

resulting from statutory requirements and those we have determined as necessary for administering this program effectively and efficiently.

In assessing the potential costs and benefits—both quantitative and qualitative—of this final regulatory action, we have determined that the benefits of the final priorities, requirements, definitions, and selection criteria justify the costs.

We have determined, also, that this final regulatory action does not unduly interfere with State, local, and tribal governments in the exercise of their governmental functions.

#### *Summary of potential costs and benefits:*

The impact of the Charter Schools Program in opening new charter schools around the country has been well-established. CSP Grants for the Replication and Expansion of High-Quality Charter Schools program gives the best CMOs in the country a chance to replicate their high-performing charter schools and serve more students. The priorities, requirements, definitions, and selection criteria announced in this notice will ensure that the highest-quality applicants receive funds and are able to serve the students most in need.

*Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. One of the objectives of the Executive Order is to foster an intergovernmental partnership and a strengthened federalism. The Executive Order relies on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

This document provides early notification of our specific plans and actions for this program.

[Docket Nos. TS11-6-000; OA96-35-001]

#### Maine Public Service Company; Notice of Filing

Take notice that on June 22, 2011, Maine Public Service Company submitted a filing notifying the Commission of its relinquishment, effective December 21, 2010, of the waiver it previously received of the Standards of Conduct requirements of Order No. 889 in Docket No. OA96-35-000, *Midwest Energy, Inc., et al.*, 77 FERC ¶ 61,208 (1996) (Waiver Order).

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible online at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public

Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s).
