence of a countervailable subsidy.

DATES: *Effective Date:* June 28, 2011.

Background

On January 3, 2011, the Department initiated the third sunset review of the CVD order on fresh and chilled Atlantic salmon from Norway pursuant to section 751(c) of the Act. *See Sunset Initiation*. On January 13, 2011, the Government of Norway (GON), Norwegian Seafood Federation (NSF), and Aquaculture Division of the Norwegian Seafood Association (ADNSA) (collectively, the respondents), filed letters of appearance in the review.¹ On January 18, 2011, Phoenix Salmon U.S., Inc. (Phoenix Salmon), a domestic producer of fresh and chilled Atlantic salmon, filed a notice of intent to participate in the review.²

On January 21, 2011, NSF and ADNSA supplemented their letter of appearance by submitting to the Department a list of their members. On February 2, 2011, the Department received a substantive response from Phoenix Salmon and a joint substantive response from the respondents within the deadline specified in 19 CFR 351.218(d)(3)(i). The Department received rebuttal comments from Phoenix Salmon and the GON on February 14, 2011. On February 25, 2011, the GON submitted a surrebuttal to Phoenix Salmon's rebuttal responding to the company's claims that NSF and ADNSA are not interested parties.

On March 3, 2011, Department officials met with Phoenix Salmon, who reiterated statements made in its submissions regarding the interested party status of NSF and ADNSA. *See Memorandum to the File*, through Melissa Skinner, Director, AD/CVD Operations, Office 3, from Kristen Johnson, Trade Analyst, AD/CVD Operations, Office 3, regarding "Meeting with Counsel for the Domestic Interested Party," (March 3, 2011). On March 4, 2011, the Department issued a letter to NSF and ADNSA requesting that each association identify their members that are producers or exporters of the subject merchandise. On March 11, 2011, NSF and ADNSA submitted annotated membership lists, which identify the members of each association that are producers or exporters of subject merchandise. On

March 16, 2011, Phoenix Salmon submitted comments on the membership lists submitted by NSF and ADNSA.

On April 6, 2011, the Department issued its adequacy determination memorandum. The Department found that the domestic and respondent parties submitted adequate substantive responses and that NSF and ADNSA have standing as interested parties in this review. The Department, therefore, determined to conduct a full sunset review of this CVD order. *See Memorandum to Gary Taverman, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations*, from Melissa Skinner, Director, Antidumping and Countervailing Duty Operations, Office 3, regarding "Adequacy Determination: Third Sunset Reviews of the Antidumping and Countervailing Duty Orders on Fresh and Chilled Atlantic Salmon From Norway," (April 6, 2011). On April 12, 2011, the Department extended the deadline for the preliminary and final results of this sunset review. *See Fresh and Chilled Atlantic Salmon From Norway: Extension of Time Limits for Preliminary and Final Results of Full Third Antidumping and Countervailing Duty Sunset Reviews*, 76 FR 20312 (April 12, 2011) (*Salmon Extension Notice*). The Department did not receive comments on the adequacy determination memorandum from any party to this review.

Scope of the Order

The product covered by the order is the species Atlantic salmon (*Salmo Salar*) marketed as specified herein; the order excludes all other species of salmon: Danube salmon, Chinook (also called "king" or "quinnat"), Coho ("silver"), Sockeye ("redfish" or "blueback"), Humpback ("pink") and Chum ("dog").³ Atlantic salmon is a whole or nearly-whole fish, typically (but not necessarily) marketed gutted, bled, and cleaned, with the head on. The subject merchandise is typically packed in fresh-water ice ("chilled"). Excluded from the subject merchandise are fillets, steaks and other cuts of Atlantic salmon. Also excluded are frozen, canned, smoked or otherwise processed Atlantic salmon. Atlantic salmon is currently provided for under Harmonized Tariff Schedule of the United States (HTSUS) subheadings 0302.12.0003 and 0302.12.0004.

³ On August 5, 2009, the Department made a final scope ruling determining that whole salmon steaks are within the scope of the order. *See Notice of Scope Rulings*, 75 FR 14138 (March 24, 2010).

The HTSUS subheadings are provided for convenience and customs purposes. The written description remains dispositive as to the scope of the product coverage.

Analysis of Comments Received

All issues raised in this review are addressed in the Issues and Decision Memorandum for the Preliminary Results of Full Third Sunset Review of the Countervailing Duty Order on Fresh and Chilled Atlantic Salmon from Norway (Decision Memorandum) from Edward C. Yang, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Deputy Assistant Secretary for Import Administration, dated concurrently with this preliminary notice, which is hereby adopted by this notice. Parties can find a complete discussion of all issues raised in this full sunset review and the corresponding recommendations in this public memorandum, which is on file in the Department's Central Records Unit. In addition, a complete version of the Decision Memorandum can be accessed directly on the Internet at <http://trade.gov/ia>. The paper copy and electronic version of the Decision Memorandum are identical in content.

Preliminary Results of Review

The Department preliminarily determines that revocation of the CVD order on fresh and chilled Atlantic salmon would likely lead to continuation or recurrence of a countervailable subsidy at the rate of 2.20 percent *ad valorem* for all producers/exporters of subject merchandise from Norway. Interested parties may submit case briefs no later than 50 days after the date of publication of the preliminary results of this full sunset review, in accordance with 19 CFR 351.309(c)(1)(i). Any interested party may request a hearing within 30 days of publication of this notice in accordance with 19 CFR 351.310(c). Rebuttal briefs, which must be limited to issues raised in the case briefs, may be filed not later than the five days after the time limit for filing case briefs in accordance with 19 CFR 351.309(d).

A hearing if requested will be held two days after the date the rebuttal briefs are due. The Department will issue a notice of final results of this full sunset review, which will include the results of its analysis of issues raised in any such comments, no later than November 29, 2011. *See Salmon Extension Notice*.

We are issuing and publishing the results and notice in accordance with
